- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## GEOGRAPHY CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (4 COURSES; 13 CREDIT HOURS)

---

- GEO 2200 - Introduction to Physical Geography **Credit(s): 3**
- GEO 2200L - Introduction to Physical Geography Lab **Credit(s): 1**
- GEO 2400 - Human Geography **Credit(s): 3**
- Choose 1 course (3 credit hours) of 3000-/4000-level coursework with a GEO or a GIS prefix.**

Choose 1 course (three credit hours) from the following list.

- GIS 3006 - Mapping and Geovisualization **Credit(s): 3**
- GEO 4379 - Geographic Perspectives on Environment **Credit(s): 3**

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

## OPTIONAL HONOR PROGRAM

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH GOVERNMENT AND GLOBAL AFFAIRS CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

"D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

Complete all major course requirements.

College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

## MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

## GOVERNMENT AND GLOBAL AFFAIRS CONCENTRATION

### CONCENTRATION REQUIREMENTS (5 COURSES; 15 CREDIT HOURS)

Choose 5 courses (15 credit hours) from the following list of courses. A maximum of three (3) courses may be taken from a single department.

- AMH 3130 - The American Revolutionary Era **Credit(s): 3**
- AMH 3140 - The Age of Jefferson **Credit(s): 3**
- AMH 3201 - The United States, 1877-1914 **Credit(s): 3**
- AMH 3231 - The United States, 1914-1945 **Credit(s): 3**
- AMH 3423 - Modern Florida **Credit(s): 3**
- CPO 2002 - Introduction to Comparative Politics **Credit(s): 3**
- CPO 4034 - Politics of the Developing Areas **Credit(s): 3**
- ECO 2013 - Economic Principles (Macroeconomics) **Credit(s): 3**
- ECO 2023 - Economic Principles (Microeconomics) **Credit(s): 3**
- ECO 3703 - International Economics **Credit(s): 3**
- INR 3102 - American Foreign Policy **Credit(s): 3**
- INR 3202 - International Human Rights **Credit(s): 3**
- INR 4083 - Conflict in the World **Credit(s): 3**
- INR 4403 - International Law **Credit(s): 3**
- INR 4931 - Selected Topics **Credit(s): 1-3**
- LDR 4114 - Survey of Leadership Readings **Credit(s): 3**
- LDR 4204 - Ethics and Power in Leadership **Credit(s): 3**
- POS 2041 - American National Government **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

- REL 3613 - Modern Judaism **Credit(s): 3**
- SYA 4910 - Individual Research **Credit(s): 1-3**

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

### OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

### RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

---

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH HISTORY CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- ☐ **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- ☐ **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- ☐ **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- ☐ Students must complete all State and University level graduation requirements.
- ☐ Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- ☐ Physical Education coursework is limited to two (2) semester hours.
- ☐ ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- ☐ When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- ☐ Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- ☐ The Audit option is available only during the first 5 days of classes.
- ☐ "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

---

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## HISTORY CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

---

Choose 4 courses (12 credit hours) of 3000-/4000-level coursework with AFH, AMH, ASH, EUH, HIS, LAH prefixes

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

---

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

---

### GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

---

### OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH HUMANITIES CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH INFORMATION STUDIES CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

## INFORMATION STUDIES CONCENTRATION

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

- LIS 2937 - Selected Topics in Library/Information Science **Credit(s): 1-3**
- LIS 3361 - World Wide Web Page Design and Management **Credit(s): 3**
- Choose 2 courses (6 credit hours) of 3000-/4000-level coursework with a LIS prefix**

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

### OPTIONAL HONOR PROGRAM

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH INTERNATIONAL STUDIES CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

---

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## INTERNATIONAL STUDIES CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

---

Choose 4 courses (12 credit hours) of 3000-/4000-level coursework with ASH, ASN, EUH, EUS, INR, LAH, LAS, RUS, RUT prefixes

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

---

Other Requirements

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

---

## GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

---

## GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

---

## OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

---

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

## LATIN AMERICAN, CARIBBEAN, AND LATINO STUDIES CONCENTRATION

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

Choose 4 courses (12 credit hours) of 3000-/4000-level coursework relating to Latin America, the Caribbean, and/or the Latino/Latina diaspora selected from at least four of the following areas:

- Anthropology/Sociology/Philosophy
- Political Science/International Studies
- Geography/History
- Education/Social Work
- Global Studies/Public Health

Note: Courses require prior approval from the ISS Advisor.

#### Suggested List of Courses

- ANT 4165 - South American Archaeology **Credit(s): 3**
- ANT 4316 - Ethnic Diversity in the United States **Credit(s): 3**
- ANT 4340 - The Caribbean **Credit(s): 3**

### OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

### RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

---

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

### ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

---

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## 4 YEAR PLAN OF STUDY - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

### NOTES:

- ❑ SCIV - Civics Literacy needs to be completed prior to graduation. For more information, see <https://www.usf.edu/undergrad/students/civics-literacy.aspx> or talk with your academic advisor.
- ❑ Items that are critical are marked with a \* and are included in the plan for a student to stay on track.

### YEAR 1

#### SEMESTER 1 (FALL)

- ❑ ENC 1101 - Composition I **Credit(s): 3**
- ❑ SGES - General Education Core Social Sciences **Credit(s): 3**
- ❑ SGEM - General Education Core Mathematics **Credit(s): 3**
- ❑ SGEH - General Education Core Humanities **Credit(s): 3**
- ❑ Civics Literacy Exam

**Total Credit Hours: 12**

#### SEMESTER 2 (SPRING)

- ❑ ENC 1102 - Composition II **Credit(s): 3**
- ❑ STA 2122 - Social Science Statistics **Credit(s): 3**
- ❑ TGEC - Creative Thinking **Credit(s): 3**
- ❑ TGED - Human & Cultural Diversity **Credit(s): 3**
- ❑ TGEI - Information and Data Literacy **Credit(s): 3**

**Total Credit Hours: 15**

#### SEMESTER 3 (SUMMER)

Please consider pursuing High Impact Practice opportunities this semester such as Education Abroad, Internship Opportunities, Community Engagement, or Research Opportunities.

Questions about opportunities? Schedule an appointment with your academic advisor.

### YEAR 2

#### SEMESTER 4 (FALL)

- ❑ ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ❑ SGEN - General Education Core Natural Sciences **Credit(s): 3**
- ❑ Diversity and Global Context **Credit(s): 3**
- ❑ Introductory courses in a Social Sciences discipline **Credit(s): 3**
- ❑ Concentration Elective **Credit(s): 3**

**Total Credit Hours: 15**

#### SEMESTER 5 (SPRING)

- ❑ Diversity and Global Context **Credit(s): 3**
- ❑ Concentration Elective **Credit(s): 3**
- ❑ Concentration Elective **Credit(s): 3**
- ❑ General/Unrestricted Elective **Credit(s): 3**

**Total Credit Hours: 12**

#### SEMESTER 6 (SUMMER)

- ❑ Diversity and Global Context **Credit(s): 3**

**Total Credit Hours: 3**

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH MASS COMMUNICATIONS CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- ❑ **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- ❑ **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- ❑ **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- ❑ Students must complete all State and University level graduation requirements.
- ❑ Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- ❑ Physical Education coursework is limited to two (2) semester hours.
- ❑ ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- ❑ When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- ❑ Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- ❑ The Audit option is available only during the first 5 days of classes.
- ❑ "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences;

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

## MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

---

Diversity and Global Context Courses (2-3 courses; 6-9 credit hours)

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## MASS COMMUNICATIONS CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

---

- MMC 3602 - Mass Communications and Society **Credit(s): 3**

Choose 3 courses (9 credit hours) from the following list of courses.

- ADV 3008 - Introduction to Advertising **Credit(s): 3**
- MMC 4200 - History and Principles of Communications Law **Credit(s): 3**
- MMC 4203 - Communication Ethics **Credit(s): 3**
- MMC 4420 - Research Methods in Mass Communications **Credit(s): 3**
- MMC 4936 - Selected Topics in Mass Communications Studies **Credit(s): 1-3**
- PUR 3000 - Principles of Public Relations **Credit(s): 3**
- RTV 3001 - Introduction to Telecommunications **Credit(s): 3**
- RTV 4542 - TV Production and Direction **Credit(s): 3**
- VIC 3001 - Visual Literacy **Credit(s): 3**

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

---

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## GRADING REQUIREMENTS

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

## OPTIONAL HONOR PROGRAM

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH MULTIDISCIPLINARY BEHAVIORAL SCIENCES CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences;

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours

- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## MULTIDISCIPLINARY BEHAVIORAL SCIENCES CONCENTRATION

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

---

- MHS 3411 - Multidisciplinary Behavioral Healthcare Services **Credit(s): 3**
  - MHS 4002 - Behavioral Health Systems Delivery **Credit(s): 3**
  - MHS 4408 - Exemplary Practices in Behavioral Healthcare Treatment **Credit(s): 3**
- Choose 1 courses (3 credit hours) from the following list of courses.
- MHS 4425 - Field Experience in Behavioral Healthcare **Credit(s): 3**
  - MHS 4906 - Directed Study **Credit(s): 1-4**
  - MHS 4931 - Selected Topics **Credit(s): 1-3**

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

### OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH POLITICAL SCIENCE CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences;

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## POLITICAL SCIENCE CONCENTRATION

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

---

- POS 2041 - American National Government **Credit(s): 3**
- Choose 3 courses (9 credit hours) of 3000-/4000-level coursework with POS, POT, PUP prefixes**

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

---

## OPTIONAL HONOR PROGRAM

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences;

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## PSYCHOLOGY CONCENTRATION

### CONCENTRATION REQUIREMENTS (4 COURSES; 13 CREDIT HOURS)

---

- PSY 3213 - Research Methods in Psychology **Credit(s): 4**
- Choose 3 courses (9 credit hours) of 3000-/4000-level coursework with PSY, PSB, CLP, DEP, EXP, PPE, SOP prefixes**

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

---

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

#### Grading Requirements

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

---

### OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH PUBLIC ADMINISTRATION CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH PUBLIC HEALTH CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences;

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

---

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## PUBLIC HEALTH CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (5 COURSES; 15 CREDIT HOURS)

---

- HSC 4537 - Medical Terminology **Credit(s): 3**
- HSC 4551 - Survey of Human Diseases **Credit(s): 3**
- PHC 4030 - Introduction to Epidemiology **Credit(s): 3**
- PHC 4101 - Overview of Public Health Programs and Policies **Credit(s): 3**

Choose 1 course (3 credit hours) from the following list of courses

- HSC 2017 - Careers in Public Health **Credit(s): 3**
- HSC 2100 - Contemporary Health Science **Credit(s): 3**
- HSC 2130 - Sex, Health, and Decision-Making **Credit(s): 3**
- HSC 4172 - Women's Health: A Public Health Perspective **Credit(s): 3**
- HSC 4213 - Environmental and Occupational Risk Analysis **Credit(s): 3**
- HSC 4430 - Occupational Health and Safety **Credit(s): 3**
- HSC 4504 - Foundations of Public Health Immunology **Credit(s): 3**
- HSC 4573 - Foundations of Food Safety **Credit(s): 3**
- HSC 4579 - Foundations of Maternal and Child Health **Credit(s): 3**
- HSC 4933 - Special Topics in Public Health **Credit(s): 1-3**
- HUN 3272 - Sports Nutrition **Credit(s): 3**
- HUN 3296 - Nutrition and Disease **Credit(s): 3**
- PHC 3320 - Environmental Health Science **Credit(s): 3**
- PHC 4031 - Emerging Infectious Diseases **Credit(s): 3**
- PHC 4188 - Public Health Emergencies in Large Populations **Credit(s): 3**
- PHC 4234 - Public and Private Continuity Planning for Emergencies **Credit(s): 3**
- PHC 4375 - Community Participation in Homeland Security **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- ☐ PHC 4376 - Disaster by Design: Exercise Development for Homeland Security Professionals

**Credit(s): 3**

- ☐ PHC 4931 - Health Care Ethics **Credit(s): 3**

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

- ☐ Students declare two concentrations.
- ☐ American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

- ☐ A grade of C- or better is required in all core courses.
- ☐ No more than two grades of D are acceptable in the major.
- ☐ No transfer courses with grades of D are acceptable for credit in the major.

### OPTIONAL HONOR PROGRAM

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

### RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

### ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH RELIGIOUS STUDIES CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

---

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## RELIGIOUS STUDIES CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

---

- REL 3040 - Introduction to Religious Studies **Credit(s): 3**
- Choose 3 courses (9 credit hours) of 3000-/4000-level coursework with a REL prefix**

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

---

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

---

### GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

---

### OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. ## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH SOCIAL RELATIONS AND POLICY CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

---

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## SOCIAL RELATIONS AND POLICY CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (5 COURSES; 15 CREDIT HOURS)

---

Up to 3 Sociology courses with the following prefixes: SYD, SYO, or SYP (3 credits each course).

- AMH 3562 - American Women II **Credit(s): 3**
- AMH 3572 - African American History since 1865 **Credit(s): 3**
- ANT 4302 - Gender in Cross-Cultural Perspective **Credit(s): 3**
- CLP 4143 - Abnormal Psychology **Credit(s): 3**
- ECP 3203 - Labor Economics **Credit(s): 3**
- EDF 3802 - The Dynamics of Unity **Credit(s): 3**
- GEY 3625 - Sociological Aspects of Aging **Credit(s): 3**
- GEY 4322 - Care Management for Older Adults **Credit(s): 3**
- GEY 4647 - Ethical and Legal Issues in Aging **Credit(s): 3**
- INR 3202 - International Human Rights **Credit(s): 3**
- LDR 3331 - Leading in the Workplace **Credit(s): 3**
- LDR 4114 - Survey of Leadership Readings **Credit(s): 3**
- LDR 4204 - Ethics and Power in Leadership **Credit(s): 3**
- POS 4693 - Women and Law I **Credit(s): 3**
- SOP 4004 - Social Psychology **Credit(s): 3**
- SOP 4777 - Psychology of Human Sexuality **Credit(s): 3**
- SOW 3101 - Human Behavior and the Social Environment I **Credit(s): 3**
- SOW 3102 - Human Behavior and the Social Environment II **Credit(s): 3**
- SOW 3203 - Introduction to Social Work **Credit(s): 3**
- SOW 3210 - The American Social Welfare System **Credit(s): 3**
- SOW 4522 - Multicultural America in a Global Society **Credit(s): 3**
- SSE 4380 - Global and Multicultural Perspectives in Education **Credit(s): 3**
- SYA 4910 - Individual Research **Credit(s): 1-3**
- SYA 4930 - Topics in Sociology **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

### OPTIONAL HONOR PROGRAM

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

### RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

### ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH SOCIOLOGY CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program. Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

## SOCIOLOGY CONCENTRATION

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

- SYG 2000 - Introduction to Sociology **Credit(s): 3**
- SYA 3110 - Classical Theory **Credit(s): 3**
- Choose 2 courses (6 credit hours) of 3000-/4000-level coursework with SYA, SYD, SYG, SYO, SYP prefixes**

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

### OPTIONAL HONOR PROGRAM

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All ISS majors participate in a Senior Research Project as part of the requirements for ISS 4935 - Seminar in the Social Sciences. Other research opportunities may be provided in courses related to the student's area of concentration or courses selected in the Diversity and Global Context category. ISS advisors can assist students in selecting courses that provide these research opportunities.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## INTERDISCIPLINARY SOCIAL SCIENCES B.A., WITH WOMEN'S AND GENDER STUDIES CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Social Sciences program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a holistic educational experience. The program offers an opportunity to design a rigorous course of study geared toward individual needs and interests that emphasizes critical analysis of social issues through a variety of paradigms and perspectives.

Students complete an Interdisciplinary Social Sciences program of study that includes completing two concentrations (24 total credit hours) from the following list: Africana Studies, Aging Sciences, American Studies, Anthropology, Communication, Communication Sciences and Disorders, Criminology, Deaf Studies, Economics, Environmental Science and Policy, Geography, Global and Government Affairs, History, Humanities, Information Studies, Integrated Community Research, International Studies, Latin American, Caribbean, and Latino Studies, Mass Communications, Multidisciplinary Behavioral Sciences, Political Science, Psychology, Public Administration, Public Health, Religious Studies, Social Relations and Policy, Sociology and Women's and Gender Studies.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY SOCIAL SCIENCES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Select two courses (6 credit hours total) from the following courses within the social sciences:

- ANT XXXX - 3 credit hours
- CPO XXXX - 3 credit hours
- ECO XXXX - 3 credit hours
- GEO XXXX - 3 credit hours
- INR XXXX - 3 credit hours
- ISS XXXX - 3 credit hours
- POS XXXX - 3 credit hours
- SYA XXXX - 3 credit hours
- SYD XXXX - 3 credit hours
- SYG XXXX - 3 credit hours
- SYO XXXX - 3 credit hours
- SYP XXXX - 3 credit hours

## REQUIRED SUPPORTING COURSE: 1 COURSE, 3 CREDIT HOURS

---

The following course is a supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**

## REQUIRED COURSES: (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISS 3010 - Introduction to the Social Sciences **Credit(s): 3**
- ISS 3300 - Research Methods in Social Sciences **Credit(s): 3**
- ISS 4935 - Seminar in the Social Sciences **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## OTHER REQUIREMENTS (6-9 CREDIT HOURS)

---

### DIVERSITY AND GLOBAL CONTEXT COURSES (2-3 COURSES; 6-9 CREDIT HOURS)

---

Courses used to fulfill the Diversity and Global Context requirement may not be used to fulfill the major core and/or concentration requirements.

If one or more of the student's areas of concentration require(s) more than 12 credit hours of coursework, fewer than 9 credit hours of coursework will be required in the Diversity and Global Context requirement.

The remainder of the 42 hours of major coursework (in addition to major core and concentration requirements) will be selected from courses in the following categories:

- Africana Studies (Courses with AFA, AFH and AFS prefixes, except AFA 4900).
- Disability Studies (SYO 4430 - Disability and Society, ASL 3514 - Deaf Culture, ISS 3420 - Interdisciplinary Approaches to Disability Studies or special topics courses focused on disability studies, as approved by an advisor).
- International Studies (Courses with INR, CPO prefixes, except INR 4900).
- Women's and Gender Studies (Courses with WST prefix except WST 4900 and WST 4910).
- Upper-Level Courses (3000-/4000-level courses with ISS prefix).

---

## WOMEN'S AND GENDER STUDIES CONCENTRATION

---

### CONCENTRATION REQUIREMENTS (4 COURSES; 12 CREDIT HOURS)

---

- WST 3015 - Introduction to Women's Studies **Credit(s): 3**
- or**
- WST 3311 - Issues in Feminism **Credit(s): 3**
  - Choose 3 courses (9 credit hours) of 3000 or 4000 level courses with WST prefix

---

## INTERDISCIPLINARY SOCIAL SCIENCES B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- Students declare two concentrations.
- American Sign Language will satisfy the Foreign Language Exit Requirement.

### GPA REQUIREMENTS

---

Students must maintain a minimum grade point average of 2.0 in the major to graduate.

### GRADING REQUIREMENTS

---

- A grade of C- or better is required in all core courses.
- No more than two grades of D are acceptable in the major.
- No transfer courses with grades of D are acceptable for credit in the major.

### OPTIONAL HONOR PROGRAM

---

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program

## SOCIOLOGY B.A.

TOTAL DEGREE HOURS: 120

The Sociology major is designed to provide students with a broad liberal arts education and a greater understanding and insight into the social systems and processes that bear upon everyday lives. Opportunities for students with Bachelor's degrees in Sociology are quite varied. Some go on to work for human service agencies; others work in personnel, criminal justice, and urban planning; others enter graduate programs in sociology, education, law, medicine, or social work. Toward these ends, all students are encouraged to become skilled in the use of computers and libraries.

## UNIVERSITY ADMISSIONS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

## STATE MANDATED COMMON COURSE PREREQUISITES - SOCIOLOGY B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

- ☐ SYA XXXX or SYD XXXX or SYG XXXX or SYO XXXX or SYP XXXX- 6 credit hours total

---

## SUPPORTING REQUIRED COURSE: 1 COURSE; 3 CREDIT HOURS

---

The following course is a prerequisite and supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- ☐ STA 2122 - Social Science Statistics **Credit(s): 3**  
or its equivalent.

---

## REQUIRED COURSES: (36 CREDIT HOURS)

---

The major consists of a minimum of 36 credit hours of Sociology coursework plus STA 2122 - Social Science Statistics or its equivalent.

---

## MAJOR CORE COURSES: 4 COURSES; 12 CREDIT HOURS

---

The minimum of 36 credit hours in Sociology must include the following four core courses (12 credit hours):

- ☐ SYG 2000 - Introduction to Sociology **Credit(s): 3**  
Note: SYG 2000 may be replaced with an upper level sociology elective if a total of 12 or more hours of sociology coursework is completed **before** declaring a Sociology major.
- ☐ SYA 3110 - Classical Theory **Credit(s): 3**
- ☐ SYA 3300 - Research Methods **Credit(s): 3**  
(PR: STA 2122 - Social Science Statistics or its equivalent)
- ☐ SYA 4935 - Seminar in Sociology **Credit(s): 3**

---

## MAJOR ELECTIVE COURSES: 8 COURSES; 24 CREDIT HOURS

---

The remaining 24 hours of Sociology coursework may be comprised of any upper-level courses offered by the Sociology Department. In addition, SYG 2010 - Contemporary Social Problems may count toward these 24 hours of elective courses.

No more than three hours each of SYA 4910 - Individual Research and SYA 4949 - Sociological Internship may count toward the 24 hours of elective courses.

Please note that all Sociology students can take **ISS** listed electives for Sociology credit in the **Major and Minor only**.

Areas of Concentration

Sociology majors may choose to complete an optional area of concentration in either **Inequality and Social Justice** or **Identity and Community**, by completing one required course and three elective courses (all with a grade of C- or better) listed within the concentration area selected.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

In some cases, it may be possible to complete both areas of concentration, however, students may count a particular course as an elective for only one area of concentration.

## SOCIOLOGY B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Major GPA (All USF courses which are applied to major requirements): 2.0  
General Education GPA (All USF courses which are applied to General Education requirements): 2.0  
USF GPA: 2.0  
Overall GPA: 2.0

### GRADING REQUIREMENT

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

**Department Major Academic Residency Requirement** - At least 27 hours of the major coursework must be completed at USF.

**College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.

**USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

## INTERNSHIP OPPORTUNITIES - DEPARTMENT OF SOCIOLOGY AND INTERDISCIPLINARY SOCIAL SCIENCES

The Sociology Internship (SYA 4949 - Sociological Internship) is offered if the student is concurrently enrolled in SYO 4430 - Disability and Society, SYD 4512 - Sustainable Consumption, and a few other specific courses, **and only with permission of the instructor of that course**. If you are interested in an internship connected to a specific course, please contact the Undergraduate Program Director, Dr. Erica Toothman, at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for further guidance and information.

This course (SYA 4949 - Sociological Internship) is taught as an S/U (Satisfactory/Unsatisfactory) grade and only for 1-3 credit hours. Further information about Service Internship opportunities can be found on the Sociology department's webpage at <https://www.usf.edu/arts-sciences/departments/sociology/academic-programs/undergraduate/internship-community-engagement/index.aspx>

## OPTIONAL HONORS PROGRAM - DEPARTMENT OF SOCIOLOGY AND INTERDISCIPLINARY SOCIAL SCIENCES

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct social scientific research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall.

If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences for more information and application materials.

## MINIMUM ELIGIBILITY REQUIREMENTS

- Junior standing.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- 12 semester hours of Sociology course work with a major GPA of 3.0 by the end of the semester in which application is made.
- Overall USF GPA of 3.0 or higher.
- Selection and approval of faculty mentor.

## COMPLETION REQUIREMENTS

- Completion of all requirements for the major.
- Completion of at least one upper-level elective relevant to the thesis (course must be approved by faculty mentor).
- USF overall and major GPA of at least 3.0.
- Successful completion of the Honors Seminar.
- Successful completion of the Honors Thesis (SYA 4910 and the thesis itself).
- Applications for the Undergraduate Honors Program in Sociology or Interdisciplinary Social Sciences are available in the Sociology department (CPR 209). Please make an appointment with the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for Sociology or Dr. Melissa Sloan at [melissasloan@usf.edu](mailto:melissasloan@usf.edu) for Interdisciplinary Social Sciences before completing the application.

## RESEARCH OPPORTUNITIES - DEPARTMENT OF SOCIOLOGY AND INTERDISCIPLINARY SOCIAL SCIENCES

To register for Individual Research (SYA 4910) students must make arrangements with the individual faculty member with whom they wish to take the course well in advance of the semester in which the course will be taken. Departmental approval of the contract agreed upon by the student and faculty is required before the student can register for the course.

The department also offers a course, on a limited basis, Sociological Research Experience (SYA 4304). If the course is scheduled to be offered, please contact the instructor listed for approval to be admitted to the course.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

Tampa campus Website: <https://www.usf.edu/arts-sciences/students/academic-advising/index.aspx>  
For questions, email [ISSadvise@usf.edu](mailto:ISSadvise@usf.edu).

## SOCIOLOGY B.A., WITH IDENTITY AND COMMUNITY CONCENTRATION

TOTAL DEGREE HOURS: 120

The Sociology major is designed to provide students with a broad liberal arts education and a greater understanding and insight into the social systems and processes that bear upon everyday lives. Opportunities for students with Bachelor's degrees in Sociology are quite varied. Some go on to work for human service agencies; others work in personnel, criminal justice, and urban planning; others enter graduate programs in sociology, education, law, medicine, or social work. Toward these ends, all students are encouraged to become skilled in the use of computers and libraries.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- ☐ **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- ☐ **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- ☐ **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### STATE MANDATED COMMON COURSE PREREQUISITES- SOCIOLOGY B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

- ☐ SYA XXXX or SYD XXXX or SYG XXXX or SYO XXXX or SYP XXXX - 6 credit hours total

### SUPPORTING REQUIRED COURSE: 1 COURSE; 3 CREDIT HOURS

The following course is a prerequisite and supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- ☐ STA 2122 - Social Science Statistics **Credit(s): 3**  
or its equivalent.

### REQUIRED COURSES: (36 CREDIT HOURS)

The major consists of a minimum of 36 credit hours of Sociology coursework plus STA 2122 - Social Science Statistics or its equivalent.

### MAJOR CORE COURSES: 4 COURSES; 12 CREDIT HOURS

The minimum of 36 credit hours in Sociology must include the following four core courses (12 credit hours):

- ☐ SYG 2000 - Introduction to Sociology **Credit(s): 3** Note: SYG 2000 may be replaced with an upper level sociology elective if a total of 12 or more hours of sociology coursework is completed before declaring a Sociology major.
- ☐ SYA 3110 - Classical Theory **Credit(s): 3**
- ☐ SYA 3300 - Research Methods **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

(PR: STA 2122 - Social Science Statistics or its equivalent)

- ☐ SYA 4935 - Seminar in Sociology Credit(s): 3

## MAJOR ELECTIVE COURSES: 8 COURSES; 24 CREDIT HOURS

The remaining 24 hours of Sociology coursework may be comprised of any upper-level courses offered by the Sociology Department. In addition, SYG 2010 - Contemporary Social Problems may count toward these 24 hours of electives. No more than three hours each of SYA 4910 - Individual Research and SYA 4949 - Sociological Internship may count toward the 24 hours of electives.

### Areas of Concentration

Sociology majors may choose to complete an optional area of concentration in either **Identity and Community or Inequality and Social Justice**, by completing one required course and three elective courses (all with a grade of C- or better) listed within the concentration area selected.

In some cases, it may be possible to complete both areas of concentration, however, students may count a particular course as an **elective for only one area of concentration**.

## IDENTITY AND COMMUNITY CONCENTRATION

The Department of Sociology and Interdisciplinary Social Sciences offers an optional area of concentration in "Identity and Community" for Sociology majors. Courses included in this area of concentration focus on the changing relationships among individuals and their communities in light of technological advances, globalization, environmental crises, political developments, and social problems. This area of concentration will be listed on your official transcript and can be useful as you market your skills to potential employers after graduation.

## CONCENTRATION CORE (3 HOURS)

- ☐ SYP 4111 - Identity and Community Credit(s): 3

## CONCENTRATION ELECTIVES (21 HOURS)

Select nine (9) credit hours of coursework from the following list.

The remaining 12 hours of Sociology coursework may be comprised of any upper-level courses offered by the Sociology department.

- ☐ SYA 4121 - Queer Theory Credit(s): 3
- ☐ SYD 3700 - Racial and Ethnic Relations Credit(s): 3
- ☐ SYD 4238 - Immigrants to America Credit(s): 3

---

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

---

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The [Office of High Impact Practices and Undergraduate Research](#) will assist students in understanding the various course options.

### STATE MANDATED COMMON COURSE PREREQUISITES- SOCIOLOGY B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

- SYA XXXX or SYD XXXX or SYG XXXX or SYO XXXX or SYP XXXX - 6 credit hours total

### SUPPORTING REQUIRED COURSE: 1 COURSE; 3 CREDIT HOURS

The following course is a prerequisite and supporting course for this major. The degree will not be awarded if this course has not been taken by the end of the student's final semester.

- STA 2122 - Social Science Statistics **Credit(s): 3**  
or its equivalent.

### REQUIRED COURSES: (36 CREDIT HOURS)

The major consists of a minimum of 36 credit hours of Sociology coursework plus STA 2122 - Social Science Statistics or its equivalent.

### MAJOR CORE COURSES: 4 COURSES; 12 CREDIT HOURS

The minimum of 36 credit hours in Sociology must include the following four core courses (12 credit hours):

□ SYG 2000 - Introduction to Sociology **Credit(s): 3** Note: SYG 2000 may be replaced with an upper level sociology elective if a total of 12 or more hours of sociology coursework is completed before declaring a Sociology major.

- SYA 3110 - Classical Theory **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- ☐ SYA 3300 - Research Methods **Credit(s): 3**  
(PR: STA 2122 - Social Science Statistics or its equivalent)
- ☐ SYA 4935 - Seminar in Sociology **Credit(s): 3**

## MAJOR ELECTIVE COURSES: 8 COURSES; 24 CREDIT HOURS

The remaining 24 hours of Sociology coursework may be comprised of any upper-level courses offered by the Sociology Department. In addition, SYG 2010 - Contemporary Social Problems may count toward these 24 hours of electives. No more than three hours each of SYA 4910 - Individual Research and SYA 4949 - Sociological Internship may count toward the 24 hours of electives.

### Areas of Concentration

Sociology majors may choose to complete an optional area of concentration in either **Identity and Community or Inequality and Social Justice**, by completing one required course and three elective courses (all with a grade of C- or better) listed within the concentration area selected.

In some cases, it may be possible to complete both areas of concentration, however, students may count a particular course as an **elective for only one area of concentration**.

## INEQUALITY AND SOCIAL JUSTICE CONCENTRATION

The Department of Sociology and Interdisciplinary Social Sciences offers an optional area of concentration in "Inequality and Social Justice" for sociology majors. Course included in this area of concentration focus on the political, social, and academic intersections among inequalities and the strategies we can implement to address them in a just manner. This area of concentration will be listed on your official transcript and can be useful as you market your skills to potential employers after graduation.

### CONCENTRATION CORE (3 HOURS)

- ☐ SYO 4536 - Inequalities and Social Justice **Credit(s): 3**

### CONCENTRATION ELECTIVES (21 HOURS)

Select nine (9) credit hours of coursework from the following list. The remaining 12 hours of Sociology coursework may be comprised of any upper-level courses offered by the Sociology department.

- ☐ SYA 4121 - Queer Theory **Credit(s): 3**
- ☐ SYD 3700 - Racial and Ethnic Relations **Credit(s): 3**
- ☐ SYD 4238 - Immigrants to America **Credit(s): 3**
- ☐ SYD 4512 - Sustainable Consumption **Credit(s): 3**
- ☐ SYD 4800 - Gender and Society **Credit(s): 3**
- ☐ SYG 3011 - Social Problems Through Film **Credit(s): 3**
- ☐ SYG 3235 - Latina/Latino Lives **Credit(s): 3**
- ☐ SYO 3120 - Sociology of Families **Credit(s): 3**
- ☐ SYO 3530 - Social Inequalities in a Global Society **Credit(s): 3**
- ☐ SYO 4204 - Religion and Immigration **Credit(s): 3**
- ☐ SYO 4250 - Sociology of Education **Credit(s): 3**
- ☐ SYO 4400 - Medical Sociology **Credit(s): 3**
- ☐ SYO 4430 - Disability and Society **Credit(s): 3**
- ☐ SYO 4572 - Hidden Structures of Social Life **Credit(s): 3**
- ☐ SYP 3060 - Sociology of Sexualities **Credit(s): 3**

## SOCIOLOGY B.A.- ADDITIONAL INFORMATION

### GPA REQUIREMENTS

- Major GPA** (All USF courses which are applied to major requirements): 2.0
- General Education GPA** (All USF courses which are applied to General Education requirements): 2.0
- USF GPA:** 2.0
- Overall GPA:** 2.0

### GRADING REQUIREMENTS

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

### RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

- Department Major Academic Residency Requirement** - At least 27 hours of the major coursework must be completed at USF.
- College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.
- USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

### OPTIONAL HONORS PROGRAM - DEPARTMENT OF SOCIOLOGY AND INTERDISCIPLINARY SOCIAL SCIENCES

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

Through the Undergraduate Honors Program, the Department of Sociology and Interdisciplinary Social Sciences provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct sociological research in their area of interest culminating in the preparation of an honors thesis. Students typically apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. If you are interested in the Undergraduate Honors Program, please contact the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) for more information and application materials.

## MINIMUM ELIGIBILITY REQUIREMENTS

- Junior standing.
- 12 semester hours of Sociology course work with a major GPA of 3.0 by the end of the semester in which application is made.
- Overall USF GPA of 3.0 or higher.
- Selection and approval of faculty mentor.

## COMPLETION REQUIREMENTS

- Completion of all requirements for the major.
- Completion of at least one upper-level elective relevant to the thesis (course must be approved by faculty mentor).
- USF overall and major GPA of at least 3.0.
- Successful completion of the Honors Seminar.
- Successful completion of the Honors Thesis (SYA 4910 and the thesis itself).
- Applications for the Undergraduate Honors Program in Sociology are available in the Sociology department (CPR 209). Please make an appointment with the Undergraduate Program Director, Dr. Erica Toothman at [eltoothman@usf.edu](mailto:eltoothman@usf.edu) before completing the application.

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The [Office of High Impact Practices and Undergraduate Research](#) will assist students in understanding the various course options.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## SOCIOLOGY MINOR

Sociology is the study of human social relationships and institutions. Sociology's subject matter is diverse, ranging from crime to religion, from the family to the state, from the divisions of race and social class to the shared beliefs of a common culture, and from social stability to radical change in whole societies.

### TOTAL MINOR CREDIT HOURS: 18

### MINOR CORE CREDIT HOURS: 6

- ☐ SYG 2000 - Introduction to Sociology **Credit(s): 3**
- ☐ SYA 3110 - Classical Theory **Credit(s): 3**

### MINOR ELECTIVE CREDIT HOURS: 12

Please note that all Sociology students can take ISS listed electives for Sociology credit in the Major and Minor only. Any 12 additional credit hours from prefixes SYA, SYD, SYG, SYO, SYP. Can include but not limited to:

- ☐ SYA 4121 - Queer Theory **Credit(s): 3**
- ☐ SYA 4910 - Individual Research **Credit(s): 1-3**
- ☐ SYA 4930 - Topics in Sociology **Credit(s): 3**

## **DEPARTMENT OF WOMEN'S AND GENDER STUDIES**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## WOMEN'S AND GENDER STUDIES B.A.

TOTAL DEGREE HOURS: 120

The Women's and Gender Studies major focuses on feminist research and practice. WGS promotes social justice through the discovery and production of knowledge that emerges from feminist perspectives on culture and society. Students learn the analytic skills to engage the intersections of gender, race, ethnicity, class, sexuality, ability, and nationality in order to become responsible citizens in a diverse transnational environment. We expose limits in traditional higher education caused by excluding women and other marginalized groups and create knowledge that is transformative and inclusive. We connect academic work to the social, political, and economic world outside the university; in linking knowledge, research, and activism, students learn to think critically about social inequalities.

## UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- ❑ **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- ❑ **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- ❑ **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

## GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- ❑ Students must complete all State and University level graduation requirements.
- ❑ Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- ❑ Physical Education coursework is limited to two (2) semester hours.
- ❑ ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- ❑ When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- ❑ Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- ❑ The Audit option is available only during the first 5 days of classes.
- ❑ "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.
- ❑ Complete all major course requirements.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

□ College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON COURSE PREREQUISITES - WOMEN'S AND GENDER STUDIES B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

**There are no State Mandated Common Prerequisites for this program.**

## REQUIRED COURSES: (36 CREDIT HOURS)

### MAJOR CORE COURSES: 5 COURSES; 15 CREDIT HOURS

Students must choose a total of 36 credit hours from Women's and Gender Studies courses. Transfer students may not apply more than 12 hours taken elsewhere toward the major at the University of South Florida.

Students taking Women's and Gender Studies as a second major need to complete 30 credit hours. To do so, they must make a written request to the Undergraduate Director at the time they declare Women's and Gender Studies as a second major.

Courses taken in the first major may not count toward the 30 hours in Women's and Gender Studies as a second major.

- WST 3015 - Introduction to Women's Studies **Credit(s): 3**
- WST 3311 - Issues in Feminism **Credit(s): 3**
- WST 4002 - Feminist Research Methods **Credit(s): 3**
- WST 4522 - Classics in Feminist Theory **Credit(s): 3**

**OR**

- WST 4561 - Contemporary Feminist Theory **Credit(s): 3**
- WST 4935 - Capstone/Senior Project **Credit(s): 3**

### MAJOR ELECTIVE COURSES: 7 COURSES; 21 CREDIT HOURS

The remaining 21 hours of Women's and Gender Studies coursework may be comprised of any courses offered by the Women's and Gender Studies Department, including approved cross-listed courses. No more than twelve (12) hours of WST 4930 - Selected Topics may count toward the 36 hour minimum.

## WOMEN'S AND GENDER STUDIES B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Major GPA (All USF courses which are applied to major requirements): 2.0

General Education GPA (All USF courses which are applied to General Education requirements): 2.0

USF GPA: 2.0

Overall GPA 2.0

### GRADING REQUIREMENTS

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

# COLLEGE OF ARTS & SCIENCES

## RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

**Department and College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.

**USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

## INTERNSHIP OPPORTUNITIES - WOMEN'S AND GENDER STUDIES

Women's and Gender Studies offers a number of internship opportunities to both majors and minors. Students work on-site and directly with a local organization and can earn from 1-3 credits. Majors may repeat the internship for a maximum of 6 credit hours; minors may repeat once for a maximum of 3 credit hours. Students interested in the internship should contact the Internship Director, Dr. Wendland.

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The [Office of High Impact Practices and Undergraduate Research](#) will assist students in understanding the various course options.

## QUEER AND SEXUALITY STUDIES MINOR

TOTAL MINOR HOURS: 18

The minor in Queer and Sexuality Studies is available to students pursuing any other major at USF. It requires a minimum of 18 hours of interdisciplinary coursework.

### MINOR REQUIREMENTS: 18 HOURS

#### MINOR CORE (6 CREDIT HOURS)

Choose 6 hours from:

- WST 3602 - Introduction to LGBTQ Cultures **Credit(s): 3**
  - WST 3380 - Sexualities Studies **Credit(s): 3**
  - WST 4645 - Queer Theory **Credit(s): 3**
- or
- SYA 4121 - Queer Theory **Credit(s): 3**

#### MINOR ELECTIVES (12 CREDIT HOURS)

Must include a minimum of six (6) hours at the 4000-level or higher.

Twelve (12) credit hours selected from:

- Any course in the Minor Core not counted toward the Core
  - WST 2600 - Human Sexual Behavior **Credit(s): 3**
  - WST 3334 - Queer Film & Television **Credit(s): 3**
  - WST 4930 - Selected Topics **Credit(s): 1-3**
  - HIS 3930 - Special Topics **Credit(s): 3** Sex Work and Trafficking, Gay and Lesbian U.S. History, History of AIDS, History of Gender and Sexuality, Sexuality in Latin America
  - SYA 4930 - Topics in Sociology **Credit(s): 3**
  - SYA 4121 - Queer Theory **Credit(s): 3**
- or
- WST 4930 **Credit(s): 1-3** LGBT Youth in Education
  - AFA 4931 - Selected Topics in Africana Studies **Credit(s): 1-3**

### GPA REQUIREMENTS

Minor GPA (all USF courses which are applied to minor requirements): 2.0

### GRADING REQUIREMENT

- A grade of "C-" is required for a departmental course to count toward a Women's and Gender Studies minor.
- Courses may not be taken S/U, where a grade option exists.

### RESIDENCY REQUIREMENTS

CAS Minor Academic Residency Requirement: 50% of minor must be completed at USF.

### OTHER INFORMATION

Students may petition the undergraduate advisor to focus their minor on a specific area within Women's and Gender Studies, such as sexualities, women's health or social justice.

### ADVISING INFORMATION

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## WORLD LANGUAGES AND CULTURES B.A., WITH APPLIED LINGUISTICS CONCENTRATION

TOTAL DEGREE HOURS: 120

The Bachelor of Arts in World Languages and Cultures offers students a solid foundation in language and linguistic skills, as well as knowledge of diverse cultures. Upon completion of the program, students will be able to interact and participate in a global environment.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.
- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

## REQUIRED COURSES: (30 CREDIT HOURS)

---

### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

LIN 3003 - Language Matters **Credit(s): 3**

FOT 4131 - Understanding World Cultures **Credit(s): 3**

---

### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

- Chinese Language and Culture and East Asian Languages and Cultures
- Classics and Interdisciplinary Classical Civilizations

---

### APPLIED LINGUISTICS CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The Applied Linguistics concentration will help students comprehend a broad range of language-related issues to better understand how language functions both in the lives of individuals and in society. The coursework in this concentration will prepare students for a wide range of career options, including pedagogical preparation for language teaching domestically or internationally, cross-cultural competency for careers in industry, and foundational knowledge in applied linguistics to be successful in graduate work in the field.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## PREREQUISITE (SUPPORTING) COURSES

---

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives:

- Completion of 11-12 credit hours of any foreign language through the intermediate level or demonstrated proficiency by testing.

---

## CONCENTRATION CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3010 - Introduction to Linguistics **Credit(s): 3**
- LIN 4721 - Second Language Acquisition **Credit(s): 3**

---

## CONCENTRATION RESTRICTED ELECTIVE COURSES: 6 COURSES; 18 CREDIT HOURS

---

Select six (6) courses from the following list.

Note: Of these six elective courses, one literature or culture course can be substituted (e.g. Russian Literature in Translation, Introduction to Chinese Culture).

- FLE 4390 - Teaching Foreign/Second Languages **Credit(s): 3**
- LIN 2002 - Language, Culture & Film **Credit(s): 3**
- LIN 4350 - Sound Systems in American English **Credit(s): 3**
- LIN 4600 - Sociolinguistics: Language and Society **Credit(s): 3**
- LIN 4609 - Language and Technology **Credit(s): 3**
- LIN 4701 - Psycholinguistics **Credit(s): 3**
- LIN 4903 - Directed Reading **Credit(s): 1-3**
- LIN 4930 - Selected Topics **Credit(s): 1-3**
- TSL 4362 - Methodology of Teaching English Overseas **Credit(s): 3**

---

## DUAL CONCENTRATION IN APPLIED LINGUISTICS

---

If taking Applied Linguistics as a dual concentration, these are the requirements.

---

### 1. PREREQUISITE (SUPPORTING) COURSES

---

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives:

- Completion of 11-12 credit hours of any foreign language through the intermediate level or demonstrated proficiency by testing.

---

### 2. CONCENTRATION CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3010 - Introduction to Linguistics **Credit(s): 3**
- LIN 4721 - Second Language Acquisition **Credit(s): 3**

---

### 3. CONCENTRATION ELECTIVE COURSES: 2 COURSES; 6 CREDIT HOURS

---

Select two (2) courses from the following list.

- FLE 4390 - Teaching Foreign/Second Languages **Credit(s): 3**
- LIN 2002 - Language, Culture & Film **Credit(s): 3**
- LIN 4350 - Sound Systems in American English **Credit(s): 3**
- LIN 4600 - Sociolinguistics: Language and Society **Credit(s): 3**
- LIN 4609 - Language and Technology **Credit(s): 3**
- LIN 4701 - Psycholinguistics **Credit(s): 3**
- LIN 4903 - Directed Reading **Credit(s): 1-3**
- LIN 4930 - Selected Topics **Credit(s): 1-3**
- TSL 4362 - Methodology of Teaching English Overseas **Credit(s): 3**

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## 4. TWELVE (12) HOURS IN ANOTHER DUAL CONCENTRATION.

- World Languages and Cultures B.A., with Chinese Language and Culture Concentration
- World Languages and Cultures B.A., with Classics Concentration
- World Languages and Cultures B.A., with East Asian Languages and Cultures Concentration
- World Languages and Cultures B.A., with French and Francophone Studies Concentration
- World Languages and Cultures B.A., with German Concentration
- World Languages and Cultures B.A., with Interdisciplinary Classical Civilizations Concentration
- World Languages and Cultures B.A., with Italian Concentration
- World Languages and Cultures B.A., with Russian Concentration
- World Languages and Cultures B.A., with Spanish and Latin American Studies Concentration

## WORLD LANGUAGES AND CULTURES B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Major GPA (All USF courses which are applied to major requirements): 2.0

General Education GPA (All USF courses which are applied to General Education requirements): 2.0

USF GPA: 2.0

Overall GPA 2.0

### GRADING REQUIREMENTS

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

**Department and College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.

**USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research will assist students in understanding the various course options.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

**Tampa campus website:** <https://www.usf.edu/arts-sciences/students/academic-advising/index.aspx>

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

### REQUIRED COURSES: (30 CREDIT HOURS)

---

#### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3003 - Language Matters **Credit(s): 3**
- FOT 4131 - Understanding World Cultures **Credit(s): 3**

---

#### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

- Chinese Language and Culture and East Asian Languages and Cultures
- Classics and Interdisciplinary Classical Civilizations

---

#### CHINESE LANGUAGE AND CULTURE CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The Chinese Language and Culture concentration is designed for students who wish to achieve advanced level proficiency in modern Mandarin Chinese language at the same time they develop the sociocultural skills necessary for interaction with Chinese counterparts in professional contexts. Chinese is spoken by more than one billion people across the globe and has been designated a national Critical Language in the US government. High-level Chinese language skills equip students to be highly competitive for China-related jobs in government, international business, international law, education and the non-profit sector.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## **PREREQUISITE (SUPPORTING) COURSES: 4 COURSES; 16 CREDIT HOURS**

---

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration, but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

- CHI 1120 - Modern Chinese I **Credit(s): 4**
- CHI 1121 - Modern Chinese II **Credit(s): 4**
- CHI 2220 - Modern Chinese III **Credit(s): 4**
- CHI 2221 - Modern Chinese IV **Credit(s): 4**

---

## **CONCENTRATION CORE COURSES: 3 COURSES; 9 CREDIT HOURS**

---

- CHI 3241 - Advanced Chinese Conversation I **Credit(s): 3**
- CHI 3242 - Advanced Chinese Conversation II **Credit(s): 3**
- CHI 4443 - Networking in China and America **Credit(s): 3**

---

## **CONCENTRATION CULTURE, LITERATURE, AND FILM ELECTIVE COURSES: 4 COURSES; 12 CREDIT HOURS**

---

Select four (4) courses from the following list.

- CHI 4930 - Special Topics **Credit(s): 1-3**
- CHT 3110 - Traditional Chinese Literature in Translation **Credit(s): 3**
- CHT 3124 - Modern Chinese Literature in Translation **Credit(s): 3**
- CHT 3500 - Introduction to Chinese Culture **Credit(s): 3**
- CHT 3512 - Contemporary Chinese Language and Society **Credit(s): 3**
- CHT 3520 - Chinese Film **Credit(s): 3**

---

## **CONCENTRATION ADVANCED LANGUAGE ELECTIVE COURSE: 1 COURSE; 3 CREDIT HOURS**

---

Select one course in advanced language courses (3000-4000 level), study abroad coursework in a USF program in China, or coursework in culture, literature, and film. These three credit hours of electives should be planned with a World Languages advisor.

---

## **DUAL CONCENTRATION IN CHINESE LANGUAGE AND CULTURE**

---

If taking Chinese Language and Culture as a dual concentration these are the requirements.

### **1. PREREQUISITE (SUPPORTING) COURSES:**

---

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

- CHI 1120 - Modern Chinese I **Credit(s): 4**
- CHI 1121 - Modern Chinese II **Credit(s): 4**
- CHI 2220 - Modern Chinese III **Credit(s): 4**

---

### **2. CONCENTRATION CORE COURSES: 2 COURSES; 7 CREDIT HOURS**

---

- CHI 2221 - Modern Chinese IV **Credit(s): 4**

## WORLD LANGUAGES AND CULTURES B.A., WITH CLASSICS CONCENTRATION

TOTAL DEGREE HOURS: 120

The Bachelor of Arts in World Languages and Cultures offers students a solid foundation in language and linguistic skills, as well as knowledge of diverse cultures. Upon completion of the program, students will be able to interact and participate in a global environment.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- ☐ **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- ☐ **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- ☐ **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- ☐ Students must complete all State and University level graduation requirements.
- ☐ Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- ☐ Physical Education coursework is limited to two (2) semester hours.
- ☐ ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- ☐ When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- ☐ Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- ☐ The Audit option is available only during the first 5 days of classes.
- ☐ "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.
- ☐ Complete all major course requirements.
- ☐ College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

### REQUIRED COURSES: (30 CREDIT HOURS)

---

#### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3003 - Language Matters **Credit(s): 3**
- FOT 4131 - Understanding World Cultures **Credit(s): 3**

---

#### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

- Chinese Language and Culture and East Asian Languages and Cultures
- Classics and Interdisciplinary Classical Civilizations

---

#### CLASSICS CONCENTRATION: 7 COURSES; 24 CREDIT HOURS

---

The Classics concentration is an interdisciplinary humanities field. We provide instruction in the Greek and Latin languages and in the Greek and Roman civilization, literature, mythology and religion. Faculty offer courses in diverse aspects of the Greek and Roman world and mentor students in the acquisition of specific applied skills through their studies. The Classics section combines the intimacy of a small liberal arts college with the wide-ranging educational and professional possibilities of a large state university. This concentration is of special interest to students who wish to teach Latin and Greek at the pre-college level, and to those who plan graduate study in a humanistic discipline including law and medicine.

## PREREQUISITE (SUPPORTING) COURSES

---

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

Select one of two required language tracks in either Latin or Greek.

### Latin Language Track

- LAT 1120 - Beginning Latin I **Credit(s): 4**
- LAT 1121 - Beginning Latin II **Credit(s): 4**
- LAT 2220 - Intermediate Latin **Credit(s): 4**

### OR Greek Language Track

- GRE 1120 - Beginning Classical Greek I **Credit(s): 4**
- GRE 1121 - Beginning Classical Greek II **Credit(s): 4**
- GRE 2220 - Intermediate Classical Greek **Credit(s): 4**

---

## CONCENTRATION CORE COURSE: 1 COURSE; 3 CREDIT HOURS

---

- CLT 3370 - Gods Heroes and Monsters in the Ancient World **Credit(s): 3**

---

## LANGUAGE TRACK COURSE: 1 COURSE; 3-4 CREDIT HOURS

---

- LAT 2221 - Intermediate Latin II **Credit(s): 4**

---

## CONCENTRATION ELECTIVE COURSES: 6 COURSES; 17-18 CREDIT HOURS

---

Select any six (6) courses with a CLA or CLT prefix, which have not been used for another requirement within the major and/or concentration.

---

## DUAL CONCENTRATION IN CLASSICS

---

If taking Classics as a dual concentration, these are the requirements.

---

### 1. PREREQUISITE (SUPPORTING) COURSES

---

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

Select **one** of two required language tracks in either Latin or Greek.

### Latin Language Track

- LAT 1120 - Beginning Latin I **Credit(s): 4**
- LAT 1121 - Beginning Latin II **Credit(s): 4**
- LAT 2220 - Intermediate Latin **Credit(s): 4**

### OR Greek Language Track

- GRE 1120 - Beginning Classical Greek I **Credit(s): 4**
- GRE 1121 - Beginning Classical Greek II **Credit(s): 4**
- GRE 2220 - Intermediate Classical Greek **Credit(s): 4**

## WORLD LANGUAGES AND CULTURES B.A., WITH EAST ASIAN LANGUAGES AND CULTURES CONCENTRATION

TOTAL DEGREE HOURS: 120

The Bachelor of Arts in World Languages and Cultures offers students a solid foundation in language and linguistic skills, as well as knowledge of diverse cultures. Upon completion of the program, students will be able to interact and participate in a global environment.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.
- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

### REQUIRED COURSES: (30 CREDIT HOURS)

---

#### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3003 - Language Matters **Credit(s): 3**
- FOT 4131 - Understanding World Cultures **Credit(s): 3**

---

#### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

- Chinese Language and Culture and East Asian Languages and Cultures
- Classics and Interdisciplinary Classical Civilizations

---

#### EAST ASIAN LANGUAGES AND CULTURES CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The East Asian Languages and Cultures concentration is designed to provide students with opportunities to develop broad understandings of East Asia as a region through interdisciplinary explorations into the languages, literatures, cultures, film, humanities, history, geography, arts, and political institutions of China, Japan, and Korea. USF has strong programs in Chinese and Japanese, two critical languages that serve as the core of the East Asian Languages and Cultures concentration. The concentration prepares students be highly attractive in the global marketplace and to be immediate contributors to globally-oriented organizations, companies, and institutions with strong language skills as well as broad sociocultural knowledge that situates the use of those languages in two or more countries in the

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

region. High-level critical language skills equip students to be highly competitive for Japan- and China-related jobs in government, international business, international law, law enforcement, defense, intelligence, and the non-profit sector.

## PREREQUISITE (SUPPORTING) COURSES: 2 COURSES; 8 CREDIT HOURS

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. A student chooses either Chinese or Japanese coursework from the following list. Students may also demonstrate proficiency by testing.

### Chinese Coursework

- CHI 1120 - Modern Chinese I **Credit(s): 4**
- CHI 1121 - Modern Chinese II **Credit(s): 4**
- CHI 2220 - Modern Chinese III **Credit(s): 4**

### OR Japanese Coursework

- JPN 1120 - Modern Japanese I **Credit(s): 4**
- JPN 1121 - Modern Japanese II **Credit(s): 4**
- JPN 2220 - Modern Japanese III **Credit(s): 4**

## CONCENTRATION CORE COURSES: 2 COURSES; 7 CREDIT HOURS

### Japanese Focused Required Language Courses

- JPN 2221 - Modern Japanese IV **Credit(s): 4**
- JPN 3400 - Japanese V **Credit(s): 3**

### OR Chinese Focused Required Language Courses

- CHI 2221 - Modern Chinese IV **Credit(s): 4**
- CHI 3241 - Advanced Chinese Conversation I **Credit(s): 3**

## CONCENTRATION REGIONAL FOCUS REQUIREMENT COURSE: 1 COURSE; 3 CREDIT HOURS

Select one course from the following list.

- ASN 3201 - East Asian Cinema **Credit(s): 3**
- ASN 4414 - Introduction to East Asian Cultures **Credit(s): 3**

## CONCENTRATION LITERATURE, CULTURE, AND FILM REQUIREMENT COURSES: 4 COURSES; 11 CREDIT HOURS

Select four (4) courses from the following list.

- ARH 4530 - Asian Art **Credit(s): 3**
- ASN 3012 - Japan Today **Credit(s): 3**
- CHI 4905 - Directed Study **Credit(s): 1-5**
- CHI 4930 - Special Topics **Credit(s): 1-3**
- CHT 3110 - Traditional Chinese Literature in Translation **Credit(s): 3**
- CHT 3124 - Modern Chinese Literature in Translation **Credit(s): 3**
- CHT 3500 - Introduction to Chinese Culture **Credit(s): 3**
- CHT 3512 - Contemporary Chinese Language and Society **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- CHT 3520 - Chinese Film **Credit(s): 3**
- JPN 4020 - Japanese Calligraphy **Credit(s): 1**
- JPN 4930 - Selected Topics **Credit(s): 1-3**

## CONCENTRATION ELECTIVE COURSE: 1 COURSE; 3 CREDIT HOURS

Select one (1) course in Chinese or Japanese language courses, study abroad coursework in a USF program in China or Japan, or coursework in culture, literature, and film with a significant focus on China, Japan, or East Asia as a region. These electives should be planned with a World Languages advisor.

## DUAL CONCENTRATION IN EAST ASIAN LANGUAGES AND CULTURES

If taking East Asian Languages and Cultures as a dual concentration, these are the requirements.

### 1. PREREQUISITE (SUPPORTING) COURSES

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. A student chooses either Chinese or Japanese coursework from the following list. Students may also demonstrate proficiency by testing.

#### Chinese Coursework

- CHI 1120 - Modern Chinese I **Credit(s): 4**
- CHI 1121 - Modern Chinese II **Credit(s): 4**
- CHI 2220 - Modern Chinese III **Credit(s): 4**

#### OR Japanese Coursework

- JPN 1120 - Modern Japanese I **Credit(s): 4**
- JPN 1121 - Modern Japanese II **Credit(s): 4**
- JPN 2220 - Modern Japanese III **Credit(s): 4**

### 2. CONCENTRATION CORE COURSES: 2 COURSES; 7 CREDIT HOURS

#### Japanese Core Courses

- JPN 2221 - Modern Japanese IV **Credit(s): 4**
- JPN 3400 - Japanese V **Credit(s): 3**

#### OR Chinese Core Courses

- CHI 2221 - Modern Chinese IV **Credit(s): 4**
- CHI 3241 - Advanced Chinese Conversation I **Credit(s): 3**

### 3. CONCENTRATION ELECTIVE COURSES: 2 COURSES; 5 CREDIT HOURS

#### Regional Focus

Select one course from the following list.

- ASN 3201 - East Asian Cinema **Credit(s): 3**
- ASN 4414 - Introduction to East Asian Cultures **Credit(s): 3**

#### Literature, Culture, Film

Select one course from the following list.

## 4. TWELVE (12) HOURS IN ANOTHER DUAL CONCENTRATION.

- World Languages and Cultures B.A., with Applied Linguistics Concentration
- World Languages and Cultures B.A., with Classics Concentration
- World Languages and Cultures B.A., with French and Francophone Studies Concentration
- World Languages and Cultures B.A., with German Concentration
- World Languages and Cultures B.A., with Interdisciplinary Classical Civilizations Concentration
- World Languages and Cultures B.A., with Italian Concentration
- World Languages and Cultures B.A., with Russian Concentration
- World Languages and Cultures B.A., with Spanish and Latin American Studies Concentration

## WORLD LANGUAGES AND CULTURES B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Major GPA (All USF courses which are applied to major requirements): 2.0

General Education GPA (All USF courses which are applied to General Education requirements): 2.0

USF GPA: 2.0

Overall GPA 2.0

### GRADING REQUIREMENTS

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

**Department and College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.

**USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

The Office of High Impact Practices and Undergraduate Research will assist students in understanding the various course options.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

**Tampa campus website:** <https://www.usf.edu/arts-sciences/students/academic-advising/index.aspx>

---

## REQUIRED COURSES: (30 CREDIT HOURS)

---

### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3003 - Language Matters **Credit(s): 3**
- FOT 4131 - Understanding World Cultures **Credit(s): 3**

---

## REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

- Chinese Language and Culture and East Asian Languages and Cultures
- Classics and Interdisciplinary Classical Civilizations

---

## FRENCH AND FRANCOPHONE STUDIES CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The French and Francophone Studies concentration offers solid academic and practical training in the language, literature, and culture of France and the French-speaking world in an engaged, full immersion environment. Students have the opportunity to attain an advanced level of French with regard to comprehension, reading, writing, and speaking. Successful students become conversant in many of the major issues, past and present, relating to French and Francophone cultures, literatures, and civilizations. French graduates are attractive to employers in numerous fields, in addition to graduate and professional schools. USF alumni in French may be found in such professions as education, business, foreign service, politics, law, and health.

- FRE 4471 - Advanced Overseas Study **Credit(s): 1-6**
- FRE 4700 - French Linguistics **Credit(s): 3**
- FRE 4930 - Selected Topics **Credit(s): 1-3**
- FRT 3001 - Great French Love Stories in Translation **Credit(s): 3**
- FRW 4100 - The French Novel **Credit(s): 3**
- FRW 4101 - Introduction to French Drama and Poetry **Credit(s): 3**
- Other USF FRE-, FRT-, FRW-prefixed courses may be applied to the concentration, with prior approval from the World Languages faculty and advisor.

## DUAL CONCENTRATION IN FRENCH AND FRANCOPHONE STUDIES

If taking French and Francophone Studies as a dual concentration, these are the requirements.

Note: When declaring a dual concentration, no FRT-prefixed courses may be used to fulfill the French and Francophone Studies concentration.

### 1. Prerequisite (Supporting) Courses

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

- FRE 1120 - Beginning French I **Credit(s): 4**
- FRE 1121 - Beginning French II **Credit(s): 4**
- FRE 2200 - French III **Credit(s): 3**

2. Choose 4 courses (12 credit hours) from the following list of courses.

- FRE 2201 - French IV **Credit(s): 3**
- FRE 2240 - Intermediate Spoken French in Cultural Context **Credit(s): 3**
- FRE 2241 - Spoken French in Cultural Context **Credit(s): 3**
- FRE 3234 - Reading in French Literature and Culture **Credit(s): 3**
- FRE 3391 - French Cinema **Credit(s): 3**
- FRE 3420 - Written French in Cultural Context **Credit(s): 3**
- FRE 3440 - French For Business **Credit(s): 3**
- FRE 3470 - Overseas Study **Credit(s): 1-6**
- FRE 3500 - French Civilization **Credit(s): 3**
- FRE 3502 - The Francophone World: A Global Culture **Credit(s): 3**
- FRE 4421 - Advanced Written French in Cultural Context **Credit(s): 3**
- FRE 4471 - Advanced Overseas Study **Credit(s): 1-6**
- FRE 4700 - French Linguistics **Credit(s): 3**
- FRE 4930 - Selected Topics **Credit(s): 1-3**
- FRW 4100 - The French Novel **Credit(s): 3**
- FRW 4101 - Introduction to French Drama and Poetry **Credit(s): 3**
- Other USF FRE-, FRW-prefixed courses may be applied to the concentration, with prior approval from the World Languages faculty and advisor.

3. Twelve (12) hours in another dual concentration.

- World Languages and Cultures B.A., with Applied Linguistics Concentration
- World Languages and Cultures B.A., with Classics Concentration
- World Languages and Cultures B.A., with Chinese Language and Culture Concentration
- World Languages and Cultures B.A., with East Asian Languages and Cultures Concentration
- World Languages and Cultures B.A., with German Concentration
- World Languages and Cultures B.A., with Interdisciplinary Classical Civilizations Concentration
- World Languages and Cultures B.A., with Italian Concentration
- World Languages and Cultures B.A., with Russian Concentration
- World Languages and Cultures B.A., with Spanish and Latin American Studies Concentration

## WORLD LANGUAGES AND CULTURES B.A., WITH GERMAN CONCENTRATION

TOTAL DEGREE HOURS: 120

The Bachelor of Arts in World Languages and Cultures offers students a solid foundation in language and linguistic skills, as well as knowledge of diverse cultures. Upon completion of the program, students will be able to interact and participate in a global environment.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- ☐ **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- ☐ **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- ☐ **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- ☐ Students must complete all State and University level graduation requirements.
- ☐ Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- ☐ Physical Education coursework is limited to two (2) semester hours.
- ☐ ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- ☐ When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- ☐ Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- ☐ The Audit option is available only during the first 5 days of classes.
- ☐ "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.
- ☐ Complete all major course requirements.
- ☐ College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

## REQUIRED COURSES: (30 CREDIT HOURS)

---

### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

LIN 3003 - Language Matters **Credit(s): 3**

FOT 4131 - Understanding World Cultures **Credit(s): 3**

---

### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

Chinese Language and Culture and East Asian Languages and Cultures

Classics and Interdisciplinary Classical Civilizations

---

### GERMAN CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The concentration in German prepares students to understand and critically evaluate the language and cultures of German-speaking countries. The program prepares students in communicative proficiency and cultural literacy so that they are able to competently engage in global and transcultural interactions in the 21st century. Students will be prepared for positions in education, international business, foreign affairs, the arts, politics, and international law.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## WORLD LANGUAGES AND CULTURES B.A., WITH INTERDISCIPLINARY CLASSICAL CIVILIZATIONS CONCENTRATION

TOTAL DEGREE HOURS: 120

The Bachelor of Arts in World Languages and Cultures offers students a solid foundation in language and linguistic skills, as well as knowledge of diverse cultures. Upon completion of the program, students will be able to interact and participate in a global environment.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- Students must complete all State and University level graduation requirements.
- Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- Physical Education coursework is limited to two (2) semester hours.
- ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- The Audit option is available only during the first 5 days of classes.
- "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.
- Complete all major course requirements.
- College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

### REQUIRED COURSES: (30 CREDIT HOURS)

---

#### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3003 - Language Matters Credit(s): 3
- FOT 4131 - Understanding World Cultures Credit(s): 3

---

#### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

- Chinese Language and Culture and East Asian Languages and Cultures
- Classics and Interdisciplinary Classical Civilizations

---

#### INTERDISCIPLINARY CLASSICAL CIVILIZATIONS CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The concentration in Interdisciplinary Classical Civilizations is of special interest to students who wish to study broadly the literature, history art, and archaeology, philosophy, and religion of Greece, Rome and the Near East, equally emphasizing language and translation courses.

## 5. TWELVE (12) HOURS IN ANOTHER DUAL CONCENTRATION.

- World Languages and Cultures B.A., with Applied Linguistics Concentration
- World Languages and Cultures B.A., with Chinese Language and Culture Concentration
- World Languages and Cultures B.A., with East Asian Languages and Cultures Concentration
- World Languages and Cultures B.A., with French and Francophone Studies Concentration
- World Languages and Cultures B.A., with German Concentration
- World Languages and Cultures B.A., with Italian Concentration
- World Languages and Cultures B.A., with Russian Concentration
- World Languages and Cultures B.A., with Spanish and Latin American Studies Concentration

## WORLD LANGUAGES AND CULTURES B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Major GPA (All USF courses which are applied to major requirements): 2.0

General Education GPA (All USF courses which are applied to General Education requirements): 2.0

USF GPA: 2.0

Overall GPA 2.0

### GRADING REQUIREMENTS

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

**Department and College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.

**USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience.

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

The Office of High Impact Practices and Undergraduate Research will assist students in understanding the various course options.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

**Tampa campus website:** <https://www.usf.edu/arts-sciences/students/academic-advising/index.aspx>  
For questions, email [LanguagesAdvise@usf.edu](mailto:LanguagesAdvise@usf.edu).

## 4 YEAR PLAN OF STUDY - WORLD LANGUAGES AND CULTURES B.A.

### NOTES:

SCIV - Civics Literacy needs to be completed prior to graduation. For more information, see <https://www.usf.edu/undergrad/students/civics-literacy.aspx> or talk with your academic advisor.

Items that are critical are marked with a \* and are included in the plan for a student to stay on track.

### Potential Entry Level Job Titles:

- Interpreter
- Translator
- Blogger
- Tour Guide
- Liaison Officer

### Potential Entry Level Salary Range:

\$30,000 - \$50,000

### 1. PREREQUISITE (SUPPORTING) COURSES

---

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

- ITA 1120 - Beginning Italian I **Credit(s): 4**
- ITA 1121 - Beginning Italian II **Credit(s): 4**
- ITA 2200 - Italian III **Credit(s): 3**

### 2. CONCENTRATION CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

Select three (3) courses from the following list.

- ITA 2240 - Italian Conversation **Credit(s): 3**
- ITA 3234 - Reading and Writing in Italian **Credit(s): 3**
- ITA 4930 - Special Topics **Credit(s): 1-3**
- ITT 4505 - Italian Americans on Screen **Credit(s): 3**
- ITT 4531 - Italian Food in Film **Credit(s): 3**

### 3. CONCENTRATION ELECTIVE COURSE: 1 COURSE; 3 CREDIT HOURS

---

Select one (1) course from the following list.

- ITA 2201 - Italian IV **Credit(s): 3**

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- ITA 3420 - Composition **Credit(s): 3**
- ITT 3504 - Italian Culture Through Film **Credit(s): 3**
- ITW 4905 - Directed Study **Credit(s): 1-3**

## 4. TWELVE (12) HOURS IN ANOTHER DUAL CONCENTRATION.

- World Languages and Cultures B.A., with Applied Linguistics Concentration
- World Languages and Cultures B.A., with Classics Concentration
- World Languages and Cultures B.A., with Chinese Language and Culture Concentration
- World Languages and Cultures B.A., with East Asian Languages and Cultures Concentration
- World Languages and Cultures B.A., with French and Francophone Studies Concentration
- World Languages and Cultures B.A., with German Concentration
- World Languages and Cultures B.A., with Interdisciplinary Classical Civilizations Concentration
- World Languages and Cultures B.A., with Russian Concentration
- World Languages and Cultures B.A., with Spanish and Latin American Studies Concentration

## WORLD LANGUAGES AND CULTURES B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Major GPA (All USF courses which are applied to major requirements): 2.0

General Education GPA (All USF courses which are applied to General Education requirements): 2.0

USF GPA: 2.0

Overall GPA 2.0

### GRADING REQUIREMENTS

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

**Department and College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.

**USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The [Office of High Impact Practices and Undergraduate Research](#) will assist students in understanding the various course options.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## WORLD LANGUAGES AND CULTURES B.A., WITH RUSSIAN CONCENTRATION

TOTAL DEGREE HOURS: 120

The Bachelor of Arts in World Languages and Cultures offers students a solid foundation in language and linguistic skills, as well as knowledge of diverse cultures. Upon completion of the program, students will be able to interact and participate in a global environment.

### UNIVERSITY ADMISSIONS - COLLEGE OF ARTS AND SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- ☐ **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
  - ☐ **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
  - ☐ **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>
- For Admission information specific to the College of Arts and Sciences, see the information at College of Arts and Sciences.

### GRADUATION REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

Satisfactory completion of the following requirements:

- ☐ Students must complete all State and University level graduation requirements.
- ☐ Maintain a minimum GPA of 2.0 in USF coursework. Note: Some Departments/program/major require a higher GPA. Students should refer to Department/program/major specific catalog requirements.
- ☐ Physical Education coursework is limited to two (2) semester hours.
- ☐ ROTC courses that are primarily physical training and field experiences will not be applied to College of Arts and Sciences degree programs. All other military Science coursework will apply, in particular, coursework utilized toward completing an established ROTC minor will be applied to the total hours toward degree.
- ☐ When earning a second degree, double major or concurrent degree, the Major Core and Major Elective/Concentration areas of the degree audit must not overlap for both degrees. All other areas of the degree audit may have overlapping credit hours applied.
- ☐ Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student's major unless S/U is the only grading option. Coursework fulfilling the General Education Core Curriculum Requirements and the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
- ☐ The Audit option is available only during the first 5 days of classes.
- ☐ "D" grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; Physics, and Physical Sciences). "D" grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.
- ☐ Complete all major course requirements.
- ☐ College of Arts and Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Arts and Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

### REQUIRED COURSES: (30 CREDIT HOURS)

---

#### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- LIN 3003 - Language Matters Credit(s): 3
- FOT 4131 - Understanding World Cultures Credit(s): 3

---

#### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

- Chinese Language and Culture and East Asian Languages and Cultures
- Classics and Interdisciplinary Classical Civilizations

---

#### RUSSIAN CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The concentration in Russian seeks to prepare its students to understand the language, literature, and culture of Russia. One of the concentration's primary goals is to prepare students to be able to interact productively with Russian speakers. The concentration seeks to develop the highest possible level of proficiency in the Russian language in each of its students as a foundation for both academic understanding and everyday communication. In order to achieve this goal, the Russian concentration treats language and culture as an inextricably bound up nexus that has to be inculcated at every step of the learning process.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## STATE MANDATED COMMON PREREQUISITES - WORLD LANGUAGES AND CULTURES B.A.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

XXX XXXX \* 6-12 credit hours

\*Must demonstrate proficiency by testing or completion of a foreign language through the intermediate level.

PLEASE NOTE: It is recommended that the student take the degree courses at the lower division, although the courses are not required for entry into the program.

NOTE: Native or heritage speakers or other persons with experience in a foreign language may qualify for a higher level language course, or exempt course(s) entirely. Please see the university to ensure proper advising and placement.

---

### REQUIRED COURSES: (30 CREDIT HOURS)

---

#### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

LIN 3003 - Language Matters Credit(s): 3

FOT 4131 - Understanding World Cultures Credit(s): 3

---

#### REQUIRED CONCENTRATION COURSES: (24 CREDIT HOURS)

---

Students complete a World Languages and Cultures program of study and at least one concentration in: Applied Linguistics; Chinese Language and Culture; Classics; East Asian Languages and Cultures; French and Francophone Studies; German; Interdisciplinary Classical Civilizations; Italian; Russian; Spanish and Latin American Studies; or a combination of two concentrations (dual concentrations), completing 12 credit hours in one chosen concentration and 12 credit hours in the other chosen concentration.

Prior to declaring a dual concentration, students should consult with the World Languages advisors and faculty to determine the best combination of coursework. Some dual concentrations may require additional credit hours to meet the minimum credit hours for the concentration.

The following dual concentrations are not allowed:

Chinese Language and Culture and East Asian Languages and Cultures

Classics and Interdisciplinary Classical Civilizations

---

### SPANISH AND LATIN AMERICAN STUDIES CONCENTRATION COURSES: 8 COURSES; 24 CREDIT HOURS

---

The Interdisciplinary Spanish and Latin American Studies concentration focuses on the language and culture of the Spanish-speaking world. Spanish is a global language, the second most spoken native language in the world. The historical ties with Spain, the proximity of Spanish America, and the presence of many Spanish speakers in the United States make knowledge of Spanish and the culture of the Spanish-speaking world highly relevant to students in all disciplines.

Please note the following restrictions:

# COLLEGE OF ARTS & SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- No more than six credit hours of coursework between 2240-2999 may be applied to the Spanish concentration.
- A student may take no more than one course with an SPT prefix.
- SPN 2240 - Conversation I and SPN 2341 - Advanced Spanish for Native Speakers II may also be counted as concentration electives, unless the course has been used to fulfill another concentration and/or major requirement.
- The requirements of SPN 3300 - Advanced Spanish Grammar and Composition or SPN 2340 - Advanced Spanish for Native Speakers I may be waived for qualified students. These students will take an additional course to satisfy the concentration requirements.

## PREREQUISITE (SUPPORTING) COURSES

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

- SPN 1120 - Beginning Spanish I Credit(s): 4
- SPN 1121 - Beginning Spanish II Credit(s): 4
- SPN 2200 - Spanish III Credit(s): 3
- SPN 2240 - Conversation I Credit(s): 3

## CONCENTRATION CORE COURSES: 2 COURSES; 6 CREDIT HOURS

- SPW 3030 - Introduction to Hispanic Literary Studies Credit(s): 3  
Select one course from the following list:
- SPN 2340 - Advanced Spanish for Native Speakers I Credit(s): 3
- SPN 2341 - Advanced Spanish for Native Speakers II Credit(s): 3
- SPN 3300 - Advanced Spanish Grammar and Composition Credit(s): 3

## CONCENTRATION ELECTIVE COURSES: 6 COURSES; 18 CREDIT HOURS

Select six (6) courses from the following list of courses.

- SPN 2241 - Conversation II Credit(s): 3
- SPN 2340 - Advanced Spanish for Native Speakers I Credit(s): 3
- SPN 2341 - Advanced Spanish for Native Speakers II Credit(s): 3
- SPN 3300 - Advanced Spanish Grammar and Composition Credit(s): 3
- SPN 3391 - Latin American Cinema Credit(s): 3
- SPN 3440 - Spanish for Business and International Trade I Credit(s): 3
- SPN 3441 - Spanish for Business and International Trade II Credit(s): 3
- SPN 3500 - Spanish Civilization Credit(s): 3
- SPN 3514 - The Three Cultures of Medieval Spain Credit(s): 3
- SPN 3520 - Spanish-American Civilization Credit(s): 3
- SPN 3564 - Spain Today: Culture and Politics in the Media Credit(s): 3
- SPN 4301 - Expository Writing Credit(s): 3
- SPN 4410 - Advanced Conversation Credit(s): 3
- SPN 4470 - Advanced Overseas Study Credit(s): 1-6
- SPN 4700 - Spanish Linguistics Credit(s): 3
- SPT 3100 - Masterpieces of Hispanic Literature Credit(s): 3
- SPW 3030 - Introduction to Hispanic Literary Studies Credit(s): 3
- SPW 3393 - Spanish Culture through Literature and Film Credit(s): 3
- SPW 3512 - Religion in Hispanic Literature and Film Credit(s): 3
- SPW 4101 - Survey of Spanish Literature II Credit(s): 3
- SPW 4130 - Early Latin America Through Literature and Film Credit(s): 3
- SPW 4131 - Survey of Spanish-American Literature II Credit(s): 3
- SPW 4145 - Sex and Subversion in Spanish Art, Lit, and Film Credit(s): 3
- SPW 4311 - The Creative Genius of the Golden Age Credit(s): 3
- SPW 4930 - Selected Topics Credit(s): 1-3
- Other USF SPN-, SPT-, SPW-prefixed courses may be applied to the concentration, with prior approval from the World Languages faculty and advisor

## DUAL CONCENTRATION IN SPANISH AND LATIN AMERICAN STUDIES

If taking Spanish and Latin American Studies as a dual concentration, these are the requirements.

Note: When declaring a dual concentration, no SPT-prefixed courses may be used to fulfill the Spanish and Latin American Studies concentration.

### 1. PREREQUISITE (SUPPORTING) COURSES

The following courses are prerequisite (supporting) courses for this concentration. They are required for the concentration but are not counted in the total hours for this major but count toward general/unrestricted electives. Students may also demonstrate proficiency by testing.

- SPN 1120 - Beginning Spanish I Credit(s): 4
- SPN 1121 - Beginning Spanish II Credit(s): 4
- SPN 2200 - Spanish III Credit(s): 3
- SPN 2240 - Conversation I Credit(s): 3

### 2. CONCENTRATION CORE COURSES: 2 COURSES; 6 CREDIT HOURS

Note: The requirements of SPN 3300 - Advanced Spanish Grammar and Composition or SPN 2340 - Advanced Spanish for Native Speakers I may be waived for qualified students. These students will take an additional course to satisfy the concentration requirements.

- SPW 3030 - Introduction to Hispanic Literary Studies Credit(s): 3
- Select one course from the following list.
- SPN 2340 - Advanced Spanish for Native Speakers I Credit(s): 3
  - SPN 2341 - Advanced Spanish for Native Speakers II Credit(s): 3
  - SPN 3300 - Advanced Spanish Grammar and Composition Credit(s): 3

### 3. CONCENTRATION ELECTIVE COURSES: 2 COURSES; 6 CREDIT HOURS

Select two (2) courses from the following list of courses.

- SPN 2240 - Conversation I Credit(s): 3
- SPN 2241 - Conversation II Credit(s): 3
- SPN 2340 - Advanced Spanish for Native Speakers I Credit(s): 3
- SPN 2341 - Advanced Spanish for Native Speakers II Credit(s): 3
- SPN 3300 - Advanced Spanish Grammar and Composition Credit(s): 3
- SPN 3391 - Latin American Cinema Credit(s): 3
- SPN 3440 - Spanish for Business and International Trade I Credit(s): 3
- SPN 3441 - Spanish for Business and International Trade II Credit(s): 3
- SPN 3500 - Spanish Civilization Credit(s): 3
- SPN 3514 - The Three Cultures of Medieval Spain Credit(s): 3
- SPN 3520 - Spanish-American Civilization Credit(s): 3
- SPN 3564 - Spain Today: Culture and Politics in the Media Credit(s): 3
- SPN 4301 - Expository Writing Credit(s): 3
- SPN 4410 - Advanced Conversation Credit(s): 3
- SPN 4470 - Advanced Overseas Study Credit(s): 1-6
- SPN 4700 - Spanish Linguistics Credit(s): 3
- SPW 3030 - Introduction to Hispanic Literary Studies Credit(s): 3
- SPW 3393 - Spanish Culture through Literature and Film Credit(s): 3
- SPW 3512 - Religion in Hispanic Literature and Film Credit(s): 3
- SPW 4101 - Survey of Spanish Literature II Credit(s): 3
- SPW 4130 - Early Latin America Through Literature and Film Credit(s): 3
- SPW 4131 - Survey of Spanish-American Literature II Credit(s): 3
- SPW 4145 - Sex and Subversion in Spanish Art, Lit, and Film Credit(s): 3
- SPW 4311 - The Creative Genius of the Golden Age Credit(s): 3
- SPW 4930 - Selected Topics Credit(s): 1-3

☐ Other USF SPN-, SPW-prefixed courses may be applied to the concentration, with prior approval from the World Languages faculty and advisor.

## 4. TWELVE (12) HOURS IN ANOTHER DUAL CONCENTRATION.

- ☐ World Languages and Cultures B.A., with Applied Linguistics Concentration
- ☐ World Languages and Cultures B.A., with Classics Concentration
- ☐ World Languages and Cultures B.A., with Chinese Language and Culture Concentration
- ☐ World Languages and Cultures B.A., with East Asian Languages and Cultures Concentration
- ☐ World Languages and Cultures B.A., with French and Francophone Studies Concentration
- ☐ World Languages and Cultures B.A., with German Concentration
- ☐ World Languages and Cultures B.A., with Interdisciplinary Classical Civilizations Concentration
- ☐ World Languages and Cultures B.A., with Italian Concentration
- ☐ World Languages and Cultures B.A., with Russian Concentration

## WORLD LANGUAGES AND CULTURES B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Major GPA (All USF courses which are applied to major requirements): 2.0

General Education GPA (All USF courses which are applied to General Education requirements): 2.0

USF GPA: 2.0

Overall GPA 2.0

### GRADING REQUIREMENTS

A grade of C- or better to meet major course requirements unless specified elsewhere. Will vary by area.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## RESIDENCY REQUIREMENTS - COLLEGE OF ARTS AND SCIENCES

**Department and College of Arts and Sciences Major Academic Residency Requirement** - 50% of major must be completed at USF.

**USF Academic Residency Requirement** - 30 of the last 60 hours earned must be from USF.

## RESEARCH OPPORTUNITIES - COLLEGE OF ARTS AND SCIENCES

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The [Office of High Impact Practices and Undergraduate Research](#) will assist students in understanding the various course options.

## ADVISING INFORMATION - COLLEGE OF ARTS AND SCIENCES

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

**Tampa campus website:** <https://www.usf.edu/arts-sciences/students/academic-advising/index.aspx>

## CHINESE LANGUAGE MINOR

TOTAL MINOR HOURS: 18

The minor in Chinese Language is designed for majors in any field who wish to demonstrate in-depth knowledge of Chinese language, culture and society. The minor in Chinese Language is designed to equip students with a foundation in Chinese language and culture necessary to successfully interact with Chinese people.

### MINOR REQUIREMENTS

A total of 18 semester hours is required for the minor in Chinese Language. Of those 18 hours, 12 hours are to be fulfilled with required core courses in language and culture. An additional 6 hours are to be fulfilled with electives selected in consultation with a Chinese faculty member.

### MINOR CORE (12 CREDIT HOURS)

- CHI 3241 - Advanced Chinese Conversation I **Credit(s): 3**
- CHI 3242 - Advanced Chinese Conversation II **Credit(s): 3**
- CHT 3500 - Introduction to Chinese Culture **Credit(s): 3**
- CHT 3110 - Traditional Chinese Literature in Translation **Credit(s): 3**
- or**
- CHT 3124 - Modern Chinese Literature in Translation **Credit(s): 3**

### MINOR ELECTIVES (6 CREDIT HOURS)

- CHI 4905 - Directed Study **Credit(s): 1-5**
- CHI 4930 - Special Topics **Credit(s): 1-3**

### GPA REQUIREMENTS

Minor GPA (all USF courses which are applied to minor requirements): 2.0

### GRADING REQUIREMENTS

C- or better to meet major course requirements unless specified elsewhere.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

### RESIDENCY REQUIREMENT

A minimum of 10 of the 18 hours required for the minor must be completed in residence at USF.

### ADVISING INFORMATION

USF students schedule advising appointments online through the USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss course planning, degree progression, and career preparation.

## CLASSICS MINOR

TOTAL MINOR HOURS: 17

The interdisciplinary minor is designed to make the study of the ancient world available to students, in a programmatic way, without the requirement of learning Latin or Greek. Students learn about the history, literature, art and culture of antiquity in courses that emphasize the study of primary texts in English translation.

### MINOR REQUIREMENTS

The Classics minor requires 17 credit hours, which are divided between language and civilization requirements.

### MINOR CORE (17 CREDIT HOURS)

Language Requirements (8 Credit Hours)

Students are required to take at least two (2) successive courses in a single language, Latin or Ancient Greek (LAT, LNW, GRE, GRW).

### CIVILIZATION REQUIREMENTS (9 CREDIT HOURS)

Students are required to take three (3) of the core courses offered by Classics:

- CLA 3103 - Daily Life in Ancient Greece **Credit(s): 3**
- CLA 3124 - Daily Life in Ancient Rome **Credit(s): 3**
- CLT 3103 - Epic Battles and Dramatic Reversals in Greek Thought **Credit(s): 3**
- CLT 3123 - Voyages and Metamorphoses in Roman Imagination **Credit(s): 3**
- CLT 3370 - Gods Heroes and Monsters in the Ancient World **Credit(s): 3**

### GPA REQUIREMENTS

Minor GPA (all USF courses which are applied to minor requirements): 2.0

### GRADING REQUIREMENTS

C- or better to meet major course requirements unless specified elsewhere.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

### RESIDENCY REQUIREMENTS

CAS Minor Academic Residency Requirement: 50% of minor must be completed at USF.

### ADVISING INFORMATION

USF students schedule advising appointments online through the USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss course planning, degree progression, and career preparation.

## FRENCH AND FRANCOPHONE STUDIES MINOR

French is a truly global language, the official or second language of over forty countries worldwide and an important tool in business and diplomacy. Our faculty offer a large variety of courses in literature and culture across different media, genres, centuries, and geographical regions. Our faculty is attentive, and our students form a close community.

The placement record for our graduates is impressive, including students who go on to obtain advanced academic degrees and professional degrees such as law and business. Others apply their French to teaching, politics, academic administration, and federal government jobs.

### TOTAL MINOR CREDIT HOURS: 15

### MINOR ELECTIVE HOURS: 15

- Select 15 hours of FRE or FRW courses above FRE 2200 (French III).
- One course (3 credits) may be an FRT course given in English.

### GPA REQUIREMENT

A GPA of 2.0 or better in the minor is required for certification.

### GRADING REQUIREMENT

Unless stated otherwise, a grade of "C-" is the minimum acceptable grade.

### RESIDENCY REQUIREMENTS

CAS Minor Academic Residency Requirement: 50% of minor must be completed at USF.

### OTHER REQUIREMENTS

The French minor strongly encourages study abroad and provides advice on the same. [USF World](#) offers several programs in France and Francophone countries.

### ADVISING INFORMATION

USF students schedule advising appointments online through the USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss course planning, degree progression, and career preparation.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## INTERDISCIPLINARY CLASSICAL CIVILIZATIONS MINOR

TOTAL MINOR HOURS: 15

The Interdisciplinary Classical Civilizations (ICC) Minor provides students with a broad-based area of study encompassing the literature, history, linguistics, art and archaeology, philosophy, and religion of Greece, Rome, and the Near East from pre-history to late antiquity. For centuries, the study of these vibrant societies has been recognized as essential to a proper understanding of our own culture and, recently, there has been a renewed recognition of the skills such study develops. Students pursuing the ICC Minor are offered a unique interdisciplinary approach that allows a customized exploration of the ancient world. Faculty from multiple departments offer a range of courses in diverse aspects of the ancient world. Students can acquire and develop specific applied skills through their studies, such as critical thinking, reading, and writing; research; interpersonal communication; intercultural and global fluency; and more.

### MINOR CORE (15 CREDIT HOURS)

The ICC Minor (15 hours) can be fulfilled in one of two ways:

#### OPTION 1: COURSES ARE DIVIDED BY LEVEL, WITH THE "FIELD" OF STUDY UNRESTRICTED (15 CREDIT HOURS):

- Two courses (6 hours) from the ICC Minor "Core:"
- CLA 3103 - Daily Life in Ancient Greece **or** CLT 3103 - Epic Battles and Dramatic Reversals in Greek Thought
- CLA 3124 - Daily Life in Ancient Rome **or** CLT 3123 - Voyages and Metamorphoses in Roman Imagination
- CLT 3370 - Gods Heroes and Monsters in the Ancient World
- Three (3) credit hours from 2000- or 3000-level courses in Anthropology, History, Philosophy and Religious Studies, selected with the guidance and approval of the World Languages Classics Section Head and/or Academic Advisor.
- Six (6) credit hours from 3000- or 4000-level courses in Anthropology, History, Philosophy and Religious Studies, selected with the guidance and approval of the World Languages Classics Section Head and/or Academic Advisor.

#### OPTION 2: COURSES ARE ORGANIZED ALONG AN INTERDISCIPLINARY PRINCIPLE (15 CREDIT HOURS):

- Two courses (6 hours) from the ICC Minor "Core:"
- CLA 3103 - Daily Life in Ancient Greece **or** CLT 3103 - Epic Battles and Dramatic Reversals in Greek Thought
- CLA 3124 - Daily Life in Ancient Rome **or** CLT 3123 - Voyages and Metamorphoses in Roman Imagination
- CLT 3370 - Gods Heroes and Monsters in the Ancient World
- Nine (9) credit hours from the Interdisciplinary Requirements. The student will complete three (3) 3-credit courses, one each from three of the following four fields selected with the guidance and approval of the World Languages Classics Section Head and/or Academic Advisor:
  - Anthropology
  - History
  - Philosophy
  - Religious Studies

### GPA REQUIREMENTS

Minor GPA (all USF courses which are applied to minor requirements): 2.0

### GRADING REQUIREMENTS

C- or better to meet major course requirements unless specified elsewhere.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## ITALIAN MINOR

TOTAL MINOR HOURS: 15

The Italian Program is an interdisciplinary program with courses in Italian language, film, literature, history, cultural studies, Italian-American studies, and the culture of food, offered both in Italian and English. The objective of the program is to prepare students to become receptive to the global concerns of our society and to increase their capabilities in such skills as critical writing and speaking, interpersonal communication, effective global citizenship, intercultural fluency and literacy, and more. These are all skills that are useful for a variety of professions.

## MINOR REQUIREMENTS

### MINOR CORE (6 CREDIT HOURS)

- ITA 2240 - Italian Conversation **Credit(s): 3**
- or
- ITA 2241 - Italian Conversation II **Credit(s): 3**
- ITA 3420 - Composition **Credit(s): 3**

### MINOR ELECTIVES (9 CREDIT HOURS)

Students must select 9 hours in 3000- or 4000-level courses except courses in translation.

## GPA REQUIREMENTS

Minor GPA (all USF courses which are applied to minor requirements): 2.0

## GRADING REQUIREMENTS

C- or better to meet major course requirements unless specified elsewhere.

Note: Some USF courses have higher grade criteria to meet prerequisite knowledge necessary for progression into higher level courses.

## RESIDENCY REQUIREMENTS

CAS Minor Academic Residency Requirement: 50% of minor must be completed at USF.

## ADVISING INFORMATION

USF students schedule advising appointments online through USF Archivum Platform. Students are encouraged to meet with their advisor each semester to discuss courses planning, degree progression, and career preparation.

## LINGUISTICS MINOR

TOTAL MINOR HOURS: 15

The linguistics minor can complement any language major, as well as many other majors. In the linguistics minor, you will have the opportunity to take upper-level classes focusing on language, culture, pedagogy and theoretical linguistics. The minor can prepare you for teaching a foreign language in the United States, teaching English overseas, working for a company in which there are multinational employees, and other similar careers. It will also give you a foundation to pursue graduate work in applied linguistics or languages. Knowledge of the structure of language will help you hone your analytic thinking skills, which can be transferred to other areas such as succeeding on the LSAT or entering a career in the field of computer science. Linguistics courses can also help you improve your writing-related skills, oral communication skills, and intercultural communication.

### MINOR REQUIREMENTS

#### MINOR CORE (3 CREDIT HOURS)

- LIN 3010 - Introduction to Linguistics **Credit(s): 3**

#### MINOR ELECTIVES (12 CREDIT HOURS)

- ANT 3610 - Linguistic Anthropology **Credit(s): 3**
- CLT 3040 - Scientific and Medical Terminology **Credit(s): 3**
- FLE 4390 - Teaching Foreign/Second Languages **Credit(s): 3**
- FRE 4700 - French Linguistics **Credit(s): 3**
- LIN 2002 - Language, Culture & Film **Credit(s): 3**
- LIN 3003 - Language Matters **Credit(s): 3**
- LIN 4350 - Sound Systems in American English **Credit(s): 3**

## RUSSIAN STUDIES MINOR

TOTAL MINOR HOURS: 15

The Russian Studies Minor seeks to prepare students to understand the language, literature, and culture of Russia. One of the program's primary goals is to prepare students to be able to interact productively with Russian speakers. The program seeks to develop the highest possible level of proficiency in the Russian language in each of its students as a foundation for both academic understanding and everyday communication. To achieve this goal, the Russian Program treats language and culture as an inextricably bound up nexus that has to be inculcated at every step of the learning process. Students who earn the minor will be able to pursue a wide variety of careers, such as education, foreign affairs and policy, national security, international business, international law and politics, and more. The Russian Studies Minor will provide a useful array of marketable skills such as interpersonal communication, critical thinking, oral and written communication, intercultural and global fluency, and more.

### MINOR REQUIREMENTS

#### MINOR CORE (8 CREDIT HOURS)

- RUS 2220 - Intermediate Russian I **Credit(s): 4**
- RUS 2221 - Intermediate Russian II **Credit(s): 4**

#### MINOR ELECTIVES (7 CREDIT HOURS)

Select seven (7) hours in 3000- or 4000-level courses.

Please contact a World Languages advisor to plan the appropriate coursework.

- RUS 3240 - Russian Language & Culture through Film **Credit(s): 3**
- RUS 3470 - Overseas Study **Credit(s): 1-6**
- RUS 4241 - Russian Language & Culture through Film II **Credit(s): 3**
- RUS 4900 - Selected Topics **Credit(s): 1-3**
- RUS 4905 - Directed Study **Credit(s): 1-3**
- RUT 3110 - Nineteenth Century Russian Literature in English **Credit(s): 3**
- RUT 3111 - Twentieth-Century Russian Literature in English **Credit(s): 3**

### GPA REQUIREMENTS

Minor GPA (all USF courses which are applied to minor requirements): 2.0

### GRADING REQUIREMENTS

## SPANISH MINOR

---

The Spanish minor provides students with linguistic and cultural competencies that enhance preparation for many disciplines such as business, hospitality management, mass communications, and education as well as pre-law and pre-medicine.

### MINOR REQUIREMENTS

---

The minor in Spanish consists of a minimum of six courses beyond Spanish III (SPN 2200) or equivalent: two (2) required courses (6 credit hours) and four (4) upper-level elective courses (12 credit hours).

### TOTAL MINOR CREDIT HOURS: 18

---

### MINOR CORE CREDIT HOURS: 6

---

Notes:

\*Students who place out of Spanish IV may substitute a SPN or SPW course beyond SPN 2201.

\*\*Native speakers may substitute SPN 2340 Advanced Spanish for Native Speakers I or SPN 2341 Advanced Spanish for Native Speakers II for SPN 3300. In the case of highly qualified students, an upper level SPN/SPW course can be substituted.

- SPN 2201 - Spanish IV **Credit(s): 3 \***
- SPN 3300 - Advanced Spanish Grammar and Composition **Credit(s): 3 \*\***

### MINOR ELECTIVE CREDIT HOURS: 12

---

Select 12 hours of SPN, SPW courses at 3000, 4000 level. (One SPT prefix course may be taken as part of the 12 hours.)

Students must complete a minimum of six (6) credits and two (2) courses exclusive to the minor that will not count toward the student's major or other minors. These credits/courses must be completed at USF.

### GPA REQUIREMENT

---

A GPA of 2.0 or better in the minor is required for certification.

### GRADING REQUIREMENT

---

All coursework completed for the Spanish Minor must have a grade of "C" or better to satisfy program requirements. Each minor course must be taken for a letter grade. No course may be taken Pass/Fail.

### RESIDENCY REQUIREMENTS

---

CAS Minor Academic Residency Requirement: 50% of minor must be completed at USF.

### ADVISING INFORMATION

## JAPANESE CERTIFICATE

TOTAL CERTIFICATE HOURS: 15-17

The certificate is constructed for individuals who are pursuing a bachelor's degree in any field as well as non-degree seeking students and desire to advance their Japanese learning. By developing individuals' knowledge and understanding for the Japanese language and culture, this certificate will prepare them for working in Japan or for Japanese companies, working as a foreign service officer in the U.S. Department of State, or applying for the Japanese Exchange and Teaching (JET) program, etc. in the future. The certificate is offered through the Department of World Languages

### CERTIFICATE REQUIREMENTS

Students must complete the following two courses or their equivalents before applying to the certificate program.

- JPN 1120 - Modern Japanese I **Credit(s): 4**
- JPN 1121 - Modern Japanese II **Credit(s): 4**

### CERTIFICATE CORE (11 CREDIT HOURS)

- JPN 2220 - Modern Japanese III **Credit(s): 4**
- JPN 2221 - Modern Japanese IV **Credit(s): 4**
- JPN 3400 - Japanese V **Credit(s): 3**

### CERTIFICATE ELECTIVES (4-6 CREDIT HOURS)

Students choose two (2) courses from the following list of electives:

- JPN 4020 - Japanese Calligraphy **Credit(s): 1**
- JPT 4957 - Japan Study Program: Culture, History and Society **Credit(s): 3**
- JPN 3401 - Japanese VI **Credit(s): 3**

### GPA REQUIREMENTS

A minimum 2.0 GPA is required.

### GRADING REQUIREMENT

A minimum grade of C (2.0) or higher must be attained in each course.

### RESIDENCY REQUIREMENT

A minimum of 9 credit hours must be completed at the University of South Florida. In case of study abroad programs, exceptions can be made.

### OTHER REQUIREMENTS

Relevant courses not listed as requirements or electives and offered in other departments may be substituted with the approval of the coordinator.

13301 Bruce B. Downs Blvd, MHC 1110  
Tampa, FL 33620  
(813) 974-4602  
<http://www.usf.edu/cbcs/>

Physical Location: MHC is located near East Fletcher Avenue and Bruce B. Downs Blvd. on the north-west corner of the USF campus. The main entrance is at USF Holly Drive.

### About the College

---

Established in 2008, the College of Behavioral & Community Sciences is breaking new ground by combining knowledge gained through the behavioral sciences with knowledge gained from the community. Our emphasis on Behavioral Science reflects a focus on individuals, emphasizing behavioral research that examines the problems and challenges people encounter, as well as their need for clinical and supportive services. Our emphasis on Community Science reflects our commitment to understanding the larger contextual factors that have an impact on the well-being and safety of individuals and their families, such as the effectiveness of systems and policies that impact and support the well-being of individuals. We accomplish this by engaging community and neighborhood stakeholders in a partnered, participatory manner and by collaborating with local, state, and national organizations in both the public and private sectors.

The College of Behavioral & Community Sciences serves approximately 3,000 students with eight (8) undergraduate, (11) eleven master's, and seven (7) doctoral programs housed in six (6) academic departments/schools. The College is the home of the Louis de la Parte Florida Mental Health Institute, one of the largest behavioral health research and training institutes in the country as well as 17 specialized Research Centers and Institutes. Our aim is nothing less than to be among the most influential resources for behavioral and community sciences in the region, nation, and world

### Mission, Vision, Values

---

#### MISSION

To advance knowledge through interdisciplinary teaching, research, and service that improves the capacity of individuals, families, and diverse communities to promote productive, satisfying, healthy, and safe lives across the lifespan.

#### VISION

College of **BEHAVIORAL** and Community Sciences envisions the college as a globally recognized leader that creates innovative solutions to the complex conditions that affect the behavior and well-being of individuals, families, and diverse communities.

#### VALUES

Inclusion and diversity in all its dimensions are core values that permeate the teaching, research, and service activities of College of Behavioral and Community Sciences. As members of the higher education community, the College of Behavioral and Community Sciences values shared governance, academic freedom, and professional responsibility.

#### PRINCIPLES THAT GUIDE OUR WORK

In implementing our work, College of Behavioral and Community Sciences strives to incorporate Interdisciplinary approaches to teaching, research, and service; engagement with community partners; and student participation in research, service, and global initiatives.

## College-Level Requirements

---

**Entrance Requirement to Declare a Major in the College of Behavioral and Community Sciences** Students must have a minimum 2.00 cumulative grade point average in any previously attempted USF/overall college-level coursework prior to declaring a major in the College of Behavioral and Community Sciences. Exceptions will be considered on an individual basis, with departmental approval required, by the CBCS Academic Regulations Committee.

### Major Residency Requirement

College of Behavioral and Community Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Behavioral and Community Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

### Other Information - Departmental Minor

---

Students may not use courses in the major for the minor, unless approved by the department offering the minor.

## Graduation Requirements

---

### EACH STUDENT IS RESPONSIBLE FOR MEETING GRADUATION REQUIREMENTS AS FOLLOWS:

1. Complete at least 120 accepted semester hours with a minimum USF cumulative Grade Point Average (GPA) and overall GPA of 2.00. All grades including "D"s and "F"s are used to calculate USF, overall, and major GPAs for students in the College of Behavioral and Community Sciences.
2. Maintain major GPA of 2.00 in USF coursework.
3. Complete the Foreign Language Entrance Requirement. Students pursuing a B.A. degree must also complete the Foreign Language Exit Requirement.
4. Satisfy the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math). Transfer students who enter USF with 60 or more semester hours from an institution accredited by either the Higher Learning Commission, the Middle States Commission on Higher Education, the New England Commission of Higher Education, the Northwest Commission on Colleges and Universities, the Southern Association of Colleges and Schools Commission on Colleges, or the WASC Senior College and University Commission are considered to have met the communication portion of this Regulation.
5. Complete 36 hours of General Education State Core courses and Enhanced General Education Curriculum (for more information, see section titled "Enhanced General Education" in Academic Policies and Procedures section).
6. Complete at least 9 semester hours at a Florida public university in the Florida State University System during summer terms if entering USF with fewer than 60 semester hours.
7. Complete all major course requirements.
8. Thirty (30) of the last 60 semester hours must be completed at USF to fulfill the residency requirement.
9. When double majoring, a maximum of 2 courses or 8 hours may be used to satisfy requirements between majors. Students should check with the advisors in both departments when pursuing more than one degree.
10. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. No credits may be taken S/U in the student's major unless S/U is the only grading option. Coursework fulfilling the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
11. The Audit option is available only during the first 5 (five) days of classes.
12. Complete Civics Literacy requirement.
13. Complete a minimum of 42 hours of upper-level courses (numbered 3000 or above).
14. Students must apply for graduation by the end of the fourth week of their final semester (See Registrar's calendar for exact dates.). For late application information, please refer to the Application for Graduation section of the Academic Policy and Procedures division of the catalog.

## Global Pathways

<http://www.usf.edu/gcp/students/index.aspx>

A Global Pathway is an undergraduate major or degree program that has significant global content. Global Pathways provide students with the opportunity to practice and apply global competencies through the major or degree program. The following programs are designated as Global Pathway Programs:

Communication Sciences & Disorders  
<https://www.usf.edu/cbcs/csd/>

Social Work  
<https://www.usf.edu/cbcs/social-work/>

## Certificates

---

Undergraduate Research in Behavioral & Community Sciences Certificate

The Undergraduate Research Certificate provides students with a planned sequence of courses to support their systematic development as undergraduate researchers and prepare them for graduate school. The Undergraduate Research Certificate is a cross-departmental initiative within the College of Behavioral & Community Sciences. See <https://www.usf.edu/cbcs/undergraduate/certificates.aspx>.

Addictions and Substance Abuse Profession Certificate

## Undergraduate Advising Information

---

Please visit the College of Behavioral and Community Sciences website for advisor information at <http://www.usf.edu/cbcs/undergraduate/advising.aspx>.

To schedule an advising appointment:

- Prospective or current students with an active UID can schedule an appointment online: <https://usf.appiancloud.com/suite/sites/archivum/page/archivum/report/daQEig>
- Prospective students who have not yet applied or students who are inactive (e.g., dismissed or not enrolled for 3 consecutive terms) should contact the appropriate advising location in their intended major: <https://www.usf.edu/undergrad/students/advising.aspx>

## **SCHOOL OF AGING STUDIES**

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## AGING SCIENCES B.S.

TOTAL DEGREE HOURS: 120

The Bachelor of Science degree in Aging Sciences entails 36 credit hours of required coursework. In this program, the course of study provides students with an education in aging sciences and some exposure to the various career opportunities in the field of aging. This degree is especially appropriate for students who plan to pursue graduate or professional work in aging, allied health or a related field, or who plan to work with older adults in careers such as care management, social services, or program development.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## STATE MANDATED COMMON COURSE PREREQUISITES - AGING SCIENCES B.S.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

STA X122 Social Science Statistics or QMB X150 or STA X014 or STA X023 or STA X024 or QMB X100 - 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

## REQUIRED COURSES: (36 CREDIT HOURS)

### MAJOR CORE COURSES: 7 COURSES; 21 CREDIT HOURS

- GEY 2000 - Introduction to Aging Sciences **Credit(s): 3**
- GEY 3601 - Physical Changes and Aging **Credit(s): 3**
- GEY 4401 - Research Methods in Aging **Credit(s): 3**
- GEY 4612 - Psychology of Aging **Credit(s): 3**
- GEY 4628 - Health, Ethnicity, and Aging **Credit(s): 3**
- GEY 4641 - Death and Dying **Credit(s): 3**

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## REQUIRED CAPSTONE COURSE; 1 COURSE; 3 CREDIT HOURS

---

Students will choose one.

Note: These courses are School capstone experience courses and do not qualify to meet the General Education requirement.

- GEY 4945 - Internship **Credit(s): 1-9** (Should be taken for 3 credits)
- GEY 4690 - Senior Seminar in Aging **Credit(s): 3**
- GEY 4917 - Directed Research in Aging **Credit(s): 1-4** (Should be taken for 3 credits)

---

## MAJOR (RESTRICTED) ELECTIVES: 3 COURSES; 15 CREDIT HOURS

---

B.S. students complete 15 additional elective hours. Students should meet frequently with the departmental advisor to plan courses and internship that will prepare them for their career goals.

- DEP 2004 - The Life Cycle **Credit(s): 3**
- GEY 3503 - Administration of Assisted Living Facilities **Credit(s): 3**
- GEY 3625 - Sociological Aspects of Aging **Credit(s): 3**
- GEY 4101 - Aging in Special Populations **Credit(s): 3**
- GEY 4102 - Aging in Modern Literature and Film **Credit(s): 3**
- GEY 4104 - Healthy Global Aging **Credit(s): 3**
- GEY 4322 - Care Management for Older Adults **Credit(s): 3**
- GEY 4360 - Counseling for Older Adults **Credit(s): 3**
- GEY 4475 - Program Evaluation in an Aging Society **Credit(s): 3**
- GEY 4507 - Understanding Policies and Practices of Long Term Care **Credit(s): 3**
- GEY 4520 - Legal Aspects of Health Care Administration **Credit(s): 3**
- GEY 4608 - Alzheimer's Disease Management **Credit(s): 3**
- GEY 4632 - Economics of Aging **Credit(s): 3**
- GEY 4635 - Business Management in an Aging Society **Credit(s): 3**
- GEY 4647 - Ethical and Legal Issues in Aging **Credit(s): 3**
- GEY 4900 - Directed Readings in Aging **Credit(s): 1-3**

---

## AGING SCIENCES B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Concentration in Aging Sciences/Gerontology are available in the following majors:

- Bachelor of Science in Applied Science: Aging Sciences, offered through Undergraduate Studies
- Bachelor of General Studies: Aging Sciences, offered through Undergraduate Studies
- Bachelor of Arts in Interdisciplinary Social Sciences: Aging Sciences, offered through the College of Arts and Sciences
- Bachelor of Science in Behavioral Healthcare: Aging and Behavioral Health, offered through the College of Behavioral and Community Sciences
- Bachelor of Science in Health Sciences: Aging Health Studies, offered through the College of Arts and Sciences

---

### GRADING REQUIREMENTS

---

A grade of lower than "C-" in Aging Sciences courses will not be counted toward fulfilling the requirements for the major.

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## INTERNSHIP OPPORTUNITIES

---

Students who have completed a major portion (usually in the final 2 semesters of the program) of the Aging Sciences program of study may opt to apply for an internship to fulfill the major capstone requirement required for graduation. Internships are selective and awarded to students who demonstrate considerable professional readiness and have developed well-defined professional goals that will be enriched and advanced through an internship. Internships are typically worth 3 credit hours.

---

## RESEARCH OPPORTUNITIES - AGING SCIENCES B.S.

---

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 2912, IDS 4914 or IDS 4910 courses. These courses will not impact degree credits or GPA but will show on an official transcript to document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) will assist students in understanding the various course options.

---

## ADVISING INFORMATION - AGING SCIENCES B.S.

---

Contact the undergraduate advisor as early as possible in your career at the University of South Florida. Students should plan to meet frequently with the advisor to plan courses and internship that will prepare the student for career goals.

Undergraduate Advisor: Lucy Norstrand at [lubai@usf.edu](mailto:lubai@usf.edu).

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## LONG TERM CARE ADMINISTRATION B.S.

TOTAL DEGREE HOURS: 120

The Bachelor of Science Degree in Long Term Care Administration provides students with a basic education in gerontology and allows graduates of the program to sit for the licensure examination to become Nursing Home Administrators. It is especially appropriate for students who intend to begin working immediately following completion of the degree program.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## STATE MANDATED COMMON COURSE PREREQUISITES - LONG TERM CARE ADMINISTRATION B.S.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- ACG X021 or ACG X024 or (ACG X001 and ACG X011) - 3-6 credit hours
- ACG X071 or ACG X301 - 3 credit hours
- ECO X023 - 3 credit hours
- CGS X061 or CGS X100 or ISM X000 - 3-4 credit hours
- STA X023 - 3 credit hours

## REQUIRED COURSES: (39 CREDIT HOURS)

## MAJOR CORE COURSES: 13 COURSES; 39 CREDIT HOURS

- GEY 2000 is a pre-requisite for GEY 4608. Please register to prepare for major core courses.
- MAN 3025 is a pre-requisite for MAN 3301. Please register to prepare for major core courses.
- GEY 3601 - Physical Changes and Aging **Credit(s): 3**
- GEY 4475 - Program Evaluation in an Aging Society **Credit(s): 3**
- GEY 4507 - Understanding Policies and Practices of Long Term Care **Credit(s): 3**
- GEY 4508 - Health Care Operations **Credit(s): 3**
- GEY 4509 - Regulatory and Clinical Operations **Credit(s): 3**
- GEY 4520 - Legal Aspects of Health Care Administration **Credit(s): 3**
- GEY 4608 - Alzheimer's Disease Management **Credit(s): 3**
- GEY 4641 - Death and Dying **Credit(s): 3**

- GEY 4945 - Internship **Credit(s): 1-9** (Should be taken for 9 credits)
- ISM 3011 - Information Systems in Organizations **Credit(s): 3**
- MAN 3301 - Human Resource Management **Credit(s): 3**

## LONG TERM CARE ADMINISTRATION B.S. - ADDITIONAL INFORMATION

---

### GRADING REQUIREMENT

---

A grade of lower than "C-" in Aging Sciences and Business courses will not be counted toward fulfilling the requirements for the major.

### INTERNSHIP OPPORTUNITIES

---

A full-time (650 hours) internship is required for students completing the Bachelor of Science Degree in Long Term Care Administration. The internship, scheduled during the last semester of the program after successful completion of all major prerequisites and all but one of the required courses, is intended to prepare students for entry-level positions in nursing home administration. Students should expect to meet with the advisor the semester prior to the internship in preparation of their internship experience.

### OTHER INFORMATION

---

Students in the B.S. program will only be allowed to register for the full-time internship (GEY 4945 ) after successful completion of all major prerequisites and all but one of the required courses. Because the B.S. internship requires full-time effort, students will be allowed to take no more than three (3) credits concurrent with the B.S. internship. NOTE: a Level 2 background check is required for most Internships, possibly at the student's expense.

Students interested in either Aging Sciences or Long Term Care Administration majors should contact the School of Aging Studies <http://www.usf.edu/cbcs/aging-studies/advising/index.aspx> as early as possible in their careers at the University of South Florida.

## RESEARCH OPPORTUNITIES - LONG TERM CARE ADMINISTRATION B.S.

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## ADVISING INFORMATION - LONG TERM CARE ADMINISTRATION B.S.

---

Contact the undergraduate advisor as early as possible in your career at the University of South Florida. Students are strongly encouraged to meet each semester with the departmental advisor to plan courses and internship that will prepare the student for career goals.

## AGING SCIENCES MINOR

---

An undergraduate minor is available for students interested in pursuing careers in aging in conjunction with any undergraduate major. It may be particularly beneficial to students majoring in such disciplines as anthropology, business, communication sciences and disorders, government and international affairs, nursing, psychology, public health, health care, social work, and sociology.

---

### MINOR REQUIREMENTS

---

The minor in Aging Sciences consists of a minimum of five (5) courses (15 credit hours).

---

### TOTAL MINOR CREDIT HOURS: 15

---

---

### MINOR CORE CREDIT HOURS: 9

---

- GEY 3601 - Physical Changes and Aging **Credit(s): 3**
- GEY 3625 - Sociological Aspects of Aging **Credit(s): 3**
- GEY 4612 - Psychology of Aging **Credit(s): 3**

---

### MINOR ELECTIVE HOURS: 6

---

Six (6) additional credit hours of GEY coursework.

- GEY 2000 - Introduction to Aging Sciences **Credit(s): 3**
- GEY 4401 - Research Methods in Aging **Credit(s): 3**
- GEY 4628 - Health, Ethnicity, and Aging **Credit(s): 3**
- GEY 4641 - Death and Dying **Credit(s): 3**
- GEY 3503 - Administration of Assisted Living Facilities **Credit(s): 3**
- GEY 4692 - Professional Development and Engagement in Aging **Credit(s): 3**
- GEY 4102 - Aging in Modern Literature and Film **Credit(s): 3**

## ADDICTIONS STUDIES MINOR

TOTAL MINOR HOURS: 18

---

The Addictions Studies minor is for students seeking knowledge and skills in the field of addiction treatment and is especially valuable for those seeking state level Certification as an Addictions Professional or those seeking to prepare for a graduate program in Counseling. The Addictions Studies minor is open to all students. The minor will provide students with the skills to successfully enter the field of addictions counseling and work towards state level certification.

### MINOR REQUIREMENTS (18 HOURS)

---

- RCS 4051 - Addictions Counseling and Coordination of Services **Credit(s): 3**
- RCS 4502 - Group Counseling for Addictive Disorders **Credit(s): 3**
- RCS 4503 - Addiction Treatment with Special Populations **Credit(s): 3**  
or
- MHS 4455 - Drug Abuse Prevention and Treatment **Credit(s): 3**
- RCS 4504 - Therapeutic Communication Skills for Addiction Counseling **Credit(s): 3**

## ADDICTIONS AND SUBSTANCE ABUSE PROFESSION CERTIFICATE

TOTAL CERTIFICATE HOURS: 15

The Addictions and Substance Abuse Certificate is designed for students interested in pursuing a career working in the addiction and substance abuse field. Completion of the certificate program meets partial requirement for state certification as an addiction professional (CAP). According to the Florida Certification Board, the CAP designation is a professional substance abuse credential for people who assess, develop and provide substance abuse treatment services and plans. Individuals holding the CAP are recognized/hold the practice rights of "qualified professionals" per Chapter 397, F.S. Therefore, this credential will allow students to practice in substance abuse field. This certificate program is beneficial to persons in sociology, social work, psychology, criminology, pre-med, nursing, and any closely related human service field.

### CERTIFICATE REQUIREMENTS

#### CERTIFICATE CORE (15 CREDIT HOURS)

- RCS 4504 - Therapeutic Communication Skills for Addiction Counseling **Credit(s): 3**
- RCS 4452 - Introduction to Assessment and Treatment Approaches for Addictive Disorders **Credit(s): 3**
- RCS 4453 - Overview of Addictive Disorders **Credit(s): 3**

## ASL INTERPRETING B.A.

TOTAL DEGREE HOURS: 120

The ASL Interpreting major seeks to educate students to become sign language interpreters. The major includes instruction in both the theory and practice of sign language interpretation. A program of 49 credit hours is planned for the student majoring in ASL Interpreting. Students entering the major must demonstrate proficiency in ASL at the intermediate level prior to beginning the first semester of core courses in the major. Proficiency is demonstrated through successful completion of the ASL prerequisites courses listed below (or equivalent transfer courses) with a minimum grade of B- or higher in each course.

## CERTIFIED GLOBAL PATHWAYS PROGRAM

This program has been certified as a Global Pathway, which has significant global content. Students in Global Pathway programs are well positioned to earn the Global Citizen Award. For more information, visit the Office of High-Impact Practices and Undergraduate Research website.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - ASL INTERPRETING B.A.

Any student who receives a grade of "D+" or lower in two or more USF Communication Sciences and Disorders courses will be required to pursue major reselection. **Note:** Students may use grade forgiveness to improve GPA, but all "D+" or lower grades will count towards the maximum allowed total "D+" or lower grades in the major whether grade forgiven or not.

## STATE MANDATED COMMON COURSE PREREQUISITES - ASL INTERPRETING B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of B- is the minimum acceptable grade in prerequisite courses.

- ASL X140C Basic American Sign Language - 4 credit hours
- ASL X150C Intermediate American Sign Language - 4 credit hours
- ASL X160 **OR** ASL X160C American Sign Language III - 3-4 credit hours
- ASL X201 **OR** ASL X200 **OR** ASL X220 American Sign Language IV - 3-4 credit hours
- ASL X301 Structure of Sign Language **OR** ASL X300 Linguistics of ASL - 3 credit hours

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

**NOTE:** USF accepts ASL X160C and ASL X220C as alternatives for their respective ASL X160 and ASL X220 courses.

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

## ASL INTERPRETING B.A. - ADDITIONAL INFORMATION

### FOREIGN LANGUAGE REQUIREMENTS

In addition to the foreign language entrance requirement, all students applying for a Bachelor of Arts degree from USF must demonstrate competency in a foreign language. To demonstrate this competency, students may take either two semesters of a beginning college-level foreign language or one semester of a higher-level course and earn a letter grade of "C" (no "S" grades) or above in the appropriate level course or demonstrate equivalent competency by passing an examination. Students may fulfill this requirement by demonstrating fluency in a language other than English and proficiency in English, as demonstrated in successful coursework or examination in English.

### OTHER REQUIREMENTS

- Graduation within the ASL Interpreting major also requires successful completion of the Center for the Assessment of Sign Language Interpreters (CASLI) written NIC examination.
- Students entering the ASL Interpreting major must demonstrate proficiency in ASL at the intermediate level prior to beginning the first semester of core courses in the major. Proficiency is demonstrated through successful completion of the ASL prerequisite courses listed below (or equivalent transfer courses) with a minimum grade of B- or higher in each course.

### GPA REQUIREMENTS

Students must have an overall 2.0 GPA in core.

### GRADING REQUIREMENTS

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- A student must receive a "C-" grade or better in all courses within the major (some prerequisites may require higher minimum grades).

## RESEARCH OPPORTUNITIES - ASL INTERPRETING B.A.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## DEAF STUDIES MINOR

TOTAL MINOR HOURS: 17

---

The 17-credit hour minor is open to all students who are currently not majoring in Communication Sciences and Disorders.

### MINOR REQUIREMENTS

---

#### MINOR CORE (17 CREDIT HOURS)

---

- ASL 2140C - American Sign Language I **Credit(s): 4**
- ASL 2150C - American Sign Language II **Credit(s): 4**
- ASL 3514 - Deaf Culture **Credit(s): 3**
- SPA 3002 - Introduction to Communication Sciences and Disorders **Credit(s): 3**
- SPA 3470 - Culture and Diversity in CSD **Credit(s): 3**

### GRADING REQUIREMENT

---

A minimum grade of C- is required for each course.

### GPA REQUIREMENTS

---

A cumulative GPA of 2.00 or better must be achieved in minor coursework in order for a student to be certified for graduation with a minor in Deaf Studies.

### RESIDENCY REQUIREMENT

---

Fifty percent (50%) of the minor must be completed through USF coursework.

### OTHER REQUIREMENTS

---

Seat availability in ASL courses is limited and is first-come/first-serve, with priority consideration given to ITT and DST majors needing ASL coursework to meet a major requirement to graduate. Declaring the minor does not guarantee seat availability; therefore, students should attempt to register as soon as possible each semester.

### ADVISING INFORMATION

---

For questions about the minor, email [csdadvising@bcs.usf.edu](mailto:csdadvising@bcs.usf.edu).

## CRIMINOLOGY B.A.

TOTAL DEGREE HOURS: 120

The Bachelor of Arts degree in Criminology provides students with the skills and knowledge needed in the wide variety of agencies that comprise the criminal justice system, these include law enforcement, detention, the judiciary, corrections, juvenile justice, probation and parole. Also, the undergraduate program prepares criminology students to pursue a graduate degree in Criminology or related disciplines. The undergraduate program in Criminology introduces students to the theory, issues, and methodology of the causes of crime and the criminal justice system. The program provides students with the critical thinking skills necessary for the consumption and production of criminological research. Upon graduation, students must be able to delineate the main theoretical explanations of crime and delinquency, demonstrate knowledge of research methods used in the fields of criminology and criminal justice, and provide an understanding of the structure and process of the U.S. system of criminal justice.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - CRIMINOLOGY B.A.

Criminology majors are limited to one grade of "D+" or lower in their major coursework. Any student who receives a grade of "D+" or lower in more than one USF Criminology major course will either need to utilize grade forgiveness in order to comply with the rule or seek major reselection. Future registration in Criminology major courses will be restricted for students who are not in compliance with the "D" rule. If a student has exhausted all available grade forgiveness opportunities and remains in non-compliance with the "D" rule, the student will be required to seek major reselection.

## GRADUATION REQUIREMENTS - CRIMINOLOGY B.A.

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education, State Computation and State Communication;
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - CRIMINOLOGY B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

**There are no State Mandated Common Course Prerequisites for this major.**

## CRIMINOLOGY MAJOR REQUIREMENTS (39 CREDIT HOURS)

### CRIMINOLOGY SUPPORTING REQUIRED COURSES: 1 COURSE; 3 CREDIT HOURS

The following courses are supporting courses for this major. They are required for the major, but are not counted in the total major hours but are counted toward the total program hours of 120 credit hours. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

**NOTE:** STA 2122 **OR** STA 2023 supporting course requirement is excluded from the Major Hours, Major GPA and Major Residency.

- STA 2023 - Introductory Statistics I **Credit(s): 3 \***  
**OR**
- STA 2122 - Social Science Statistics **Credit(s): 3**

**\*Note:** STA 2023 - Introductory Statistics I, OR PSY 3204 - Psychological Statistics, OR EGN 3443 - Probability and Statistics for Engineers will satisfy the STA 2122 - Social Science Statistics requirement.

### MAJOR CORE COURSES: 4 COURSES; 12 CREDIT HOURS

- CCJ 3024 - Survey of the Criminal Justice System **Credit(s): 3**
- CCJ 3117 - Theories of Criminal Behavior **Credit(s): 3**
- CCJ 3701 - Research Methods in Criminal Justice I **Credit(s): 3**
- CCJ 4934 - Seminar in Criminology **Credit(s): 3**

### CRIMINOLOGY MAJOR (RESTRICTED) ELECTIVES: 8 COURSES; 24 CREDIT HOURS

Students complete a Criminology program of study or the below concentration:

- Cybercrime

### GENERAL CRIMINOLOGY MAJOR ELECTIVES 8 COURSES; 24 CREDIT HOURS

Choose 8 courses (24 credit hours) of electives from the following list of courses.

Note: CCJ 4940 may be taken S/U.

## CRIMINOLOGY B.A. - ADDITIONAL INFORMATION

### FOREIGN LANGUAGE REQUIREMENTS

In addition to the foreign language entrance requirement, all students applying for a Bachelor of Arts degree from USF must demonstrate competency in a foreign language. To demonstrate this competency, students may take either two semesters of a beginning college-level foreign language or one semester of a higher-level course and earn a letter grade of "C" (no "S" grades) or above in the appropriate level course or demonstrate equivalent competency by passing an examination. Students may fulfill this requirement by demonstrating fluency in a language other than English and proficiency in English, as demonstrated in successful coursework or examination in English.

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## GPA REQUIREMENTS

---

An overall 2.0 GPA average on all college-level coursework.

## GRADING REQUIREMENTS

---

In order to graduate, students must maintain an average best attempt 2.0 GPA in all courses counted toward the major.

## RESIDENCY REQUIREMENTS

---

A minimum of 30 credit hours of major course work must be taken in residence at the University of South Florida. Therefore, no more than 6 credit hours of transfer work (two courses) will be accepted to meet major requirements.

## INTERNSHIP OPPORTUNITIES

---

The department provides all students with the opportunity to engage in an internship with a federal, state or local criminal justice related agency within one of the surrounding counties. Internships available with more than 100 agencies afford students the opportunity to network and gain practical experience in conjunction with their degree. Internships may be taken for up to nine (9) credit hours of Criminology electives, and grades are awarded on a S/U (satisfactory/unsatisfactory) basis. To meet eligibility requirements for the internship, students must successfully complete CCJ 3024 , CCJ 3117 , six (6) hours of Criminology electives, and have a USF and a major GPA of 2.0 or higher.

## RESEARCH OPPORTUNITIES - CRIMINOLOGY B.A.

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## CRIMINOLOGY B.A., WITH CYBERCRIME CONCENTRATION

TOTAL DEGREE HOURS: 120

The Cybercrime Concentration within Criminology provides an understanding of human behavior in cyberspace. The Cybercrime Concentration particularly focuses on the etiology of crime and deviance in cyberspace, correlates of cybervictimization, legal and social issues related to cybercrime, digital forensics, and ways to combat and prevent cybercrime.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - CRIMINOLOGY B.A.

Criminology majors are limited to one grade of "D+" or lower in their major coursework. Any student who receives a grade of "D+" or lower in more than one USF Criminology major course will either need to utilize grade forgiveness in order to comply with the rule or seek major reselection. Future registration in Criminology major courses will be restricted for students who are not in compliance with the "D" rule. If a student has exhausted all available grade forgiveness opportunities and remains in non-compliance with the "D" rule, the student will be required to seek major reselection.

## GRADUATION REQUIREMENTS - CRIMINOLOGY B.A.

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education, State Computation and State Communication;
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - CRIMINOLOGY B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

**There are no State Mandated Common Course Prerequisites for this major.**

## **CRIMINOLOGY MAJOR REQUIREMENTS (39 CREDIT HOURS)**

---

### **CRIMINOLOGY SUPPORTING REQUIRED COURSES: 1 COURSE; 3 CREDIT HOURS**

---

The following courses are supporting courses for this major. They are required for the major, but are not counted in the total major hours but are counted toward the total program hours of 120 credit hours. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

**NOTE:** STA 2122 **OR** STA 2023 supporting course requirement is excluded from the Major Hours, Major GPA and Major Residency.

- STA 2023 - Introductory Statistics I **Credit(s): 3 \***  
**OR**
- STA 2122 - Social Science Statistics **Credit(s): 3**

**\*Note:** STA 2023 - Introductory Statistics I, OR PSY 3204 - Psychological Statistics, OR EGN 3443 - Probability and Statistics for Engineers will satisfy the STA 2122 - Social Science Statistics requirement.

### **MAJOR CORE COURSES: 4 COURSES; 12 CREDIT HOURS**

---

- CCJ 3024 - Survey of the Criminal Justice System **Credit(s): 3**
- CCJ 3117 - Theories of Criminal Behavior **Credit(s): 3**

## CRIMINOLOGY B.A. - ADDITIONAL INFORMATION

---

### FOREIGN LANGUAGE REQUIREMENTS

---

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

In addition to the foreign language entrance requirement, all students applying for a Bachelor of Arts degree from USF must demonstrate competency in a foreign language. To demonstrate this competency, students may take either two semesters of a beginning college-level foreign language or one semester of a higher-level course and earn a letter grade of "C" (no "S" grades) or above in the appropriate level course or demonstrate equivalent competency by passing an examination. Students may fulfill this requirement by demonstrating fluency in a language other than English and proficiency in English, as demonstrated in successful coursework or examination in English.

## GPA REQUIREMENTS

---

An overall 2.0 GPA average on all college-level coursework.

## GRADING REQUIREMENTS

---

In order to graduate, students must maintain an average best attempt 2.0 GPA in all courses counted toward the major.

## RESIDENCY REQUIREMENTS

---

A minimum of 30 credit hours of major course work must be taken in residence at the University of South Florida. Therefore, no more than 6 credit hours of transfer work (two courses) will be accepted to meet major requirements.

## INTERNSHIP OPPORTUNITIES

---

The department provides all students with the opportunity to engage in an internship with a federal, state or local criminal justice related agency within one of the surrounding counties. Internships available with more than 100 agencies afford students the opportunity to network and gain practical experience in conjunction with their degree. Internships may be taken for up to nine (9) credit hours of Criminology electives, and grades are awarded on a S/U (satisfactory/unsatisfactory) basis. To meet eligibility requirements for the internship, students must successfully complete CCJ 3024 , CCJ 3117 , six (6) hours of Criminology electives, and have a USF and a major GPA of 2.0 or higher.

## RESEARCH OPPORTUNITIES - CRIMINOLOGY B.A.

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## FORENSIC STUDIES AND JUSTICE B.S.

TOTAL DEGREE HOURS: 120

The Bachelor of Science in Forensic Studies and Justice provides pre-law and law enforcement-minded students with a critical analytical education to help improve the use of evidence in investigations, especially in the criminal justice system. The major teaches about forensic applications in criminal justice, cognitive biases, structured analytical techniques, and case study analysis within a systems thinking paradigm to provide a solid background to reduce errors in and improve investigations. The objective of the undergraduate major in Forensic Studies and Justice is to develop a sound educational basis either for law school, graduate work, or professional training in one or more of the technical areas comprising the modern criminal justice system, like investigators, analysts, agents, or technicians at the local, state, and federal levels. By tailoring electives, students can create areas of professional emphasis like white-collar crime, human trafficking, victims' advocates, environmental crimes, and others.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - FORENSIC STUDIES AND JUSTICE B.S.

Forensic Studies and Justice majors are limited to one grade of "D+" or lower in their major coursework. Any student who receives a grade of "D+" or lower in more than one USF major course will either need to utilize grade forgiveness in order to comply with the rule or seek major reselection. Future registration in the major courses will be restricted for students who are not in compliance with the "D" rule. If a student has exhausted all available grade forgiveness opportunities and remains in non-compliance with the "D" rule, the student will be required to seek major reselection.

## GRADUATION REQUIREMENTS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education, State Computation and State Communication;
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - FORENSIC STUDIES AND JUSTICE B.S

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

**There are no State Mandated Common Prerequisites for this degree program.**

## REQUIRED COURSES (24 CREDIT HOURS)

### SUPPORTING REQUIRED COURSES: 1 COURSE; 3 CREDIT HOURS

- STA 2122 - Social Science Statistics **Credit(s): 3**  
or
- STA 2023 - Introductory Statistics I **Credit(s): 3**

### MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

- CCJ 3024 - Survey of the Criminal Justice System **Credit(s): 3**
- CCJ 3117 - Theories of Criminal Behavior **Credit(s): 3**
- CCJ 3701 - Research Methods in Criminal Justice I **Credit(s): 3**

### OTHER REQUIRED COURSES: 4 COURSES; 12 CREDIT HOURS

- CJE 4244 - Analytic Forensic Case Studies **Credit(s): 3**
- CCJ 4487 - Ethics and the Criminal Justice System **Credit(s): 3**
- CJE 3650 - Introduction to Forensic Science **Credit(s): 3**
- CJE 4731 - Forensic Investigations **Credit(s): 3**

### MAJOR (RESTRICTED) ELECTIVES: 5 COURSES; 15 CREDIT HOURS

**Students choose 15 credit hours from the following list of courses:**

- CCJ 3621 - Patterns of Criminal Behavior **Credit(s): 3**
- CCJ 3666 - Victimology **Credit(s): 3**
- CCJ 4450 - Criminal Justice Administration **Credit(s): 3**

## FORENSIC STUDIES AND JUSTICE B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

No more than six (6) hours of CCJ 4900, CCJ 4910 or any combination of the two will be accepted toward the minimum number of hours in the major.

### GPA REQUIREMENTS

---

2.00 or higher Major GPA.

### GRADING REQUIREMENTS

---

In order to graduate, students must maintain an average best attempt 2.0 GPA in all courses counted toward the major.

### RESIDENCY REQUIREMENTS

---

These residence requirements are designed to ensure that transfer students who subsequently receive their baccalaureate degree from the University of South Florida with a major in Forensic Studies will have been exposed to the same body of knowledge in their major as those students who complete all or a major portion of their coursework at the University of South Florida.

## RESEARCH OPPORTUNITIES - FORENSIC STUDIES AND JUSTICE B.S.

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) of is able to assist with further inquiries.

## BEHAVIORAL HEALTHCARE B.S., WITH APPLIED BEHAVIOR ANALYSIS CONCENTRATION

TOTAL DEGREE HOURS: 120

Service delivery to individuals with developmental disabilities, Autism spectrum disorders, and other behaviors that may limit functioning is addressed with very specific behavioral techniques. This concentration is appropriate for individuals desiring certification in the field or as a complement to other service delivery strategies. Behavioral health problems, such as mental and substance use disorders, are among the greatest public health challenges facing our communities. New, scientifically-based approaches are available to treat and prevent many behavioral health problems. Students will be exposed to treatment approaches as well as to issues in the organization, financing, delivery, and outcomes of behavioral health services. The emphasis of the curricula is on practices that have been scientifically validated and the delivery of services within the context of current funding, policies and trends. Students must also demonstrate behaviors that are congruent with the professional standards and values of the profession. Students desiring a career in this field should be aware that fingerprinting, a background check, and drug screen may be required to work in this field. Failure to pass one of these checks would be cause to terminate a student from the major. Students may be responsible for any associated costs.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - BEHAVIORAL HEALTHCARE B.S

Behavioral Healthcare majors are limited to two (2) grades of "D+" or lower in their major coursework. Any student who receives a grade of D+ or lower in more than two (2) major courses will be required to seek major reselection. Note: Students may use grade forgiveness to improve GPA, but all "D+" or lower grades will count toward the maximum allowed total "D+" grades, regardless of whether grade forgiveness has been applied.

## STATE MANDATED COMMON COURSE PREREQUISITES - BEHAVIORAL HEALTHCARE B.S.

Students wishing to transfer to USF should complete an A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education requirements thereby transferring maximum hours to the university.

If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Transfer students are also required to comply with the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- PSY X012 Introduction to Psychological Science - 3 credit hours
- STA XXXX Any level Statistics course or PSY X204 Psychological Statistics - 3 credit hours
- SYG X000 Introduction to Sociology or SYG X010 Contemporary Social Problems - 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with their academic advisor in their major degree area.

## BEHAVIORAL HEALTHCARE REQUIRED COURSES (42 CREDIT HOURS)

---

### MAJOR CORE COURSES: 7 COURSES; 21 CREDIT HOURS

---

- MHS 2031 - Mental Health and Addictive Disorders **Credit(s): 3**
- MHS 3063 - Cultural Diversity, Health and Behavioral Health **Credit(s): 3**
- MHS 3411 - Multidisciplinary Behavioral Healthcare Services **Credit(s): 3 \***
- MHS 3753 - Research Methods in Behavioral Healthcare **Credit(s): 3**
- MHS 4408 - Exemplary Practices in Behavioral Healthcare Treatment **Credit(s): 3**
- MHS 4703 - Legal, Ethical and Professional Issues in BHC **Credit(s): 3**
- MHS 4723 - Professional Seminar in Behavioral Healthcare **Credit(s): 3**

**NOTE:** \*MHS 3411 should be taken during the student's first semester of major coursework; a minimum grade of "B-" is required.

## APPLIED BEHAVIOR ANALYSIS CONCENTRATION: 7 COURSES; 21 CREDIT HOURS

---

### CONCENTRATION CORE: 1 COURSE; 3 CREDIT HOURS

---

- MHS 4002 - Behavioral Health Systems Delivery **Credit(s): 3**  
**OR**
- MHS 4490 - Behavioral Healthcare Issues for Children **Credit(s): 3**

### CONCENTRATION REQUIRED COURSES: 6 COURSES; 18 CREDIT HOURS

---

- MHS 3204 - Fundamentals of Applied Behavior Analysis **Credit(s): 3**
- MHS 4202 - Behavioral Assessment and Intervention Planning **Credit(s): 3**
- MHS 4206 - Applied Behavior Analysis in Autism and Development Disabilities **Credit(s): 3**
- MHS 4412 - Research Methods and Ethical Issues in Behavior Analysis **Credit(s): 3**
- MHS 4704 - Ethics, Supervision, and Management in Applied Behavior Analysis **Credit(s): 3**
- MHS 4943 - Practicum Seminar in Applied Behavior Analysis **Credit(s): 3**

## BEHAVIORAL HEALTHCARE B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must maintain a minimum cumulative GPA of 2.50 in major coursework while enrolled in the program. Students falling below the 2.50 GPA requirement will be allowed no more than one semester to improve their GPA to the threshold.

### GRADING REQUIREMENT

---

A grade of lower than "C-" in any Behavioral Healthcare major course will not be counted toward fulfilling the requirements for the major.

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## RESIDENCY REQUIREMENT

---

At least 18 hours of major coursework must be taken in residence at USF Tampa.

## OTHER INFORMATION

---

A concentration in Behavioral Healthcare is offered through the Bachelor of Science in Applied Science (BSAS) degree program for Florida A.S. transfers as well as the Bachelor of General Studies (BGS) for returning students. Both majors are offered through Undergraduate Studies.

A concentration in Multidisciplinary Behavioral Sciences is available through the Interdisciplinary Social Sciences (ISS) major, which is offered by the College of Arts and Sciences.

---

## RESEARCH OPPORTUNITIES - BEHAVIORAL HEALTHCARE B.S.

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4910 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## BEHAVIORAL HEALTHCARE B.S., WITH BEHAVIORAL HEALTH ACROSS THE LIFESPAN CONCENTRATION

TOTAL DEGREE HOURS: 120

The B.S. in Behavioral Healthcare prepares students for entry-level positions in agencies that provide a variety of treatment services for individuals with diagnosed mental health, substance use, and/or behavioral issues. Other students may be preparing for graduate programs in human services and/or research. The program provides students with three options for concentration in (1) Behavioral Health Across the Lifespan, (2) Children's Behavioral Healthcare, (3) Applied Behavior Analysis. The curriculum emphasizes evidence-based practices utilizing a recovery-focused, holistic and strength-based approach to behavioral healthcare.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

## BEHAVIORAL HEALTHCARE B.S., WITH CHILDREN'S BEHAVIORAL HEALTHCARE CONCENTRATION

TOTAL DEGREE HOURS: 120

Not-for-profit agencies in the community provide services that address a wide spectrum of children's issues ranging from prevention to inpatient or residential care. This concentration is designed for students considering a career in children's mental health.

### UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - BEHAVIORAL HEALTHCARE B.S

Behavioral Healthcare majors are limited to two (2) grades of "D+" or lower in their major coursework. Any student who receives a grade of D+ or lower in more than two (2) major courses will be required to seek major reselection. Note: Students may use grade forgiveness to improve GPA, but all "D+" or lower grades will count toward the maximum allowed total "D+" grades, regardless of whether grade forgiveness has been applied.

### STATE MANDATED COMMON COURSE PREREQUISITES - BEHAVIORAL HEALTHCARE B.S.

Students wishing to transfer to USF should complete an A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education requirements thereby transferring maximum hours to the university.

If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Transfer students are also required to comply with the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted.

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- PSY X012 Introduction to Psychological Science - 3 credit hours
- STA XXXX Any level Statistics course or PSY X204 Psychological Statistics - 3 credit hours
- SYG X000 Introduction to Sociology or SYG X010 Contemporary Social Problems - 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with their academic advisor in their major degree area.

## BEHAVIORAL HEALTHCARE B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must maintain a minimum cumulative GPA of 2.50 in major coursework while enrolled in the program. Students falling below the 2.50 GPA requirement will be allowed no more than one semester to improve their GPA to the threshold.

### GRADING REQUIREMENT

---

A grade of lower than "C-" in any Behavioral Healthcare major course will not be counted toward fulfilling the requirements for the major.

### RESIDENCY REQUIREMENT

---

At least 18 hours of major coursework must be taken in residence at USF Tampa.

### OTHER INFORMATION

---

A concentration in Behavioral Healthcare is offered through the Bachelor of Science in Applied Science (BSAS) degree program for Florida A.S. transfers as well as the Bachelor of General Studies (BGS) for returning students. Both majors are offered through Undergraduate Studies.

A concentration in Multidisciplinary Behavioral Sciences is available through the Interdisciplinary Social Sciences (ISS) major, which is offered by the College of Arts and Sciences.

## RESEARCH OPPORTUNITIES - BEHAVIORAL HEALTHCARE B.S.

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4910 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## ADVISING INFORMATION - BEHAVIORAL HEALTHCARE B.S.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## SOCIAL WORK B.S.W.

TOTAL DEGREE HOURS: 120

The University of South Florida offers a program of study leading to a Bachelor of Social Work (B.S.W.) degree in the School of Social Work, College of Behavioral & Community Sciences. The B.S.W. has been developed in accordance with the guidelines of the Council on Social Work Education, the national accrediting body for social work education programs, and in accordance with the recommendations of the National Association of Social Workers (NASW). The B.S.W. program is fully accredited by the Council on Social Work Education. The BSW program has as its primary objective to prepare and graduate professionals for entry level positions in areas such as mental health, aging services, or residential treatment. The secondary objectives of the B.S.W. program are to:

1. Provide for the social work human resources needs of the university service district (the central Florida west coast area), the State of Florida, and the Southeast Region;
2. Provide an exposure to social work as a profession and to contemporary issues in the social welfare field;
3. Prepare graduates for additional professional training at the graduate level in social work or in related human service professions.

In preparing the BSW graduate for beginning professional practice, the curriculum provides students with an opportunity to develop a knowledge base and skill base as a "generalist" practitioner. Students will develop an understanding of various methods of intervention and skills and how to apply these to a variety of client systems. Intervention methods that students will learn may take the form of case management, individual and group counseling, resource development, consultation, teaching, advocacy, etc. Client systems in this context include individuals, families, groups, organizations, or communities. Students in the BSW program will develop an understanding of the dynamics of human behavior in individual, group and organizational contexts and the influences of the socio-cultural and spiritual environments / influences upon human behavior. Students in the BSW program will also learn about the development of social welfare systems and institutions and about the social, economic, and political processes, policy development and program implementation that impact client systems. Students will develop an understanding of the utilization of basic social research skills particularly related to the processes of problem-solving, planning, and evaluation. Students in the BSW program will also gain awareness of the social work profession's value base, engage in self-examination and reflection to empower their ethical and effective application of social work values in professional practice. The BSW program places great emphasis on the development of a professionally responsible graduate in terms of one's obligations to the client system served, the profession itself, the organization in which one works, and to the general public.

### CERTIFIED GLOBAL PATHWAYS PROGRAM

This Bachelor of Social Work (B.S.W.) program is certified as a Global Pathway program. Global Pathway programs have significant global content that align with the goals of USF's Quality Enhancement Plan, the Global Citizens Project. USF fosters three primary qualities that global citizens possess, i.e., global awareness, global responsibility and global participation. These are consistent with social work values. Study abroad opportunities are available through the School of Social Work and have included travel to India, Spain, and Peru. Students in Global Pathway programs are well positioned to earn the Global Citizen Award. For more information, visit the Office of High-Impact Practices and Undergraduate Research website.

## UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## **PROGRESSION REQUIREMENTS - SOCIAL WORK B.S.W.**

---

Students enrolled in the BSW program must maintain a minimum GPA of 2.75 in core courses in the major while enrolled in the program, and, demonstrate behaviors that are congruent with professional standards and values as described by the National Association of Social Work in order to remain in the major.

Completion of the five common course prerequisites with a minimum grade of "C" or better (2.0) in each course. A grade of "C-" is not acceptable.

Students must successfully complete their BSW core courses by earning a "C" or better. A grade of "C-" is not acceptable.

If Introduction to Social Work is completed at another institution, the student must have earned a grade of "B" or better in that course.

A syllabus must be provided by the student and reviewed in the School of Social Work prior to approval of any transfer of social work courses.

If a student withdraws or fails one course in the BSW Program (C- or lower) the student may retake the course one time. If that effort results in a failure, the student will be dismissed from the BSW Program. If a student receives a grade of "C-" or lower in two or more USF Social Work courses, they will be dismissed from the BSW Program.

A student who withdraws from or fails SOW 4510C - Integrative Seminar and Field Placement, or is dismissed from a field placement will not automatically be allowed to retake SOW 4510C. In such cases, special permission to retake SOW 4510C must be obtained from the BSW Chair. If granted permission to retake SOW 4510C, the student is required to register again for the course. When permission is given to retake SOW 4510C, the 460-hour field placement must be completed within the single semester for which the permission is given (A split-field placement is not an option if the student has withdrawn from, failed SOW 4510C, or been dismissed from a field placement).

**Course Grade Requirement:** SOW 3203 - Introduction to Social Work requires a minimum grade of "B" for eligibility into the major. A grade of "B-" is not acceptable

## **STATE MANDATED COMMON COURSE PREREQUISITES - SOCIAL WORK B.S.W.**

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- BSC X005 or BSC X085 or BSC X010 or PCB X099 - 3 credit hours
- ECO X000 or ECO X023 or ECO X013 - 3 credit hours
- PSY X012 - 3 credit hours
- SYG X000 or SYG X010 - 3 credit hours
- POS X041 - 3 credit hours

## **REQUIRED FOUNDATION COURSE FOR THE MAJOR (3 CREDIT HOURS)**

---

This course is open to all majors, but it is a prerequisite and foundation course for the Social Work major. Students typically take this course at USF.

### **Students must take the following courses during their first semester admitted in the program (15 credit hours):**

- SOW 3101 - Human Behavior and the Social Environment I **Credit(s): 3**
- SOW 3210 - The American Social Welfare System **Credit(s): 3**
- SOW 3401 - Research and Statistics For Social Work **Credit(s): 3**
- SOW 4341 - Multi-Methods of Social Work Practice I: Micro-System Intervention **Credit(s): 3**
- SOW 4522 - Multicultural America in a Global Society **Credit(s): 3**

### **Once the above courses have been successfully completed, students must take the following courses during their 2nd semester in the program (14 credit hours):**

- SOW 3102 - Human Behavior and the Social Environment II **Credit(s): 3**
- SOW 4233 - Social Welfare Policy and Program Analysis **Credit(s): 3**
- SOW 4315 - Social Work Case Management with Special Populations **Credit(s): 3**
- SOW 4343 - Multi-Methods of Social Work Practice II: Macro-System Intervention **Credit(s): 3**
- SOW 4414 - Social Work Data Management **Credit(s): 2**

### **Once all above courses have successfully been completed, students must take the following courses (12 credit hours):**

- SOW 4510C - Integrative Seminar and Field Placement **Credit(s): 9**
- SOW 4602 - Social Work Practice in Mental Health and Health Care **Credit(s): 3**

## **SOCIAL WORK B.S.W. - ADDITIONAL INFORMATION**

---

### **FOREIGN LANGUAGE REQUIREMENTS**

---

Students must meet the University's FLENT (Foreign Language Entrance Requirement), which requires successful completion of two high school credits in one foreign language or successful completion of 2 semesters (8 credits) in one foreign language in college, or demonstrating equivalent foreign language competence on the basis of scores determined by the ACC CLEP or demonstrating equivalent foreign language competence through other means approved by USF (such as a Placement Exam). American Sign Language may also be completed for FLENT.

### **INTERNSHIP OPPORTUNITIES**

---

Hands-on, practical experience is integrated in the core curriculum through the 460 hours of field placement that students complete during their final semester in the program. The School of Social Work has partnerships for the field experiences with an abundance of agencies in the surrounding communities. Students have many choices for the populations and environments in which they would like to develop their skills and prepare for professional employment. Internship (field placement) areas include child welfare, substance abuse, medical social work, mental

# COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

health, children and adolescent services, forensic mental health, domestic violence, veteran's services, court/justice system, crisis management, elder care, hospice and homelessness.

## OTHER INFORMATION

- USF Bachelor of Science Social Work graduates may be eligible for admission into USF's Master of Social Work Advanced Standing programs.
- Membership in the National Social Work Honor Society, Phi-Alpha/Delta Sigma chapter at the University of South Florida is available to students who meet eligibility criteria. Phi Alpha is a national honor society for social work students who have attained excellence in scholarship. Its mission is to provide a network among students of social work and to promote humanitarian goals and ideals.

## RESEARCH OPPORTUNITIES - SOCIAL WORK B.S.W.

The diverse research interests of the faculty in the School of Social Work provide a wide array of opportunities for students to interface with evidence based research studies. Current research interests include treatment of childhood trauma; quality of care outcomes for vulnerable populations with particular emphasis on older adults with co-occurring mental and physical health disorders; health effects of intimate partner violence; implications of health care practices and interventions involving Latinos; reduction of health and mental health disparities for Haitians, and the development of psycho-social resources in community and long-term care settings.

## ACCREDITATION INFORMATION - SOCIAL WORK B.S.W.

The School of Social Work programs are accredited by the Council on Social Work Education (CSWE).

## ADVISING INFORMATION - SOCIAL WORK B.S.W.

Advising is available in office, by phone and email. We welcome students to contact our advisor to learn more about the social work profession and the BSW degree.

Justine Leigh; MSW; 813-974-7292; justinen@usf.edu; MHC 1405.

## 4 YEAR PLAN OF STUDY - SOCIAL WORK B.S.W.

## Muma College of Business

---

### About the College

---

<http://www.usf.edu/business/>

The Muma College of Business offers courses of study leading to both undergraduate and graduate degrees. All degree programs in the Muma College of Business are fully accredited by AACSB International — The Association to Advance Collegiate Schools of Business.

### Mission and Vision

---

#### Mission

We emphasize creativity and analytics to promote student success, produce scholarship with impact, and engage with all stakeholders in a diverse global environment.

#### Vision

Transforming minds: Transforming business. We aspire to be internationally recognized for developing business professionals who provide analytical and creative solutions in a global environment.

### Accreditation

---

The Muma College of Business offers courses of study leading to both undergraduate and graduate degrees. All degree programs in the Muma College of Business are fully accredited by AACSB International — The Association to Advance Collegiate Schools of Business.

AACSB provides internationally recognized, specialized accreditation for business and accounting programs at the bachelor's, master's, and doctoral level. The AACSB Accreditation Standards challenge post-secondary educators to pursue excellence and continuous improvement throughout their business programs. AACSB Accreditation is known, worldwide, as the longest standing, most recognized form of specialized/professional accreditation an institution and its business programs can earn. AACSB-accredited schools have the highest quality faculty, relevant and challenging curriculum, and provide educational and career opportunities that are not found at other business schools.

### Admission Requirements for the Muma College of Business

---

#### Specialized Admissions Programs

The following programs are offered as specialized admissions programs: Advertising, Accounting, Business Analytics and Information Systems, Entrepreneurship\*\*, Finance, General Business Studies, Global Business, Information Assurance and Cybersecurity Management, Marketing, and Management.

Students interested in pursuing a degree in the above areas offered by the Muma College of Business must complete the required prerequisites for entering the College in addition to other related criteria listed below.

- Minimum of 60 semester hours of college credit earned
- Minimum cumulative grade point average of 2.5 on all college-level work and a minimum of 2.0 on all credit attempted at USF, including any prior to renewal.
- Completion of the following State Mandated Common Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA:
  - ACG X021/ACG X022 Financial Accounting (or ACG X001 & ACG X011)\*
  - ACG X071 Managerial Accounting (or X301)\*
  - CGS X100 Computers in Business (or acceptable Substitute, i.e., CGS X100C, CGS X530, CGS X570, CGS X531, CGS X0000, MAN X812)
  - ECO X013 Principles of Macroeconomics
  - ECO X023 Principles of Microeconomics

# MUMA COLLEGE OF BUSINESS

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- MAC X233 Elementary Calculus or MAC X230
- STA X023 Introductory Statistics or QMB X100 or STA X122 (STA X023 and QMB X100 are preferred)

\*Accounting majors must earn a C not C- in ACG 2021 & ACG 2071.

\*\* Entrepreneurship majors must also complete a leadership course as a required pre-requisite.

In computing entry grade point average all business and economics courses taken for S or U grades will be converted to C or F, respectively.

A minimum score of 550 on paper and pencil or 213 on computerized TOEFL is required, when applicable.

Students must be admitted to the Muma College of Business at least one term before their anticipated graduation date.

For more information, see the General Requirements at the Muma College of Business website <http://www.usf.edu/business/undergraduate/requirements-general.aspx>

### Admission Requirements for Non-Specialized Admissions Programs

---

Muma College of Business offers the following non-specialized admissions programs: Hospitality Management, Risk Management and Insurance, and Supply Chain Management.

**Hospitality Management:** Students must have a 2.0 overall and USF GPA and complete the following State Mandated Common Course Prerequisites:

- ACG X021 or ACG X022 or (ACG X001 and ACG X011) - 3 credit hours
- ACG X071 - 2-3 credit hours
- ECO X013 - 3 credit hours
- ECO X023 - 3 credit hours

**Risk Management and Insurance:** To matriculate to the upper-division courses required for the B.S/RMI, students must earn a minimum grade of C- in the following courses and an overall 2.0 GPA in all seven (7) courses:

- Financial Accounting: ACG X021/ACG X022 (or ACG X001 & ACG X011)
- Managerial Accounting: ACG X071 (or ACG X301)
- Computers in Business: CGS X100 (or acceptable substitute)
- Principles of Macroeconomics: ECO X013
- Principles of Microeconomics: ECO X023
- Elementary Calculus: MAC X233 or MAC X230
- Statistics: QMB X100 or STA X023 or STA X122

**Supply Chain Management:** Completion of the following Common Prerequisites with a grade of B- or higher in each course:

- ECO X013
- ECO X023
- MAC X233 or MAC X311 Analytic Geometry and Calculus I or MAC X281
- QMB X100 or STA X023 Statistics or STA X024 or STA X122 or STA X032 or STA X037 or ESI X213
- ACG X021 Principles of Financial Accounting or ACG X022 or (ACG X001 and ACG X011)
- ACG X071 Principles of Managerial Accounting or ACG X301 or ACG X072
- CGS X100 or CGS X570 or CGS X531 or CGS X092 or BUL X241 Law, Public Policy, Negotiation & Business or PHI X600 or BUL X131 or MAN X440 or GEB X350

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## Admission Requirements for First Time in College Students

---

First time in college students who meet the criteria below are granted direct entry to the Muma College of Business.

- Admitted for Fall semester entry to USF as a degree seeking student OR
- Test scores: SAT minimum 1210, Math 570 or ACT 25, Math 25 AND
- Minimum weighted high school GPA: 3.5

First time in college students must meet the entrance requirements for their major, including GPA and state mandated pre-requisite courses, to enroll in upper-level major courses.

## Early Admissions Program – The Bulls Business Network

---

Membership in the Bulls Business Network (BBN) is open to first time in college students who have completed a USF application and declared an intent to major in business, and meet the FTIC admission requirements (listed above). These freshmen are admitted directly to the Muma College of Business upon admission to USF (while the majority of students are fully admitted to the business college after two years of general course requirements). BBN members are eligible to live in the Bulls Business Community or the Zimmerman Advertising Program Community, residential programs described in the following section. BBN students have the opportunity to avoid mass lecture classes as smaller sections of core business classes are reserved exclusively for BBN members (availability is limited and determined by academic performance each semester). Students in the BBN may apply for special business scholarships as well as join business student organizations normally restricted only to juniors and seniors. For admission criteria, visit <http://www.usf.edu/business/undergraduate/bbn/>.

## Living-Learning Communities - The Bulls Business Community or Zimmerman Advertising Program (ZAP)

---

Freshmen are encouraged to live on campus for the first year. As part of the Bulls Business Network, students are eligible to apply to the business-themed living learning communities, the Bulls Business Community (BBC) and Zimmerman Advertising Program Community (ZAP). Here, students are offered very different programming opportunities. An exclusive academic advisor and a graduate assistant aid students as they navigate the university and the college. Dinners with the dean, meetings with CEO's of various Tampa Bay businesses, improv sessions, study abroad opportunities, company tours and etiquette dinners are just a few of the beyond the books experiences provided to more than 100 business students living in Juniper Poplar. In addition, all BBC/ZAP students have the opportunity to apply to the Honors Program in Business. For further information about the BBC or ZAP please visit <https://www.usf.edu/business/undergraduate/bbc/>.

## Honors Programs

---

The Business Honors Program at the University of South Florida is one of the most prestigious programs established to inspire passion and nurture exemplary potential in students. Our program blends rigorous coursework and research activities with special residential, service, international, and applied learning opportunities found inside and outside of the classroom. The Business Honors Program brings together distinct features that include:

- Small classes that enhance learning
- Study abroad program geared toward understanding the global business environment
- Summer internship opportunities with top-rated business companies
- Comprehensive study in research and computational methods
- Research opportunities associated with your Honors thesis
- Corporate mentoring with industry leaders
- Personalized advising

For more information, see <http://www.usf.edu/business/undergraduate/honors/program.aspx>.

## Transfer Student Admission Requirements

---

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

In addition to general admission requirements, transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF. For more information, see <http://www.usf.edu/business/undergraduate/requirements-transfer.aspx>.

Students who transfer to the USF Muma College of Business must meet the following admission guidelines below:

1. Minimum of 60 semester hours of college credit earned.
2. Minimum cumulative grade point average of 2.5 on all college-level work (for specialized admissions programs) and a minimum of 2.0 on all credit attempted at USF, including any prior to renewal.
3. Completion all state mandated prerequisite courses with a grade of C- or better in each course and an overall 2.0 GPA in all seven (7) courses. The courses are:
  - Financial Accounting\*: ACG X021/ACG X022 (or ACG X001 & ACG X011)
  - Managerial Accounting: ACG X071 (or ACG X301)
  - Computers in Business: CGS X100 (or acceptable substitute)
  - Principles of Macroeconomics: ECO X013
  - Principles of Microeconomics: ECO X023
  - Elementary Calculus\*\*: MAC X233 or MAC 2230
  - Statistics\*\*: QMB 2100 or STA 2023

\*Accounting majors must earn a C not C- in ACG 2021 & ACG 2071.

\*\*Hospitality Management majors only complete ECO 2013, ECO 2023, ACG 2021, and ACG 2071.

### NOTES:

- Entrepreneurship majors must complete a leadership course in addition to the seven pre-requisite courses listed above.
- Supply Chain Management majors must earn a B- or better in each of the seven pre-requisite courses listed above.

See Admission Requirements information for Specialized Admissions Programs and Non-Specialized Admissions Programs.

### Associate of Arts Transfers

---

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level that are offered as upper division courses at USF will not be accepted for upper division credit in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

### Associate of Science Transfers

---

Florida College System students pursuing an Associate of Science (AS) program in General Business Administration are fully admissible to USF. Please see a business advisor to determine the articulation of courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion. Students transferring to the Muma College of Business with an A.S. in General Business Administration may earn a major in only Management. Florida College System students pursuing an Associate of Science (AS) program in any other discipline should contact the B.S.A.S program in the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## College-Level Requirements

---

### General Requirements for B.A./B.S. Degrees in Business

Students must satisfactorily complete a minimum of 120 semester hours. Of the minimum 120, at least 60 hours must be business courses, and a minimum of 54 hours must be non-business courses (i.e., all courses not normally offered by the Muma College of Business). Additional electives may be required to reach a minimum of 120 hours and can be either business or non-business. NOTE: Beginning Fall 2013 the Muma College of Business will establish each fall a new minimum overall GPA required to satisfy the specialized admissions GPA admission requirement. The minimum overall GPA will range between a 2.5 with a maximum required GPA of a 2.75. Students will be notified each fall as to the minimum entrance GPA required for the following fall semester. Notification will occur through CANVAS and updated at <http://www.usf.edu/business/undergraduate/requirements-general.aspx>.

As a part of the 120-hour requirements for the B.A. or B.S. degree, the following criteria also apply:

- **GPA:** A minimum grade-point average of 2.0 must be achieved in the following areas:
  - The major and minor fields
  - College foundation courses
  - All USF coursework
  - Overall GPA (USF and all transfer work)
- **State Communication and Computation Requirements:** Students must have satisfactorily completed the State Communication Requirement and State Computation Requirement.
- **Foreign Language:** All students must satisfy the University's Foreign Language Entrance Requirement (refer to the Academic Policies and Procedures section of the catalog). For the Bachelor of Arts degree in Global Business, students must demonstrate competency in a foreign language equivalent to a minimum of three semesters in the same foreign language. The Muma College of Business does not approve American Sign Language for the Foreign Language Exit Requirement.
- **Residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 semester hours depending on major) of required business courses, including 12-18 semester hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.
- **International Course Requirement:** All business students are required to select at least one course that deals with contemporary international topics. Consult with a business advisor for approved courses.
- **Academic Dismissal:** Students dismissed more than once from the University of South Florida for academic reasons will not be readmitted to the Muma College of Business.
- **Academic Progression:** The Muma College of Business supports the USF degree progression policy. Failure to meet degree progress may result in removal from the college to a program more appropriate to ensure students' success.

---

## Degree Requirements (120 credit hours)

---

### Non-Business (54 hrs. minimum)

---

#### Enhanced General Education Requirements

1. Communication/English Composition (ENC 1102 is required) (6 credit hours)
2. General Education Core Mathematics and Quantitative Reasoning (Calculus and Statistics are required) (6 credit hours)
3. General Education Core Natural Sciences (3 credit hours)
4. General Education Core Social Sciences (ECO 2013 is required) (3 credit hours)
5. General Education Core Humanities (3 credit hours)
6. Human Cultural Diversity (BUL 3320\* is required) (3 credit hours)
7. Information & Data Literacy (CGS 2100 is required) (3 credit hours)
8. Creative Thinking (ECO 2023 is required) (3 credit hours)

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

9. Ethical Reasoning & Civic Engagement (GEB 4890\* is required) (3 credit hours)

10. High Impact Practice (ENC 3250 is recommended) (3 credit hours)

\*Not required for Hospitality Management majors.

## Non-Business Requirements for Business Majors

1. SPC 2608 - Public Speaking or COM 3110 - Communication For Business and the Professions
2. ENC 3250 - Professional Writing or ENC 3310 - Expository Writing or equivalent It is recommended that transfer students take ENC 3250 or ENC 3310 their first semester at USF.

## Additional Elective Credits

- Students may or may not need to take additional hours to meet the minimum of 54 non-business credits (See "Electives" heading below for a suggested course)
- Students must satisfy the State Civic Literacy Requirement (0-3 credits) See advisor for more information.

## Business (63-66 hrs. minimum):

---

1. **Foundation Courses in Business** - Required - a minimum grade of C- in each foundation course with an overall 2.0 GPA (36 credit hours):
  - ACG 2021 - Principles of Financial Accounting \*
  - ACG 2071 - Principles of Managerial Accounting \*
  - QMB 2100 - Business and Economic Statistics I
  - BUL 3320 - Law And Business I
  - FIN 3403 - Principles of Finance \*\*
  - GEB 3033 - Business Workplace Skills and Best Practices
  - ISM 3011 - Information Systems in Organizations \*\*\*
  - QMB 3200 - Business and Economic Statistics II
  - MAN 3025 - Principles of Management
  - MAN 4504 - Operations and Supply Chain Management
  - MAR 3023 - Basic Marketing \*\*\*\*
  - GEB 4890 - Strategic Management and Decision Making

\*Accounting majors must earn C, not C-, in ACG 2021 & ACG 2071.

\*\*Finance, Personal Finance, and Risk Management and Insurance majors must earn a C, not C-, in FIN 3403 with no more than two attempts.

\*\*\*Business Analytics and Information Systems (B.A.I.S.) and Information Assurance and Cybersecurity Management majors must earn C, not C-, in ISM 3011.

\*\*\*\*Advertising, Marketing, and Supply Chain Management majors must earn C, not C-, in MAR 3023.

\*\*\*\*\*Supply Chain Management majors must earn a B- or higher in ACG 2021, ACG 2071, and QMB 2100.

\*\*\*\*\*Hospitality Management majors complete different core courses, see major requirements.

2. **Major Requirements (18-27 credit hours)**
3. **Required Business Electives (3 credit hours):**  
CGS 2100 - Computers in Business\*

\*Supply Chain Management Majors must earn a minimum grade of B- or higher.

## Electives in Business or Non-Business

---

Sufficient elective courses to reach a minimum of 120 hours (ranges from 0-3 credit hours if above requirements are met); minimum total hours 120.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## Grading Requirements

---

Courses are not available for audit. All courses in the major or minor field and all foundation coursework in business must be taken on a graded basis.

## D/F Policy

---

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## Other Requirements

---

### Computer Requirement

All students entering the Muma College of Business are required to have a laptop computer that they can use in their classes and labs. The laptop computer must be capable of connecting to the internet wirelessly and accessing software applications through a central server, and have audio and video capabilities.

## Concurrent Degrees

---

### Business Analytics and Information Systems with a concentration in Healthcare Business and Biomedical Sciences

The dual-degree program in Biomedical Sciences (BMS) and Business Analytics and Information Systems (BAIS), with a concentration in Healthcare Business (HCBC) meets the needs of the marketplace for medical professionals who are well versed in the use of information technology. Combining a Business degree with a focus in analytics with a traditional Pre-Med Biomedical Science degree gives students the skills needed to manage a private practice or medical research program that involves data analytical skills.

### INITIAL ELIGIBILITY REQUIREMENTS

- Admission to the Muma College of Business as a first-year student
- 3.8 weighted high school GPA, as calculated by USF's Office of Undergraduate Admissions
- SAT score of at least 1300, which is based off the new SAT, with minimum 600 math OR ACT score of at least 27
- Declared intent to obtain dual degrees in these programs

### Exam Credit/Concurrent Enrollment Coursework

• Students admitted into this concurrent program are expected to have completed 17-26 credit hours through exam credit and/or dual enrollment coursework (e.g., AP, IB, dual enrollment or other mechanisms) prior to starting their degree program at USF.

o For example, if the student plans to start in the fall, courses may be completed in the summer if needed. These courses meet requirements for the business degree and/or the MCAT.

o Note: College credit for science courses obtained through the International Baccalaureate (IB) or the Advanced International Certificate of Education (AICE) may need to be repeated for consider of admission into a medical school program because medical schools generally do not accept exam credit scores in place of science coursework.

### Course1 Credits

- ENC 1101 - Composition I (e.g., AP English Literature/English Language, score of 3 or above) 3 credit hours
- ENC 1102 (e.g., AP English Literature/English Language, score of 4 or above) 3 credit hours

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- MAC 2311 (e.g., AP Calculus AB, score of 3 or above) OR MAC 1147 Precalculus Algebra and Trigonometry (e.g. Mathematics, score of 3 or above) (May be waived with an SAT Math score of 650 or higher, and/or an ACT Math score of 29 or higher) 4 credit hours
- CHM 2045 & CHM 2045L General Chemistry I with Laboratory (e.g., AP Chemistry, score of 4 or above) 4 credit hours
- BSC 2010 & BSC 2010L Cellular Process with Laboratory (e.g., AP Biology, score of 4 or above) 4 credit hours
- ECO 2013 (Macroeconomics) (e.g., Economics: Macro score of 3 or above) 3 credit hours
- ECO 2023 (Microeconomics) (e.g., Economics: Micro score of 3 or above) 3 credit hours

Total 24 credit hours

### CONTINUATION REQUIREMENTS

- At the end of the first summer semester, students must attain both an overall and science/math grade point average (GPA) of at least 3.60, without the use of grade forgiveness. If students transfer in a GPA, the overall and science/math GPAs from all coursework completed at USF must also be 3.60 or higher.
- First-year science requirements must be completed by the summer of the first year.
- Students who do not meet progression requirements must exit the dual-degree program and will be directed to academic advising in the appropriate discipline.

Students should plan to meet with a Health Professions advisor and Business advisor each semester to confirm accuracy and receive individual recommendations. For more information, see

<http://www.usf.edu/business/undergraduate/bais/> .

- Students are responsible for verifying that the courses indicated above meet the requirements of their specific programs of interest.
- In addition to meeting with a Health Professions Advisor, students should meet with their Academic Advisor (for their major) each semester to ensure they are also meeting graduation requirements.

### Undergraduate Advising Information

---

The Undergraduate Advising Office assists business students with academic advising, course permitting, and registration.

#### Advising Services:

- Orientation for freshmen and transfer students.
- Academic advising and program information for pre-business and fully admitted students who have applied to the Muma College of Business and declared business as their intended major.
- Evaluation of undergraduate transcripts for all declared and admitted business transfer students.
- Assist students with their degree progression, retention, and timely graduation.
- Certification of graduation.

## **LYNN PIPPENGER SCHOOL OF ACCOUNTANCY**

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## ACCOUNTING B.S.

TOTAL DEGREE HOURS: 120

The objective of the baccalaureate degree program in Accountancy is to provide students with accounting and business knowledge that will serve as a basis for careers in industry, government, non-profit organizations, and public accountancy. The baccalaureate program also prepares students for entry into the Master of Accountancy (M.Acc.) professional degree program. The State of Florida requires completion of 120 semester hours to sit for the CPA examination and 150 semester hours are required for licensure.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## PROGRESSION REQUIREMENTS - ACCOUNTING

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Students must enroll in two courses their first semester within the Accounting major. During the first semester, one of which is required is ACG 3103. The second course is to be chosen from among ACG 3341, ACG 3401 or TAX 4001. Students are also required to complete at least one of these two required courses successfully with a grade of C (not C-) or higher on the first attempt. Students who are unable to pass both courses on the first attempt are assigned for major reselection. ("W" grades count as not passing with a grade of C or higher).

Students who pass one of these courses with a grade of C or higher, but either did not pass the other course with a grade of C or higher or withdrew from the other course are permitted a second attempt to retake that course. During a semester in which a student retakes one of the two required accounting courses, the student is only permitted to enroll in that one accounting course; the student may not enroll in any other accounting courses during that semester. Further, the student is required to pass the repeated accounting course with a grade of C or higher. If the student earns a grade of C- or lower or withdraws from that course, the student is assigned for major reselection.

Accounting majors may use the forgiveness policy only once in upper-level Accounting courses. One experiential learning course (e.g., ACG 4940 Accounting Internship) may be applied towards the 120-credit hour graduation requirement. Independent Research, ACG 4911, will not be accepted as credit toward the minimum major requirements.

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Within the 120-semester-hour program, students must complete a minimum of 24 hours of upper-level Accounting coursework with a grade of C not C- in all courses. Accounting courses taken by Accounting majors on an S/U basis will not be counted toward the 120-hour graduation requirement, with the exception of ACG 4911 Independent Research.

---

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

---

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

---

### STATE MANDATED COMMON COURSE PREREQUISITES - ACCOUNTING B.S.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA:

- TAX 4940 - IRS VITA Internship **Credit(s): 3**

## ACCOUNTING B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Accounting major courses must be no older than five (5) years to count for major credit. This applies both to continuing USF Accounting majors, as well as Accounting major courses transferred in from other institutions. A student may petition the Director for an exception to the policy and the Director may grant or deny such petition, at his/her discretion.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 18 hours of upper-level Accounting requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in

# MUMA COLLEGE OF BUSINESS

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## ACCOUNTING (FOR BUSINESS MAJORS ONLY) MINOR

The Accounting minor is available to all Undergraduate Muma College of Business students, except those majoring in Accounting.

### TOTAL MINOR CREDIT HOURS: 12

### MINOR CORE CREDIT HOURS: 12

Note: Students must take ACG 3103 during the first semester and at least one of the other three courses listed below during the same semester.

- ACG 3103 - Intermediate Financial Accounting I **Credit(s): 3**
- ACG 3341 - Cost Accounting and Control I **Credit(s): 3**
- ACG 3401 - Accounting Information Systems **Credit(s): 3**
- TAX 4001 - Concepts of Federal Income Taxation **Credit(s): 3**

### GPA REQUIREMENTS

A GPA of 2.0 or higher must be achieved in all minor coursework. All attempts will be included in the GPA unless grade forgiveness has been used. Only one grade forgiveness may be used in the minor.

### GRADING REQUIREMENTS

A grade of C (not C-) or better must be earned in each of the four upper-level Accounting courses taken.

### RESIDENCY REQUIREMENT

Students must complete 12 hours in residency at USF.

### OTHER REQUIREMENTS

The Lynn Pippenger School of Accountancy has additional admission requirements beyond the entry requirements to the Muma College of Business.

1. Successful completion of ACG 3103 - Intermediate Financial Accounting I and ACG 3341 - Cost Accounting and Control I or ACG 3401 - Accounting Information Systems or TAX 4001 with a minimum grade of C, not C- and no more than two attempts cumulatively between ACG 3103 and the selected co-requisite course. "W" grades count as an attempt.
2. The pre-requisites for ACG 3103 and all accounting minor coursework require students to earn a grade of C, not C- in both ACG 2021 and ACG 2071. Students who fail to obtain a minimum grade of C (not C-) in ACG 3103 and ACG Co-requisite within two cumulative attempts will be withdrawn from the minor, as appropriate. "W" grades count as an attempt.
3. Accounting courses must be no older than five (5) years to count for degree credit.
4. A student may petition the Director for an exception to the policy and the Director may grant or deny such a petition, at his/her discretion.

## LEGAL STUDIES MINOR

The Muma College of Business in conjunction with the College of Arts and Sciences (CAS), offers a Legal Studies minor that is open to all USF students regardless of their major. The minor in Legal Studies provides students with real law for the real world. The minor will:

- Instill in students a strong, pragmatic understanding of legal concepts, public policy, law, and its applications while emphasizing the implications on societies and business;
- Complement existing CAS and COB majors;
- Develop students' ability to recognize legal issues and manage risks;
- Develop students analytical, problem solving and negotiation skills along with their ethical sensitivity;
- Develop students' ability to formulate and advocate positions, and to use those skills to effectively communicate; and
- Improve students' leadership skills, social business skills, marketability, and employment prospects

## MINOR REQUIREMENTS

The Legal Studies Minor consists of:

Required Courses	6 hours
Elective Courses	<u>9 hours</u>
Total	15 hours

## TOTAL MINOR CREDIT HOURS: 15

### MINOR CORE COURSES (6 CREDIT HOURS)

- BUL 3320 - Law And Business I **Credit(s): 3**
- BUL 3321 - Law And Business II **Credit(s): 3**

### MINOR ELECTIVES (9 CREDIT HOURS)

- CJL 3110 - Substantive Criminal Law **Credit(s): 3**
- INR 4403 - International Law **Credit(s): 3**
- MAN 4402 - Employment Laws **Credit(s): 3**
- POS 3697 - Environmental Law **Credit(s): 3**
- POS 4614 - Constitutional Law I **Credit(s): 3**  
or
- POS 4624 - Constitutional Law II **Credit(s): 3**

## GPA REQUIREMENTS

Students must maintain a 2.0 GPA in all of the course work toward the minor.

## GRADING REQUIREMENTS

A 2.0 GPA must be maintained in all of the coursework for the minor.

## FINANCE B.S.

TOTAL DEGREE HOURS: 120

The Finance major provides a broad-based, analytical program for students anticipating a career in the management of both large and small organizations. Finance provides a good background for students seeking general careers in business. Finance majors can elect to take courses in the following areas that prepare them for entry and advanced careers in: financial management of corporations, management of financial institutions, investments, financial services, insurance, and real estate. In addition, the program in Finance is designed to provide the skills required by students earning degrees in other business disciplines and by students who seek professional degrees in areas such as law and public administration. The Finance program offers courses that enable the graduate to identify and solve problems in the acquisition and allocation of funds by organizations in the public and private sectors in domestic and international settings. It provides the background necessary for managing wealth in a risky environment. Finance relies on an interdisciplinary approach that draws on economic theory, accounting, information systems, and the quantitative decision frameworks of statistics and mathematics. The major is designed to ensure that graduates are familiar with the tools of financial decision making and that they possess the skills to stay abreast of the developments in the field. Finance graduates will understand the functions and operations of financial markets, become familiar with computer applications in finance, and know how to access and utilize financial information. Course content is designed to provide majors with an appreciation of cooperative work skills and to enhance their verbal and written communication skills.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - FINANCE, B.S.

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent). To progress into the Finance major, a minimum grade of **C**, not **C-**, is required for FIN 3403, with no more than two (2) attempts including withdrawals.

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;

# MUMA COLLEGE OF BUSINESS

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

## FINANCE REQUIRED COURSES: (57 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

## FINANCE B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Within the 120-credit hour program, students must complete a minimum of 21 hours of upper-level Finance/Personal Finance coursework beyond FIN 3403 with a grade of C- in all courses. Finance courses taken by Finance/Personal Finance majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 hours of upper-level Finance/Personal Finance requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Finance students take an internship course (FIN 4940 - Finance Internship or REE 4940 - Real Estate Internship) as part of their plan of study. For more information go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## FINANCE B.S., WITH CORPORATE FINANCE CONCENTRATION

TOTAL DEGREE HOURS: 120

The Finance major provides a broad-based, analytical program for students anticipating a career in the management of both large and small organizations. Finance provides a good background for students seeking general careers in business. Finance majors can elect to take courses in the following areas that prepare them for entry and advanced careers in: financial management of corporations, management of financial institutions, investments, financial services, insurance, and real estate. In addition, the program in Finance is designed to provide the skills required by students earning degrees in other business disciplines and by students who seek professional degrees in areas such as law and public administration. The Finance program offers courses that enable the graduate to identify and solve problems in the acquisition and allocation of funds by organizations in the public and private sectors in domestic and international settings. It provides the background necessary for managing wealth in a risky environment. Finance relies on an interdisciplinary approach that draws on economic theory, accounting, information systems, and the quantitative decision frameworks of statistics and mathematics. The major is designed to ensure that graduates are familiar with the tools of financial decision making and that they possess the skills to stay abreast of the developments in the field. Finance graduates will understand the functions and operations of financial markets, become familiar with computer applications in finance, and know how to access and utilize financial information. Course content is designed to provide majors with an appreciation of cooperative work skills and to enhance their verbal and written communication skills.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - FINANCE, B.S.

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent). To progress into the Finance major, a minimum grade of **C**, not C-, is required for FIN 3403, with no more than two (2) attempts including withdrawals.

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

### STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

### FINANCE REQUIRED COURSES: (57 CREDIT HOURS)

---

### BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***

---

## FINANCE B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Within the 120-credit hour program, students must complete a minimum of 21 hours of upper-level Finance/Personal Finance coursework beyond FIN 3403 with a grade of C- in all courses. Finance courses taken by Finance/Personal Finance majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 hours of upper-level Finance/Personal Finance requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Finance students take an internship course (FIN 4940 - Finance Internship **or** REE 4940 - Real Estate Internship) as part of their plan of study. For more information go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## FINANCE B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Within the 120-credit hour program, students must complete a minimum of 21 hours of upper-level Finance/Personal Finance coursework beyond FIN 3403 with a grade of C- in all courses. Finance courses taken by Finance/Personal Finance majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 hours of upper-level Finance/Personal Finance requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Finance students take an internship course (FIN 4940 - Finance Internship or REE 4940 - Real Estate Internship) as part of their plan of study. For more information go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## FINANCE B.S., WITH REAL ESTATE CONCENTRATION

TOTAL DEGREE HOURS: 120

The Finance major provides a broad-based, analytical program for students anticipating a career in the management of both large and small organizations. Finance provides a good background for students seeking general careers in business. Finance majors can elect to take courses in the following areas that prepare them for entry and advanced careers in: financial management of corporations, management of financial institutions, investments, financial services, insurance, and real estate. In addition, the program in Finance is designed to provide the skills required by students earning degrees in other business disciplines and by students who seek professional degrees in areas such as law and public administration. The Finance program offers courses that enable the graduate to identify and solve problems in the acquisition and allocation of funds by organizations in the public and private sectors in domestic and international settings. It provides the background necessary for managing wealth in a risky environment. Finance relies on an interdisciplinary approach that draws on economic theory, accounting, information systems, and the quantitative decision frameworks of statistics and mathematics. The major is designed to ensure that graduates are familiar with the tools of financial decision making and that they possess the skills to stay abreast of the developments in the field. Finance graduates will understand the functions and operations of financial markets, become familiar with computer applications in finance, and know how to access and utilize financial information. Course content is designed to provide majors with an appreciation of cooperative work skills and to enhance their verbal and written communication skills.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

### STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

## PERSONAL FINANCIAL PLANNING B.S.

TOTAL DEGREE HOURS: 120

The Personal Financial Planning program aims to equip students with the knowledge and skills needed to pursue careers in the financial planning and related industry. A financial planner takes a "big picture" view of a client's financial situation and makes financial planning recommendations based on the client's needs in areas such as budgeting and saving, taxes, investments, insurance and retirement planning. Alternatively, the planner may work with a client on a single financial issue but still within the context of that client's overall situation.

### ADMISSION STANDARDS FOR THE PROGRAM

To matriculate to the upper-division courses required for the B.S. Personal Financial Planning, students must earn a minimum grade of C- in the following courses and an overall 2.0 GPA in all seven (7) courses:

- Financial Accounting: ACG X021/ACG X022 (or ACG X001 & ACG X011)
- Managerial Accounting: ACG X071 (or ACG X301)
- Computers in Business: CGS X100 (or acceptable substitute)
- Principles of Macroeconomics: ECO X013
- Principles of Microeconomics: ECO X023
- Elementary Calculus: MAC X233 or MAC 2230
- Statistics: QMB X100 or STA X023 or STA X122

### PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

### STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

## **REQUIRED COURSES: (57 CREDIT HOURS)**

---

### **BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS**

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***
- QMB 3200 - Business and Economic Statistics II **Credit(s): 3**
- MAN 3025 - Principles of Management **Credit(s): 3**
- MAN 4504 - Operations and Supply Chain Management **Credit(s): 3**
- MAR 3023 - Basic Marketing **Credit(s): 3 \*\*\***

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

---

## PERSONAL FINANCIAL PLANNING B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

In computing entry grade point average, all Business and Economics courses taken for S or U grades will be converted to C or F, respectively.

### GRADING REQUIREMENTS

---

Students are required to earn a C- or higher in all Personal Finance courses that are counted toward the major requirements.

### RESIDENCY REQUIREMENT

---

**Major Residency:** Students must complete 15 credit hours of upper-level Financial Planning/Finance requirements in residence at USF.

**College Residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is recommended that Finance students participate in an internship course (FIN 4940) as part of their plan of study. This course is offered on an S/U basis only.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## HOSPITALITY MANAGEMENT B.S.

TOTAL DEGREE HOURS: 120

The Bachelor of Science in Hospitality Management, in School of Hospitality & Tourism Management (SHTL) at the Sarasota-Manatee campus location, prepares graduates for global leadership positions in the hospitality industry through foundational knowledge of hospitality operations and experiences that develop critical thinkers who promote diversity, ethical responsibility, lifelong learning, and community engagement.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - HOSPITALITY MANAGEMENT

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA:

- ACG X021 Principles of Financial Accounting or ACG X022 or (ACG X001 and ACG X011) - 3 credit hours
- ACG X071 Managerial Accounting - 2-3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours

---

### REQUIRED COURSES: (60 CREDIT HOURS)

---

---

### SUPPORTING REQUIRED COURSES: 2 COURSES; 6 CREDIT HOURS

---

- HFT 4937 - Hospitality Speaker Series **Credit(s): 1**

## HOSPITALITY MANAGEMENT B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Industry Experience Requirements: Students must complete a total of 1000 hours of industry experience.

- 700 hours prior, concurrent or subsequent to taking HFT 4945
- 300 hours while enrolled in HFT 4945

### GPA REQUIREMENTS

---

Students must earn at least a 2.00 overall GPA, USF GPA, and in the major to be certified for graduation.

### GRADING REQUIREMENTS

---

In the required core courses, students may not receive a grade lower than "C-."

### RESIDENCY REQUIREMENT

---

At least 50% of the major coursework must be completed at USF.

### OTHER INFORMATION

---

HFT 2930, Special Topics in Hospitality, may be used to satisfy any outstanding lower-level electives. Students must see academic advisor regarding this course.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- ISM 4930 - Selected Topics in MIS **Credit(s): 1-3**
- ISM 4940 - Business Analytics & Information Systems Internship **Credit(s): 3**
- MAN 4505 - Healthcare Operations Management **Credit(s): 3**
- Other Approved ISM Electives  
ISM 4905 will not count as an ISM elective.

## BUSINESS ANALYTICS AND INFORMATION SYSTEMS B.S. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

- In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.
- Grade forgiveness may be used for only one upper-level major course.
- Within the 120 credit hour program, students must complete a minimum of 24 hours of upper-level Business Analytics and Information Systems coursework with a grade of C not C- in all courses, including ISM 3011. BAIS courses taken by BAIS majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

**Major residency:** Students must complete 18 hours of upper-level Business Analytics and Information Systems requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

It is strongly recommended that Business Analytics and Information Systems students take an internship course (ISM 4940 - Business Analytics & Information Systems Internship) as part of their plan of study. For more information please go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## **BUSINESS ANALYTICS AND INFORMATION SYSTEMS B.S., WITH CYBERSECURITY CONCENTRATION**

TOTAL DEGREE HOURS: 120

The Business Analytics and Information Systems (BAIS) major provides the skills and knowledge necessary to enter the rapidly changing world of business analytics and information systems. Potential career paths include data analyst, business intelligence analyst, business analyst, consulting, systems analyst, database administrator, project manager or a myriad of technology management roles in business.

### **SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS**

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### **UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS**

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### **PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS**

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### **GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS**

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

### **STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS**

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

## **BAIS REQUIRED COURSES: (66 CREDIT HOURS)**

---

## **BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS**

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## **BUSINESS ANALYTICS AND INFORMATION SYSTEMS B.S., WITH HEALTHCARE BUSINESS CONCENTRATION**

TOTAL DEGREE HOURS: 120

The Business Analytics and Information Systems (BAIS) major provides the skills and knowledge necessary to enter the rapidly changing world of business analytics and information systems. Potential career paths include data analyst, business intelligence analyst, business analyst, consulting, systems analyst, database administrator, project manager or a myriad of technology management roles in business.

### **SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS**

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### **UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS**

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### **PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS**

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### **GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS**

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

### **STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS**

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

## **BAIS REQUIRED COURSES: (66 CREDIT HOURS)**

---

## **BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS**

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***
- QMB 3200 - Business and Economic Statistics II **Credit(s): 3**
- MAN 3025 - Principles of Management **Credit(s): 3**
- MAN 4504 - Operations and Supply Chain Management **Credit(s): 3**
- MAR 3023 - Basic Marketing **Credit(s): 3 \*\*\***

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

# MUMA COLLEGE OF BUSINESS

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

## **BAIS SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS**

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each Supporting course is required.

- SPC 2608 - Public Speaking **Credit(s): 3**  
**OR**
- COM 3110 - Communication For Business and the Professions **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **Credit(s): 3**

## **BAIS MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS**

---

- ISM 3232 - Business Application Development **Credit(s): 3**  
It is recommended that ISM 3232 be taken concurrently with ISM 3011.
- ISM 4212 - Database Design and Administration **Credit(s): 3**

## **BAIS OTHER REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS**

---

- ISM 3113 - Systems Analysis and Design **Credit(s): 3**
- ISM 4300 - Managing Information Resources **Credit(s): 3**
- ISM 4220 - Business Data Communications **Credit(s): 3** (Recommended for students interested in cyber security career)  
**OR**
- ISM 4402 - Business Intelligence **Credit(s): 3** (Recommended for students interested in mainstream business analytics careers)

## **BAIS MAJOR (RESTRICTED) ELECTIVES: 3 COURSES; 9 CREDIT HOURS**

---

Students complete a General BAIS program of study (9 credit hours) or complete one of two (2) concentrations (9 credit hours):

- Cybersecurity
- Healthcare Business

## **HEALTHCARE BUSINESS CONCENTRATION: 3 COURSES; 9 CREDIT HOURS**

---

### **CONCENTRATION CORE: 1 COURSE; 3 CREDIT HOURS**

---

### **CONCENTRATION ELECTIVES: 2 COURSES; 6 CREDIT HOURS**

---

Select 2 courses from the following list of courses:

- BCH 3053 - General Biochemistry **Credit(s): 3**
- ISM 4402 - Business Intelligence **Credit(s): 3**  
\*\*If this course is used to satisfy the major requirements, it cannot be used to fulfill the elective requirements.
- ISM 4542 - Statistical Programming for Business Analytics **Credit(s): 3**
- ISM 4940 - Business Analytics & Information Systems Internship **Credit(s): 3**  
\*\* Internship location should be in a healthcare related field.

---

- LIS 4477 - Clinical Decision Support **Credit(s): 3**
- MAN 4505 - Healthcare Operations Management **Credit(s): 3**

## BUSINESS ANALYTICS AND INFORMATION SYSTEMS B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

- In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.
- Grade forgiveness may be used for only one upper-level major course.
- Within the 120 credit hour program, students must complete a minimum of 24 hours of upper-level Business Analytics and Information Systems coursework with a grade of C not C- in all courses, including ISM 3011. BAIS courses taken by BAIS majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 18 hours of upper-level Business Analytics and Information Systems requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Business Analytics and Information Systems students take an internship course (ISM 4940 - Business Analytics & Information Systems Internship) as part of their plan of study. For more information please go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## INFORMATION ASSURANCE AND CYBERSECURITY MANAGEMENT, B.S.

TOTAL DEGREE HOURS: 120

The Information Assurance and Cybersecurity Management (IACM) major has strong practical focus while grounded in robust theoretical approaches to develop a solid foundation of knowledge and skills necessary for information assurance and cybersecurity professionals. The key focus of the program is on the management of the cybersecurity function in organizations. Topics such as network security, database management, cloud security, risk management, cybersecurity governance, policies, and planning, and cybersecurity analytics and protocols are covered as they relate to managing the availability, integrity, authentication, confidentiality, and non-repudiation of the information infrastructure as well as managing its restoration, integrating protection, detection, and reaction capabilities.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **Credit(s): 3**

## MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- ISM 3232 - Business Application Development **Credit(s): 3** \*
- ISM 4212 - Database Design and Administration **Credit(s): 3**
- ISM 3113 - Systems Analysis and Design **Credit(s): 3**

\* It is recommended that ISM 3232 be taken concurrently with ISM 3011

## MAJOR OTHER REQUIRED COURSES: 6 COURSES; 18 CREDIT HOURS

---

- ISM 4220 - Business Data Communications **Credit(s): 3**
- ISM 4323 - Information Security and IT Risk Management **Credit(s): 3**
- ISM 4263 - Cloud Solution Architectures **Credit(s): 3**
- ISM 4321 - Cybersecurity Threat Intelligence **Credit(s): 3**
- ISM 4570 - Cybersecurity Governance and Planning **Credit(s): 3**
- ISM 4641 - Python for Business Analytics **Credit(s): 3**

## INFORMATION ASSURANCE AND CYBERSECURITY MANAGEMENT B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Grade forgiveness may be used for only one upper-level major course.

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Within the 120-semester-hour program, students must complete a minimum of 27 hours of upper-level Information Assurance and Cybersecurity Management (IACM) coursework with a grade of C- in all courses, except ISM 3011, for which a minimum grade of C must be earned.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 18 hours of upper-level Information Assurance and Cybersecurity Management requirements in residence at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

For more information on internship opportunities, please go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## MANAGEMENT B.S.

TOTAL DEGREE HOURS: 120

The undergraduate major in Management prepares students to manage and lead all aspects of organizations. It also prepares students for graduate study in business and other fields. Mastery of course content enables students to inspire themselves, others, teams, and organizations to coordinate efforts to provide effective outcomes. Content covered includes ethics and virtue, organizational behavior, human resources, domestic and international cultural differences, and negotiating skills. A capstone course integrates the learning objectives of the major in a study of a real company where students demonstrate that they can now apply effectively what they have learned.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## MANAGEMENT REQUIRED COURSES: (54 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

## MANAGEMENT B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120 credit hour program, students must complete a minimum of 21 credit hours of upper-level Management coursework beyond MAN 3025. Management courses taken by Management majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 credit hours of upper-level Management requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is recommended that Management students participate in an internship course (MAN 4940) as part of their plan of study.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## MANAGEMENT B.S., WITH AGING SERVICES MANAGEMENT CONCENTRATION

TOTAL DEGREE HOURS: 120

The undergraduate major in Management prepares students to manage and lead all aspects of organizations. It also prepares students for graduate study in business and other fields. Mastery of course content enables students to inspire themselves, others, teams, and organizations to coordinate efforts to provide effective outcomes. Content covered includes ethics and virtue, organizational behavior, human resources, domestic and international cultural differences, and negotiating skills. A capstone course integrates the learning objectives of the major in a study of a real company where students demonstrate that they can now apply effectively what they have learned.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## MANAGEMENT REQUIRED COURSES: (54 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***
- QMB 3200 - Business and Economic Statistics II **Credit(s): 3**

- MAN 4631 - Global Perspectives and Management Choices **Credit(s): 3**
- MAN 4743 - Response of Business to Global Environmental Problems **Credit(s): 3**
- MAN 4802 - Entrepreneurship and Small Business Management **Credit(s): 3**
- MAN 4930 - Selected Topics in Management **Credit(s): 1-3**
- MAN 4931 - Independent Research **Credit(s): 1-4**
- MAN 4940 - Management Internship **Credit(s): 3**

---

## MANAGEMENT B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120 credit hour program, students must complete a minimum of 21 credit hours of upper-level Management coursework beyond MAN 3025. Management courses taken by Management majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 credit hours of upper-level Management requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## INTERNSHIP OPPORTUNITIES

It is recommended that Management students participate in an internship course (MAN 4940) as part of their plan of study.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## MANAGEMENT B.S., WITH HUMAN RESOURCES MANAGEMENT CONCENTRATION

TOTAL DEGREE HOURS: 120

The undergraduate major in Management prepares students to manage and lead all aspects of organizations. It also prepares students for graduate study in business and other fields. Mastery of course content enables students to inspire themselves, others, teams, and organizations to coordinate efforts to provide effective outcomes. Content covered includes ethics and virtue, organizational behavior, human resources, domestic and international cultural differences, and negotiating skills. A capstone course integrates the learning objectives of the major in a study of a real company where students demonstrate that they can now apply effectively what they have learned.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## MANAGEMENT REQUIRED COURSES: (54 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

## MANAGEMENT SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each Supporting course is required.

- COM 3110 - Communication For Business and the Professions **Credit(s): 3**  
**OR**
- SPC 2608 - Public Speaking **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **Credit(s): 3**

## MANAGEMENT MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- MAN 3240 - Organizational Behavior Analysis **Credit(s): 3**
- MAN 3301 - Human Resource Management **Credit(s): 3**
- MAN 4737 - Integrated Management Applications **Credit(s): 3**

## MANAGEMENT MAJOR (RESTRICTED) ELECTIVES: 4 COURSES; 12 CREDIT HOURS

---

Students complete a general Management program of study or **one** of four concentrations (3 courses; 9 credit hours):

- Aging Services Management
- Human Resources Management
- Project Management
- Responsible and Inclusive Organizational Leadership

Students take an additional General Management Major Elective (1 course; 3 credit hours)

## HUMAN RESOURCES MANAGEMENT CONCENTRATION: 3 COURSES; 9 CREDIT HOURS

---

This concentration provides students with the knowledge and skills necessary to obtain entry-level positions and to succeed in the field of Human Resources Management. Upon successful completion of this concentration, students will develop an understanding of the different functions encompassed within this particular discipline such as managing compensation, benefits, training and development, recruitment, staffing, employee retention, performance evaluation, employment law, as well as developing an appreciation of the importance of obtaining and enhancing diversity in the workplace.

## CONCENTRATION CORE: 2 COURSES; 6 CREDIT HOURS

---

- MAN 4329 - People Analytics **Credit(s): 3**
- MAN 4402 - Employment Laws **Credit(s): 3**

- MAN 4931 - Independent Research **Credit(s): 1-4**
- MAN 4940 - Management Internship **Credit(s): 3**

---

## MANAGEMENT B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120 credit hour program, students must complete a minimum of 21 credit hours of upper-level Management coursework beyond MAN 3025. Management courses taken by Management majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 credit hours of upper-level Management requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

---

## INTERNSHIP OPPORTUNITIES

---

It is recommended that Management students participate in an internship course (MAN 4940) as part of their plan of study.

---

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## MANAGEMENT SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each Supporting course is required.

- COM 3110 - Communication For Business and the Professions **Credit(s): 3**  
**OR**
- SPC 2608 - Public Speaking **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **Credit(s): 3**

## MANAGEMENT MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- MAN 3240 - Organizational Behavior Analysis **Credit(s): 3**
- MAN 3301 - Human Resource Management **Credit(s): 3**
- MAN 4737 - Integrated Management Applications **Credit(s): 3**

## MANAGEMENT MAJOR (RESTRICTED) ELECTIVES: 4 COURSES; 12 CREDIT HOURS

---

Students complete a general Management program of study or **one** of four concentrations (3 courses; 9 credit hours):

- Aging Services Management
- Human Resources Management
- Project Management
- Responsible and Inclusive Organizational Leadership

Students take an additional General Management Major Elective (1 course; 3 credit hours)

## PROJECT MANAGEMENT CONCENTRATION: 3 COURSES; 9 CREDIT HOURS

---

This concentration provides students with the knowledge and skills necessary to obtain entry-level positions and to succeed in the field of Human Resources Management. Upon successful completion of this concentration, students will develop an understanding of the different functions encompassed within this particular discipline such as managing compensation, benefits, training and development, recruitment, staffing, employee retention, performance evaluation, employment law, as well as developing an appreciation of the importance of obtaining and enhancing diversity in the workplace.

## CONCENTRATION CORE: 3 COURSES; 9 CREDIT HOURS

---

- ISM 4314 - Project Management **Credit(s): 3**
- MAN 4441 - Negotiation and Conflict Resolution **Credit(s): 3**

---

- MAN 4930 - Selected Topics in Management **Credit(s): 1-3** (Selected Topics taken as Business Analysis)

## GENERAL MANAGEMENT MAJOR: 1 COURSE; 3 CREDIT HOURS

---

Select one course from the following list of General Management Major Electives:

- MAN 3093 - Healthcare Management **Credit(s): 3**
- MAN 4063 - Management Ethics **Credit(s): 3**
- MAN 4280 - Organizational Development and Change **Credit(s): 3**
- MAN 4282 - Organizational Assessment **Credit(s): 3**
- MAN 4402 - Employment Laws **Credit(s): 3**
- MAN 4430 - Seminar in Negotiations and Administration of Labor Agreements **Credit(s): 3**
- MAN 4600 - International Management **Credit(s): 3**
- MAN 4631 - Global Perspectives and Management Choices **Credit(s): 3**
- MAN 4802 - Entrepreneurship and Small Business Management **Credit(s): 3**
- MAN 4930 - Selected Topics in Management **Credit(s): 1-3**
- MAN 4931 - Independent Research **Credit(s): 1-4**
- MAN 4940 - Management Internship **Credit(s): 3**
- MAN 4743 - Response of Business to Global Environmental Problems **Credit(s): 3**

## MANAGEMENT B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120 credit hour program, students must complete a minimum of 21 credit hours of upper-level Management coursework beyond MAN 3025. Management courses taken by Management majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 credit hours of upper-level Management requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## INTERNSHIP OPPORTUNITIES

It is recommended that Management students participate in an internship course (MAN 4940) as part of their plan of study.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## MANAGEMENT B.S., WITH RESPONSIBLE AND INCLUSIVE ORGANIZATIONAL LEADERSHIP CONCENTRATION

TOTAL DEGREE HOURS: 120

The undergraduate major in Management prepares students to manage and lead all aspects of organizations. It also prepares students for graduate study in business and other fields. Mastery of course content enables students to inspire themselves, others, teams, and organizations to coordinate efforts to provide effective outcomes. Content covered includes ethics and virtue, organizational behavior, human resources, domestic and international cultural differences, and negotiating skills. A capstone course integrates the learning objectives of the major in a study of a real company where students demonstrate that they can now apply effectively what they have learned.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## MANAGEMENT REQUIRED COURSES: (54 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***
- QMB 3200 - Business and Economic Statistics II **Credit(s): 3**
- MAN 3025 - Principles of Management **Credit(s): 3**

- MAN 4504 - Operations and Supply Chain Management **Credit(s): 3**
- MAR 3023 - Basic Marketing **Credit(s): 3** \*\*\*

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

## MANAGEMENT SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each Supporting course is required.

- COM 3110 - Communication For Business and the Professions **Credit(s): 3**  
**OR**
- SPC 2608 - Public Speaking **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **Credit(s): 3**

## MANAGEMENT MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- MAN 3240 - Organizational Behavior Analysis **Credit(s): 3**
- MAN 3301 - Human Resource Management **Credit(s): 3**
- MAN 4737 - Integrated Management Applications **Credit(s): 3**

## MANAGEMENT MAJOR (RESTRICTED) ELECTIVES: 4 COURSES; 12 CREDIT HOURS

---

Students complete a general Management program of study or **one** of four concentrations (3 courses; 9 credit hours):

- Aging Services Management
- Human Resources Management
- Project Management
- Responsible and Inclusive Organizational Leadership

Students take an additional General Management Major Elective (1 course; 3 credit hours)

## RESPONSIBLE AND INCLUSIVE ORGANIZATIONAL LEADERSHIP CONCENTRATION: 4 COURSES; 12 CREDIT HOURS

---

Society faces numerous grand challenges such as social inequalities and injustice, poverty, the erosion of democracy, environmental degradation, threats to human health, and aging populations. These challenges affect large numbers of people and need to be addressed with innovative leadership. This concentration emphasizes a new form of leadership--*responsible and inclusive organizational (RIO) leadership*—and is designed for students interested in contributing to efforts aimed at solving society's most intractable problems. Through this concentration, students will develop knowledge about RIO leadership and its importance for addressing societal challenges and diverse stakeholders' interests. Students will better understand the most pressing problems and stakeholder concerns while developing ethical reasoning and leadership skills ranging from micro leadership for inclusiveness and team building to macro leadership for social and environmental change.

Any two (2) out of the following three (3) courses:

- ISM 3113 - Systems Analysis and Design **Credit(s): 3**
- ISM 4212 - Database Design and Administration **Credit(s): 3**
- QMB 4250 - Business Analytics **Credit(s): 3**

**MINOR ELECTIVE CREDIT HOURS: 6**

Six (6) hours of approved ISM electives.

### **GPA REQUIREMENT**

A grade point average of 2.0 or better must be achieved in the minor course work at USF and in all minor courses completed at other institutions.

### **GRADING REQUIREMENT**

A 2.0 overall in the courses for the minor is required, with no minimum grade in any course.

### **RESIDENCY REQUIREMENT**

Nine (9) of the 12 credit hours for the minor must be taken at USF.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## HEALTHCARE ADMINISTRATION MINOR

*This minor is open to students from all colleges.*

To qualify for the Healthcare Administration Minor, students must successfully complete a minimum of fifteen (15) semester hours in Healthcare Administration coursework (nine (9) credit hours of required courses and six (6) credit hours of elective courses). A statement attesting to the completion of the Minor in Healthcare Administration will appear on the student's official transcript.

### Non-College of Business Students

To avoid unnecessary delays, it is strongly recommended that Non-Business majors take ECO 2023 - Economic Principles (Microeconomics) to fulfill the TGEC - Creative Thinking requirement (Enhanced General Education) as this course is a pre-requisite for the required course, ECP 3530 - Economics of Health.

### TOTAL CREDIT HOURS: 15

### MINOR CORE (9 CREDIT HOURS)

- ECP 3530 - Economics of Health **Credit(s): 3**
- MAN 3093 - Healthcare Management **Credit(s): 3**
- MAR 4712 - Healthcare Marketing **Credit(s): 3**

### MINOR ELECTIVES (6 CREDIT HOURS)

Additional Selected Topics courses may also qualify as HCA electives. Students should consult with an advisor about any additional approved courses.

Select two of the following courses.

- ECO 4504 - Public Finance **Credit(s): 3**
- GEB 4894 - Healthcare Strategy **Credit(s): 3**
- HSA 3170 - Healthcare Finance **Credit(s): 3** NOTE: This class may not be used as an elective for FIN majors.
- ISM 3011 - Information Systems in Organizations **Credit(s): 3**
- MAN 3301 - Human Resource Management **Credit(s): 3**
- MAR 3400 - Professional Selling **Credit(s): 3**
- MAR 4503 - Buyer Behavior **Credit(s): 3**

### GPA REQUIREMENTS

A grade point average (GPA) of 2.0 or higher must be achieved in the coursework for the minor.

### GRADING REQUIREMENTS

No grade below a C- will be accepted for the major and concentration coursework.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## BUSINESS ANALYTICS AND INFORMATION SYSTEMS CERTIFICATE

This certificate is designed exclusively for non-business majors. This program provides the information systems and business analytics knowledge - without having to pursue a business minor - that will help students in these and other disciplines land a job where they can apply their skills in a corporate systems or analytics setting. There are no pre-requisites to begin the certificate and the sections set aside for this program are created with the non-business major in mind. While there is no specific point of entry for the program, there is a preferred sequence of coursework, starting with the Information Systems in Organizations class and ending with a specialized Business Intelligence course. All courses are available online.

### CERTIFICATE REQUIREMENTS

#### CERTIFICATE CORE (15 CREDIT HOURS)

- ISM 3011 - Information Systems in Organizations **Credit(s): 3**
- ISM 3113 - Systems Analysis and Design **Credit(s): 3**
- ISM 3232 - Business Application Development **Credit(s): 3**
- ISM 4212 - Database Design and Administration **Credit(s): 3**
- ISM 4547 - Excel with Data Modeling for Business Analytics **Credit(s): 3**

### GPA REQUIREMENTS

A grade point average of 2.00 or better must be achieved in the certificate coursework at USF and in all certificate courses completed at other institutions.

### RESIDENCY REQUIREMENT

At least 12 hours of the required 15 credit hours must be taken in residence at USF.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## ADVERTISING B.S.

TOTAL DEGREE HOURS: 120

The Advertising major in the Muma College of Business is unique in that it is a collaborative effort between the Zimmerman School of Advertising and Mass Communications in the College of Arts and Sciences and the Marketing Department in the Muma College of Business. The major complements an existing Advertising track in the Mass Communications major and provides students the opportunity to combine the creative, media, and account planning aspects of advertising with knowledge, skills, and abilities in accounting, economics, finance, information systems, management, marketing and strategy.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

## REQUIRED COURSES (66 CREDIT HOURS)

---

### BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**

- MAR 4333 - Marketing Communications Management **Credit(s): 3**
- MAR 4403 - Sales Management **Credit(s): 3**
- MAR 4712 - Healthcare Marketing **Credit(s): 3**
- MAR 4824 - Marketing Management Problems **Credit(s): 3**

### ADVERTISING B.S. - ADDITIONAL INFORMATION

---

#### OTHER REQUIREMENTS

---

- All Advertising majors must participate a study abroad experience.
- All Advertising majors must live in the Zimmerman Advertising Program (ZAP) Living Learning Community during their freshman year.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## GPA REQUIREMENTS

---

At least a minimum of a C (not C-) grade must be earned in each course. An overall GPA of 2.0 is required in the major for graduation.

## RESIDENCY REQUIREMENT

---

In the major, 15 of the 21 Advertising hours and 12 of the 17 Marketing hours must be taken in residency at USF.

## INTERNSHIP OPPORTUNITIES

---

Advertising students will be required to complete internships as part of their degree program.

---

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## ENTREPRENEURSHIP B.S.

TOTAL DEGREE HOURS: 120

A major in Entrepreneurship is intended for those students interested in the possibility of self-venturing or who may someday work in an existing entrepreneurial firm. Upon completion of this major, students will be especially prepared to leverage their knowledge to work in management positions within high growth, innovative firms or to take their own idea to market and create a new venture. This major utilizes an interdisciplinary approach to education thus providing a well-rounded knowledge of business.

Students will learn the creative nature of idea/opportunity identification and evaluation, the unique skills necessary to build an entrepreneurial firm, and the ability to interact with local community resources and mentors. In addition, students can develop their business concepts and start a new venture in the Student Innovation Incubator.

Further information about the Entrepreneurship major can be found at <http://www.usf.edu/entrepreneurship/>.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - ENTREPRENEURSHIP

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA:

- ACG X021 Principals of Financial Accounting - 3 credit hours
- ACG X071 Managerial Accounting - 3 credit hours
- CGS X100 Computers in Business - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics\* or STA X122 or QMB X100\* - 3 credit hours
- LDR XXXX Any Leadership prefixed course or SLS X261 - 3 credit hours
- MAC X233 Business Calculus - 3 credit hours

\* STA X023 and QMB X100 preferred

## **REQUIRED COURSES: (60 CREDIT HOURS)**

---

## **BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS**

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

### ENTREPRENEURSHIP B.S. - ADDITIONAL INFORMATION

---

#### GPA REQUIREMENTS

---

A 2.0 GPA in all major course work at USF and an overall 2.0 GPA including transfer work.

#### GRADING REQUIREMENTS

---

A minimum grade of C- is required in all Entrepreneurship classes.

#### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 18 hours of upper-level Entrepreneurship requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## GLOBAL BUSINESS B.A., WITH BUSINESS ANALYTICS AND INFORMATION SYSTEMS CONCENTRATION

TOTAL DEGREE HOURS: 120

Global Business refers to a business that is conducted across national borders. Firms face difficult challenges due to differences in country-specific political, economic, social, cultural, technological, institutional, regulatory, and organizational contexts.

The Bachelor of Arts in Global Business provides students with the knowledge, skills, and experience necessary for successful careers in the global business environment. Graduates will have not only a Global Business major, but also a concentration in one of the functional areas of business (Finance, Management, Marketing, and Business Analytics and Information Systems). With this preparation, graduates will find employment in many manufacturing, service or knowledge-based industries with global markets, global suppliers, global sources of finance and/or a globally diverse workforce. The Global Business program is unique in that it combines preparation in business administration with language studies and a meaningful overseas work or study experience.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## GLOBAL BUSINESS REQUIRED COURSES: (60 CREDIT HOURS)

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each Supporting course is required.

- COM 3110 - Communication For Business and the Professions **Credit(s): 3**  
**OR**
- SPC 2608 - Public Speaking **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- One foreign language course above the beginning language sequence, in the same language as the beginning foreign language sequence **Credit(s): 3**

## GLOBAL BUSINESS MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

- GEB 3373 - International Business **Credit(s): 3**
- MAN 4631 - Global Perspectives and Management Choices **Credit(s): 3**

## GLOBAL BUSINESS MAJOR (RESTRICTED) ELECTIVES: 6 COURSES; 18 CREDIT HOURS

---

## GLOBAL BUSINESS MAJOR ELECTIVES: 2 COURSES; 6 CREDIT HOURS

---

Select two courses from the following list of International Business courses:

- FIN 3604 - International Finance **Credit(s): 3**
- ISM 4041 - Global Cyber Ethics **Credit(s): 3**
- MAN 4600 - International Management **Credit(s): 3**
- MAR 4156 - International Marketing **Credit(s): 3**

## CONCENTRATION: 4 COURSES; 12 CREDIT HOURS

---

Students must declare and complete a 12 credit hour concentration from the following list:

- Business Analytics and Information Systems
- Marketing
- Finance
- Management

- ISM 4212 - Database Design and Administration **Credit(s): 3**
- ISM 4382 - Global Information Systems **Credit(s): 3**

### **CONCENTRATION ELECTIVE: 1 COURSE; 3 CREDIT HOURS**

---

Select a minimum of one of the following courses:

- ISM 3115 - Business Informatics **Credit(s): 3**
- ISM 3232 - Business Application Development **Credit(s): 3**
- ISM 4041 - Global Cyber Ethics **Credit(s): 3**
- ISM 4141 - Java Programming **Credit(s): 3**
- ISM 4153 - Enterprise Resource Planning Systems **Credit(s): 3**
- ISM 4213 - Advanced Database Administration **Credit(s): 3**
- ISM 4220 - Business Data Communications **Credit(s): 3**
- ISM 4234 - Object-Oriented Design and Development **Credit(s): 3**
- ISM 4300 - Managing Information Resources **Credit(s): 3**
- ISM 4314 - Project Management **Credit(s): 3**
- ISM 4323 - Information Security and IT Risk Management **Credit(s): 3**
- ISM 4402 - Business Intelligence **Credit(s): 3**
- ISM 4432 - Software Testing **Credit(s): 3**
- ISM 4940 - Business Analytics & Information Systems Internship **Credit(s): 3**

---

## **GLOBAL BUSINESS B.A. - ADDITIONAL INFORMATION**

---

### **OTHER REQUIREMENTS**

---

- An approved study abroad or overseas internship must be completed as part of the degree requirements.
- Courses used to satisfy a major in Accounting, Business Analytics and Information Systems, Finance, Management, or Marketing may not be used to satisfy the concentration requirement for the Global Business major. Courses used for a Global Business concentration cannot be used for a major.

### **GPA REQUIREMENTS**

---

- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF.
- An overall 2.0 GPA average on all college-level coursework.

### **GRADING REQUIREMENTS**

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Within the 120-semester-hour program, students must complete a minimum of 27 hours of upper-level coursework with a grade of C- in all courses.

### **RESIDENCY REQUIREMENTS**

---

Major residency: Nine (9) of the 12 required major core credit hours must be taken at USF. At least 9 credit hours of concentration coursework must be taken in residence at USF.

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

College residency: Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommend that students do an internship as part of their study abroad experience. For more information, please go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## GLOBAL BUSINESS B.A., WITH FINANCE CONCENTRATION

TOTAL DEGREE HOURS: 120

Global Business refers to a business that is conducted across national borders. Firms face difficult challenges due to differences in country-specific political, economic, social, cultural, technological, institutional, regulatory, and organizational contexts.

The Bachelor of Arts in Global Business provides students with the knowledge, skills, and experience necessary for successful careers in the global business environment. Graduates will have not only a Global Business major, but also a concentration in one of the functional areas of business (Finance, Management, Marketing, and Business Analytics and Information Systems). With this preparation, graduates will find employment in many manufacturing, service or knowledge-based industries with global markets, global suppliers, global sources of finance and/or a globally diverse workforce. The Global Business program is unique in that it combines preparation in business administration with language studies and a meaningful overseas work or study experience.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## GLOBAL BUSINESS REQUIRED COURSES: (60 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***

## GLOBAL BUSINESS B.A., WITH MANAGEMENT CONCENTRATION

TOTAL DEGREE HOURS: 120

Global Business refers to a business that is conducted across national borders. Firms face difficult challenges due to differences in country-specific political, economic, social, cultural, technological, institutional, regulatory, and organizational contexts.

The Bachelor of Arts in Global Business provides students with the knowledge, skills, and experience necessary for successful careers in the global business environment. Graduates will have not only a Global Business major, but also a concentration in one of the functional areas of business (Finance, Management, Marketing, and Business Analytics and Information Systems). With this preparation, graduates will find employment in many manufacturing, service or knowledge-based industries with global markets, global suppliers, global sources of finance and/or a globally diverse workforce. The Global Business program is unique in that it combines preparation in business administration with language studies and a meaningful overseas work or study experience.

### SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

### UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

### GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## GLOBAL BUSINESS REQUIRED COURSES: (60 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- MAN 4743 - Response of Business to Global Environmental Problems **Credit(s): 3**

---

## GLOBAL BUSINESS B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- An approved study abroad or overseas internship must be completed as part of the degree requirements.
- Courses used to satisfy a major in Accounting, Business Analytics and Information Systems, Finance, Management, or Marketing may not be used to satisfy the concentration requirement for the Global Business major. Courses used for a Global Business concentration cannot be used for a major.

### GPA REQUIREMENTS

---

- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF.
- An overall 2.0 GPA average on all college-level coursework.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Within the 120-semester-hour program, students must complete a minimum of 27 hours of upper-level coursework with a grade of C- in all courses.

### RESIDENCY REQUIREMENTS

---

Major residency: Nine (9) of the 12 required major core credit hours must be taken at USF. At least 9 credit hours of concentration coursework must be taken in residence at USF.

College residency: Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommend that students do an internship as part of their study abroad experience. For more information, please go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

---

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## GLOBAL BUSINESS REQUIRED COURSES: (60 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**

---

## GLOBAL BUSINESS B.A. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

- An approved study abroad or overseas internship must be completed as part of the degree requirements.
- Courses used to satisfy a major in Accounting, Business Analytics and Information Systems, Finance, Management, or Marketing may not be used to satisfy the concentration requirement for the Global Business major. Courses used for a Global Business concentration cannot be used for a major.

### GPA REQUIREMENTS

---

- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF.
- An overall 2.0 GPA average on all college-level coursework.

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Within the 120-semester-hour program, students must complete a minimum of 27 hours of upper-level coursework with a grade of C- in all courses.

### RESIDENCY REQUIREMENTS

---

Major residency: Nine (9) of the 12 required major core credit hours must be taken at USF. At least 9 credit hours of concentration coursework must be taken in residence at USF.

College residency: Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommend that students do an internship as part of their study abroad experience. For more information, please go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## MARKETING B.S.

TOTAL DEGREE HOURS: 120

Marketing is a dynamic field with many dimensions, including product selection and planning, product distribution, pricing, and promotion. Marketing poses many challenges and yields generous rewards for those who meet these challenges. Marketing operations are carried out domestically and internationally in all business organizations that offer a good or service. Many marketing concepts are applicable to the operations of non-profit organizations such as governmental, educational, and healthcare institutions, as well as charitable and political campaigns. Marketing operations provide the most visible links between the firm or institution and its many publics. Marketing deals with people who are constantly changing in their needs, wants, and desires; and coupled with these changing tastes is a fiercely competitive environment sustained by all the resources of a rapidly evolving technology. These forces lead to much of the challenge and dynamic nature of marketing.

The Marketing program prepares students for initial entry and management positions in many areas of marketing with a curriculum that is concerned with:

- Understanding how to attract and retain customers;
- Having the ability to find and analyze information;
- Being able to design, collect, and analyze marketing information to be used in managerial decision making;
- Using digital and traditional media to reach customers;
- Having personal communication skills that businesses demand;
- Being capable of writing an actionable marketing plan;
- Understanding and being able to apply the latest marketing concepts, including marketing automation.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

---

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

## MARKETING B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours in Marketing beyond MAR 3023 Basic Marketing.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours of upper-level Marketing coursework with a grade of C- in all courses, except MAR 3023 Basic Marketing, in which a minimum grade of C must be earned.

Marketing courses taken by Marketing majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 hours of upper-level Marketing requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Marketing and Supply Chain students take an internship course (MAR 4940 - Marketing Internship/Practicum or SCM 4941 - Supply Chain Management Internship) as part of their plan of study. For more information go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

## MARKETING B.S., WITH DIGITAL MARKETING CONCENTRATION

TOTAL DEGREE HOURS: 120

Marketing is a dynamic field with many dimensions, including product selection and planning, product distribution, pricing, and promotion. Marketing poses many challenges and yields generous rewards for those who meet these challenges. Marketing operations are carried out domestically and internationally in all business organizations that offer a good or service. Many marketing concepts are applicable to the operations of non-profit organizations such as governmental, educational, and healthcare institutions, as well as charitable and political campaigns. Marketing operations provide the most visible links between the firm or institution and its many publics. Marketing deals with people who are constantly changing in their needs, wants, and desires; and coupled with these changing tastes is a fiercely competitive environment sustained by all the resources of a rapidly evolving technology. These forces lead to much of the challenge and dynamic nature of marketing.

The Marketing program prepares students for initial entry and management positions in many areas of marketing with a curriculum that is concerned with:

- Understanding how to attract and retain customers;
- Having the ability to find and analyze information;
- Being able to design, collect, and analyze marketing information to be used in managerial decision making;
- Using digital and traditional media to reach customers;
- Having personal communication skills that businesses demand;
- Being capable of writing an actionable marketing plan;
- Understanding and being able to apply the latest marketing concepts, including marketing automation.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

### STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## MARKETING REQUIRED COURSES: (57 CREDIT HOURS)

---

### BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***
- QMB 3200 - Business and Economic Statistics II **Credit(s): 3**
- MAN 3025 - Principles of Management **Credit(s): 3**
- MAN 4504 - Operations and Supply Chain Management **Credit(s): 3**
- MAR 3023 - Basic Marketing **Credit(s): 3 \*\*\***

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

---

## MARKETING SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each supporting course is required.

- COM 3110 - Communication For Business and the Professions **Credit(s): 3**  
**OR**
- SPC 2608 - Public Speaking **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **credit(s): 3**

---

## MARKETING MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- MAR 3613 - Marketing Research **Credit(s): 3**
- MAR 3700 - Digital Marketing **Credit(s): 3**
- MAR 4824 - Marketing Management Problems **Credit(s): 3**

---

## MARKETING MAJOR (RESTRICTED) ELECTIVES: 4 COURSES; 12 CREDIT HOURS

---

Students complete a General Marketing program of study or complete one of four concentrations:

- Digital Marketing
- Entrepreneurship
- Sales
- Sport and Entertainment Management

# MUMA COLLEGE OF BUSINESS

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## DIGITAL MARKETING CONCENTRATION: 4 COURSES; 12 CREDIT HOURS

---

### CONCENTRATION CORE: 3 COURSES; 9 CREDIT HOURS

---

- MAR 4333 - Marketing Communications Management **Credit(s): 3**
- MAR 4503 - Buyer Behavior **Credit(s): 3**
- SPB 4717 - Social Media in Sport Marketing **Credit(s): 3**

### CONCENTRATION ELECTIVE: 1 COURSE; 3 CREDIT HOURS

---

Select one of the following courses:

- MAR 3400 - Professional Selling **Credit(s): 3**
- MAR 4940 - Marketing Internship/Practicum **Credit(s): 3**

## MARKETING B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours in Marketing beyond MAR 3023 Basic Marketing.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours of upper-level Marketing coursework with a grade of C- in all courses, except MAR 3023 Basic Marketing, in which a minimum grade of C must be earned.

Marketing courses taken by Marketing majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 hours of upper-level Marketing requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Marketing and Supply Chain students take an internship course (MAR 4940 - Marketing Internship/Practicum or SCM 4941 - Supply Chain Management Internship) as part of their plan of study. For more information go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## MARKETING B.S., WITH ENTREPRENEURSHIP CONCENTRATION

TOTAL DEGREE HOURS: 120

Marketing is a dynamic field with many dimensions, including product selection and planning, product distribution, pricing, and promotion. Marketing poses many challenges and yields generous rewards for those who meet these challenges. Marketing operations are carried out domestically and internationally in all business organizations that offer a good or service. Many marketing concepts are applicable to the operations of non-profit organizations such as governmental, educational, and healthcare institutions, as well as charitable and political campaigns. Marketing operations provide the most visible links between the firm or institution and its many publics. Marketing deals with people who are constantly changing in their needs, wants, and desires; and coupled with these changing tastes is a fiercely competitive environment sustained by all the resources of a rapidly evolving technology. These forces lead to much of the challenge and dynamic nature of marketing.

The Marketing program prepares students for initial entry and management positions in many areas of marketing with a curriculum that is concerned with:

- Understanding how to attract and retain customers;
- Having the ability to find and analyze information;
- Being able to design, collect, and analyze marketing information to be used in managerial decision making;
- Using digital and traditional media to reach customers;
- Having personal communication skills that businesses demand;
- Being capable of writing an actionable marketing plan;
- Understanding and being able to apply the latest marketing concepts, including marketing automation.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;

---

- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

---

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

- MAR 3023 - Basic Marketing **Credit(s): 3 \*\*\***

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

---

## MARKETING SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each supporting course is required.

- COM 3110 - Communication For Business and the Professions **Credit(s): 3**  
**OR**
- SPC 2608 - Public Speaking **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **credit(s): 3**

---

## MARKETING MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

- MAR 3613 - Marketing Research **Credit(s): 3**
- MAR 3700 - Digital Marketing **Credit(s): 3**
- MAR 4824 - Marketing Management Problems **Credit(s): 3**

---

## MARKETING MAJOR (RESTRICTED) ELECTIVES: 4 COURSES; 12 CREDIT HOURS

---

Students complete a General Marketing program of study or complete one of four concentrations:

- Digital Marketing
- Entrepreneurship
- Sales
- Sport and Entertainment Management

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## ENTREPRENEURSHIP CONCENTRATION: 4 COURSES; 12 CREDIT HOURS

---

### CONCENTRATION CORE: 3 COURSES; 9 CREDIT HOURS

---

- ENT 3613 - Creativity and Innovation in Entrepreneurial Firms **Credit(s): 3**
- ENT 4014 - New Venture Formation **Credit(s): 3**
- MAR 3400 - Professional Selling **Credit(s): 3**

### CONCENTRATION ELECTIVE: 1 COURSE; 3 CREDIT HOURS

---

Select one of the following courses:

- ENT 4024 - Small Business Management - Entrepreneurship **Credit(s): 3**
- MAR 4503 - Buyer Behavior **Credit(s): 3**
- MAR 4940 - Marketing Internship/Practicum **Credit(s): 3**

---

## MARKETING B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours in Marketing beyond MAR 3023 Basic Marketing.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours of upper-level Marketing coursework with a grade of C- in all courses, except MAR 3023 Basic Marketing, in which a minimum grade of C must be earned.

Marketing courses taken by Marketing majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 hours of upper-level Marketing requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Marketing and Supply Chain students take an internship course (MAR 4940 - Marketing Internship/Practicum or SCM 4941 - Supply Chain Management Internship) as part of their plan of study. For more information go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## MARKETING B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours in Marketing beyond MAR 3023 Basic Marketing.

### GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

### GRADING REQUIREMENTS

---

Within the 120-semester-hour program, students must complete a minimum of 21 hours of upper-level Marketing coursework with a grade of C- in all courses, except MAR 3023 Basic Marketing, in which a minimum grade of C must be earned.

Marketing courses taken by Marketing majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

### RESIDENCY REQUIREMENTS

---

**Major residency:** Students must complete 15 hours of upper-level Marketing requirements in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

### INTERNSHIP OPPORTUNITIES

---

It is strongly recommended that Marketing and Supply Chain students take an internship course (MAR 4940 - Marketing Internship/Practicum or SCM 4941 - Supply Chain Management Internship) as part of their plan of study. For more information go to: <https://www.usf.edu/business/talent-development/internships.aspx>.

---

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## MARKETING B.S., WITH SPORT AND ENTERTAINMENT MANAGEMENT CONCENTRATION

TOTAL DEGREE HOURS: 120

Marketing is a dynamic field with many dimensions, including product selection and planning, product distribution, pricing, and promotion. Marketing poses many challenges and yields generous rewards for those who meet these challenges. Marketing operations are carried out domestically and internationally in all business organizations that offer a good or service. Many marketing concepts are applicable to the operations of non-profit organizations such as governmental, educational, and healthcare institutions, as well as charitable and political campaigns. Marketing operations provide the most visible links between the firm or institution and its many publics. Marketing deals with people who are constantly changing in their needs, wants, and desires; and coupled with these changing tastes is a fiercely competitive environment sustained by all the resources of a rapidly evolving technology. These forces lead to much of the challenge and dynamic nature of marketing.

The Marketing program prepares students for initial entry and management positions in many areas of marketing with a curriculum that is concerned with:

- Understanding how to attract and retain customers;
- Having the ability to find and analyze information;
- Being able to design, collect, and analyze marketing information to be used in managerial decision making;
- Using digital and traditional media to reach customers;
- Having personal communication skills that businesses demand;
- Being capable of writing an actionable marketing plan;
- Understanding and being able to apply the latest marketing concepts, including marketing automation.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

### STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## MARKETING REQUIRED COURSES: (57 CREDIT HOURS)

---

### BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***

## SUPPLY CHAIN MANAGEMENT B.S.

TOTAL DEGREE HOURS: 120

The B.S. in Supply Chain Management equips students with the knowledge and skills needed to pursue careers in the supply chain industry. Supply chain management is a business function that ensures the efficient and effective management of the flow of goods, services and finances among firms around the world to transform raw materials into finished products along with management reverse flows (e.g., defective or damaged products, product returns, end-of-life disposal) in a sustainable manner. Graduates from this program enter the workforce in supply chain positions across multiple types of companies including manufacturing, distribution, transportation, and retailing. Students gain field-based experience through a required internship and a project in the capstone course.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

# MUMA COLLEGE OF BUSINESS

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

## REQUIRED HOURS: (57 CREDIT HOURS)

---

## BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

### SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDITS

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each supporting course is required.

- COM 3110 - Communication For Business and the Professions **Credit(s): 3**  
**OR**
- SPC 2608 - Public Speaking **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
- Contemporary International Topics Course **Credit(s): 3**

### MAJOR CORE COURSES: 7 COURSES; 21 CREDIT HOURS

---

- SCM 3005 - Supply Chain Management **Credit(s): 3**
- SCM 3144 - Global Sourcing **Credit(s): 3**
- SCM 4120 - Global Commerce **Credit(s): 3**
- SCM 4210 - Logistics and Physical Distribution Management **Credit(s): 3**
- SCM 4420 - Supply Chain Analytics **Credit(s): 3**
- SCM 4941 - Supply Chain Management Internship **Credit(s): 3**
- SCM 4950 - Supply Chain Management Capstone Project **Credit(s): 3**

### SUPPLY CHAIN MANAGEMENT B.S. - ADDITIONAL INFORMATION

---

#### GPA REQUIREMENT

---

Students must earn a 2.0 GPA on all major coursework and have an overall 2.0 major GPA including any applicable transfer work.

#### GRADING REQUIREMENTS

---

Students must complete a minimum of 21 hours of upper-level Supply Chain Management coursework beyond MAN 4504 - Operations and Supply Chain Management with a grade of C- in all courses.

#### RESIDENCY REQUIREMENT

---

Major residency: Students must complete 15 hours of upper-level Supply Chain Management requirements in residency at USF.

College residency: Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses. Normally, independent study and independent research courses do not fulfill this requirement.

### RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in

# MUMA COLLEGE OF BUSINESS

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## ENTREPRENEURSHIP AND INNOVATION MINOR FOR BUSINESS AND INDUSTRIAL ENGINEERING MAJORS

This is an interdisciplinary entrepreneurship minor available to USF Business and Industrial Engineering majors (other majors should take the Entrepreneurship and Innovation Minor for Non-Business and Non-Industrial Engineering Majors). This minor focuses on successful opportunity recognition; encourages application of creativity and innovation; and, develops leadership skills for new venture creation and organizational growth. This minor teaches valuable, real-world skills that will complement the major -- whether students would like to increase their entrepreneurial business skills, pursue their own business ideas, or learn ways to bring innovation and entrepreneurial leadership into existing positions and businesses.

### MINOR REQUIREMENTS

For Business and Industrial Engineering majors only. The minor requires a total of 12 credit hours.

### TOTAL MINOR CREDIT HOURS: 12

#### Minor Core Credit Hours: 6

- ENT 3613 - Creativity and Innovation in Entrepreneurial Firms **Credit(s): 3**  
or
- EIN 4200 - Creativity in Technology **Credit(s): 3 (Engineering students only)**
- ENT 4014 - New Venture Formation **Credit(s): 3**

#### Minor Elective Credit Hours: 6

Choose 6 credit hours:

- Any upper level Entrepreneurship courses with an ENT prefix (excluding ENT 3003 and ENT 3004)
- MAR 4933 - Selected Topics in Marketing: Int'l ENT 1 & 2 Study Abroad (6 hours total)
- MAR 4933 - Selected Topics in Marketing: New Product Development Projects (3)
- EIN 4933 - Special Topics in Industrial Engineering: Product Development (3) (Engineering students only)

### GPA REQUIREMENT

A GPA of 2.0 or better must be achieved in the course work at USF and in all minor courses completed at other institutions.

### GRADING REQUIREMENT

No minor course with a grade of "C" or less.

### RESIDENCY REQUIREMENTS

Students must take nine (9) of the 12 hours required in residency at USF.

### ADVISING INFORMATION - MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## INTERNATIONAL BUSINESS MINOR

---

The minor in International Business provides business students the opportunity to study international topics related to Finance, Global Information Systems, Management, Marketing, and Global Perspectives. This minor prepares students to work in an internationally diverse work force or employment abroad.

---

### MINOR REQUIREMENTS

---

The minor in International Business is available to all students in the Muma College of Business.

---

### TOTAL MINOR CREDIT HOURS: 12

---

---

### MINOR CORE (12 CREDIT HOURS)

---

---

### REQUIRED COURSES (6 CREDIT HOURS)

---

- GEB 3373 - International Business **Credit(s): 3**
- MAN 4631 - Global Perspectives and Management Choices **Credit(s): 3**

---

### PLUS ANY 2 OF THE FOLLOWING (6 TOTAL CREDIT HOURS)

---

- FIN 3604 - International Finance **Credit(s): 3**
- ISM 4382 - Global Information Systems **Credit(s): 3**
- MAN 4600 - International Management **Credit(s): 3**
- MAR 4156 - International Marketing **Credit(s): 3**

---

### GPA REQUIREMENTS

---

A grade point average of 2.00 or better must be achieved in the minor coursework and in all minor courses completed at other institutions.

---

### GRADING REQUIREMENTS

---

Students are required to earn a "C" or higher in International Business courses that are counted toward the minor requirements.

---

### RESIDENCY REQUIREMENT

---

Students must take nine (9) of the 12 hours required in residency at USF.

---

### OTHER RECOMMENDATIONS

---

Competency to effectively communicate in a foreign language is strongly advised.

---

## MARKETING (FOR BUSINESS MAJORS ONLY) MINOR

The Marketing Minor is an excellent complement to all other business majors. All business majors will be challenged to develop and grow client bases, communicate and promote products and services to relevant target audiences, build distribution efficiencies, invest in cutting edge product development, and understand critical marketing research. A minor in Marketing can help any business major develop and implement these critical competitive advantages and set themselves apart from their peers.

### MINOR REQUIREMENTS

The Marketing minor is available to all Undergraduate Muma College of Business students, except those majoring in Marketing.

### TOTAL MINOR CREDIT HOURS: 12

Minor Core Credit Hours: 12

- 12 hours of upper-level marketing courses excluding MAR 4824 and MAR 3023

### GPA REQUIREMENT

A grade point average of 2.0 or better in the minor.

### GRADING REQUIREMENT

A grade of C- or better in all courses for the minor.

### RESIDENCY REQUIREMENT

Students must take nine (9) of the 12 required minor hours at USF.

## SALES CERTIFICATE

TOTAL CERTIFICATE HOURS: 12

The Sales certificate provides sales skills to students in departments across USF (e.g., Engineering, Health, Arts) that recognize the need for their students to learn the fundamentals of sales. The Sales certificate equips students with basic skills necessary for a career that involves professional selling.

## CERTIFICATE REQUIREMENTS

### CERTIFICATE CORE (12 CREDIT HOURS)

- MAR 3023 - Basic Marketing **Credit(s): 3**
- MAR 3400 - Professional Selling **Credit(s): 3**
- MAR 4403 - Sales Management **Credit(s): 3**
- MAR 4415 - Advanced Professional Selling **Credit(s): 3**

## GPA REQUIREMENTS

A minimum grade of C (not C-) is required in each course applied to the certificate.

## RESIDENCY REQUIREMENT

At least 12 hours of the required 12 credit hours must be taken in residence at USF.

## OTHER REQUIREMENTS

The Sales certificate is open to all USF majors and non-degree seeking students.

## **SCHOOL OF RISK MANAGEMENT AND INSURANCE**

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## RISK MANAGEMENT AND INSURANCE B.S.

The Risk Management and Insurance major prepares individuals to plan, manage, and analyze the financial and monetary aspects of the insurance industry. It provides a broad based, analytical program for students anticipating a career in either the property casualty insurance or life/health insurance fields. The curriculum in risk management and insurance provides students with the knowledge necessary to analyze the impact of risk and uncertainty upon people, businesses and society. Graduates in risk management and insurance find a variety of career opportunities open to them as risk analysts within the business community and government; as brokers/agents providing professional risk management counseling and market placement services for clients; as consultants and personal financial planners; and in the underwriting, marketing, claims adjusting, planning, governmental relations, and financial management activities of insurers.

The major is designed to ensure that graduates are familiar with the tools of risk management and insurance decision making and that they possess the skills to stay abreast of the developments in the field. It includes preparation in principles of accounting, financial instruments, capital planning, asset and debt management, budgeting, financial analysis, and investment portfolio management. Risk Management and Insurance graduates will understand the functions and operations of insurance providers. Course content is designed to provide majors with an appreciation of cooperative work skills and to enhance their verbal and written communication skills.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

### REQUIRED COURSES: (57 CREDIT HOURS)

---

### BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- ENC 3310 - Expository Writing **Credit(s): 3**
- **Contemporary International Topics Course (3)**

## MAJOR CORE COURSES: 4 COURSES; 12 CREDITS

---

- RMI 3011 - Principles of Insurance **Credit(s): 3**
- RMI 4115 - Life & Health Insurance Products **Credit(s): 3**
- RMI 4292 - Property and Casualty Insurance Operations **Credit(s): 3**
- RMI 4354 - Enterprise Risk Management **Credit(s): 3**

## ADDITIONAL REQUIRED COURSE: 1 COURSE; 3 CREDITS

---

Please select one of the following:

- FIN 4303 - Financial Institutions and Markets **Credit(s): 3**
- MAR 4841 - Services Marketing **Credit(s): 3**
- RMI 3305 - Natural Disasters and Community Recovery **Credit(s): 3**

## MAJOR (RESTRICTED) ELECTIVES: 2 COURSES; 6 CREDITS

---

Choose two courses from the following:

- MAN 3240 - Organizational Behavior Analysis **Credit(s): 3**
- MAN 4802 - Entrepreneurship and Small Business Management **Credit(s): 3**
- MAR 3400 - Professional Selling **Credit(s): 3**
- MAR 4841 - Services Marketing **Credit(s): 3**
- FIN 3XXX - 4XXX **Credit(s): 3**
- RMI 3XXX - 4XXX **Credit(s): 3**

## RISK MANAGEMENT AND INSURANCE B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

- Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

- In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

## GRADING REQUIREMENTS

Within the 120 credit hour program, students must complete a minimum of 21 hours of upper-level Risk Management and Insurance coursework with a grade of C not C- in all courses, including FIN 3403.

## RESIDENCY REQUIREMENTS

**Major Residency:** Students must complete 15 hours of upper-level Risk Management and Insurance requirements in residency at USF.

**College Residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## RISK MANAGEMENT AND INSURANCE MINOR (FOR BUSINESS MAJORS ONLY)

The Risk Management and Insurance minor is available to all Undergraduate Muma College of Business students, except those majoring in Risk Management and Insurance. A grade of C (not C-) or better must be earned in each of the required courses counted for the minor. A GPA of 2.0 or higher must be achieved in all minor coursework. All attempts will be included in the GPA unless grade forgiveness has been used. This program is for Business majors only.

**TOTAL MINOR CREDIT HOURS: 12**

### MINOR CORE COURSES (9 CREDIT HOURS)

Note: RMI 4292 and RMI 4447 can be applied towards the Chartered Property and Casualty Underwriter (CPCU) designation, a prominent industry credential.

- RMI 3011 - Principles of Insurance **Credit(s): 3**
- RMI 4292 - Property and Casualty Insurance Operations **Credit(s): 3**
- RMI 4354 - Enterprise Risk Management **Credit(s): 3**

### MINOR ELECTIVE COURSES (3 CREDIT HOURS)

Electives may be selected from among those 3000 or 4000 level classes that have RMI or FIN as prefixes, as well as MAN 4802, MAR 3823, MAR 4841, and MAR 3400.

### GPA REQUIREMENTS

- A grade point average of 2.00 or better must be achieved in the minor coursework and in all minor courses completed at other institutions.
- All attempts will be included in the GPA unless grade forgiveness has been used.

### GRADING REQUIREMENTS

A grade of "C" (not C-) or better must be earned in each of the Risk Management and Insurance courses that are counted toward the minor requirements.

## GENERAL BUSINESS STUDIES B.S.

TOTAL DEGREE HOURS: 120

The General Business Studies major provides students with substantial preparation in core areas of business and prepares them for positions in a business world that is increasingly interdisciplinary and values cross-functional abilities.

## SPECIALIZED ADMISSIONS - MUMA COLLEGE OF BUSINESS

This program has specialized admissions meaning students must complete additional requirements before entering the major. Please see Muma College of Business site for more information on Specialized Admissions requirements.

## UNIVERSITY ADMISSIONS - MUMA COLLEGE OF BUSINESS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## PROGRESSION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

All students entering USF for the first time in Fall 2017 or later, who subsequently earn three (3) D and/or F grades in any or any combination of the following courses at USF will be required to change their major to a major more appropriate to their goals and academic performance and to a major not conferred by the Muma College of Business. The courses are: ACG 2021, ACG 2071, CGS 2100, ECO 2013, ECO 2023, MAC 2233 (or equivalent), and QMB 2100 (or equivalent).

## GRADUATION REQUIREMENTS - MUMA COLLEGE OF BUSINESS

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education Requirements;
- State Computation (6 credit hours);
- State Communication (6 credit hours, in addition to ENC 1101 and ENC 1102);
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - MUMA COLLEGE OF BUSINESS

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student's program at USF.

Florida public state or community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the state or community college that are listed as 3000- and 4000-level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration courses, taken at the lower division level will not be accepted for upper division credit at USF in business administration. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the Muma College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF Muma College of Business, but may only earn a major in Management. Please see a business advisor to determine the articulation courses, discuss admission to the Muma College of Business and prepare a program plan for degree completion.

Florida College System students pursuing an Associate of Science (A.S.) program in any other discipline should contact the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

Completion of the following State Mandated Common Course Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA\*:

- ACG X021 Principals of Financial Accounting or ACG X022 or (ACG X001 & ACG X011) - 3-6 credit hours
- ACG X071 Managerial Accounting or ACG X301 - 3 credit hours
- CGS X100 Computers in Business or CGS X100C or CGS X570 or CGS X060 or CGS X531 or CGS X000 or ISM X000 or CGS X518 or CGS X101 - 3 credit hours
- ECO X013 Principles of Macroeconomics - 3 credit hours
- ECO X023 Principles of Microeconomics - 3 credit hours
- STA X023 Introductory Statistics or STA X122 or QMB X100 - 3 credit hours
- MAC X233 Elementary Calculus - 3 credit hours

\*Supply Chain Management majors must complete courses with a grade of B- or higher in each course and an overall 3.0 GPA in the prerequisite courses

---

### REQUIRED COURSES: (54 CREDIT HOURS)

---

### BUSINESS FOUNDATION COURSES (REQUIRED OF ALL BUSINESS MAJORS): 9 COURSES; 27 CREDIT HOURS

---

A minimum grade of C- in each Foundation Course and an overall 2.0 GPA is required.

- BUL 3320 - Law And Business I **Credit(s): 3**
- FIN 3403 - Principles of Finance **Credit(s): 3 \***
- GEB 3033 - Business Workplace Skills and Best Practices **Credit(s): 3**
- GEB 4890 - Strategic Management and Decision Making **Credit(s): 3**
- ISM 3011 - Information Systems in Organizations **Credit(s): 3 \*\***
- QMB 3200 - Business and Economic Statistics II **Credit(s): 3**
- MAN 3025 - Principles of Management **Credit(s): 3**

---

- MAN 4504 - Operations and Supply Chain Management **Credit(s): 3**
- MAR 3023 - Basic Marketing **Credit(s): 3** \*\*\*

\* Finance, Personal Financial Planning, and Risk Management and Insurance majors must earn a C, not a C-, in FIN 3403 with no more than two attempts.

\*\* IACM majors must earn a C, not a C-, in ISM 3011.

\*\*\* Marketing majors must earn a C, not a C-, in MAR 3023.

## SUPPORTING REQUIRED COURSES: 3 COURSES; 9 CREDIT HOURS

---

The following courses are supporting courses for this major. They are required for the major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

A minimum grade of C- in each Supporting course is required.

- SPC 2608 - Public Speaking **Credit(s): 3**  
**OR**
- COM 3110 - Communication For Business and the Professions **Credit(s): 3**
- ENC 3250 - Professional Writing **Credit(s): 3**  
**OR**
- ENC 3310 - Expository Writing **Credit(s): 3**
  - Contemporary International Topics Course (3)

## MAJOR CORE COURSES: 3 COURSES; 9 CREDIT HOURS

---

Students must complete three (3) upper-level courses from at least one of the following Business areas: Accounting, Business Analytics and Information Systems, Entrepreneurship, Finance, Management, or Marketing.

- Accounting Area: Nine (9) credit hours of earned ACG 3000-4999 coursework.
- Business Analytics and Information Systems Area: Nine (9) credit hours of earned ISM 3000-4999 coursework.
- Entrepreneurship Area: Nine (9) credit hours of earned ENT 3000-4999 coursework.
- Finance Area: Nine (9) credit hours of earned FIN 3000-4999 coursework.
- Management Area: Nine (9) credit hours of earned MAN 3000-4999 coursework.
- Marketing Area: Nine (9) credit hours of earned MKT 3000-4999 coursework.

## BUSINESS OR NON-BUSINESS COURSE ELECTIVES: 3 COURSES; 9 CREDIT HOURS

---

As part of the General Business Studies major, students may choose to apply three (3) upper-level courses outside the Business area. The upper-level courses do not have to be from a specific discipline, however only two (2) of the three (3) courses may fulfill other degree requirements.

## GENERAL BUSINESS STUDIES B.S. - ADDITIONAL INFORMATION

---

### GRADING REQUIREMENTS

---

In computing entry grade point average, all business and economics courses taken for S or U grades will be converted to C or F, respectively.

Within the 120-credit hour program, students must complete a minimum of 12 credit hours with a grade of C- or higher for all Business and non-Business courses applied for the major core and electives. Business courses taken by General Business Studies majors on an S/U basis will not be counted toward the 120-hour graduation requirement.

# MUMA COLLEGE OF BUSINESS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## GPA REQUIREMENTS

---

Students must earn a 2.0 GPA on all major coursework at USF and have an overall 2.0 major GPA, including any applicable transfer work. Best attempts will be used when calculating the GPA.

## RESIDENCY REQUIREMENTS

---

**Major residency:** Of the total nine (9) credit hours of major Business coursework, six (6) must be taken in residency at USF. Of the total nine (9) credit hours of elective coursework, six (6) must be taken in residency at USF.

**College residency:** Muma College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF a minimum of 50 percent (30-33 credit hours depending on major) of required Business courses, including 12-18 credit hours in the major field. Normally, independent study and independent research courses do not fulfill this requirement.

---

## RESEARCH OPPORTUNITIES - MUMA COLLEGE OF BUSINESS

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

### About the College

---

As the home to more than 2,200 students and 130 faculty members across three campuses, the University of South Florida's College of Education values high-quality education and excellence in research, teaching, and learning. Our college is nationally accredited by the Council for the Accreditation of Educator Preparation (CAEP) and our educator preparation programs are fully approved by the Florida Department of Education.

At a time when the skills and pedagogy of classroom teachers and school administrators is more important than ever, the USF College of Education offers state-of-the-art teacher training and collaborative and collegial graduate studies designed to empower educational leaders. Working closely with our partners in the school districts across the Tampa Bay region, we seek to work with our community to extend proven educational initiatives and discover new ways of preparing life-long learners in an era of increasing access to knowledge and technology.

### Mission and Vision

---

#### Mission

---

The Mission of the College of Education is to promote transformative education and social justice through rigorous research, innovative teaching, as well as locally and globally engaged partnerships.

#### Vision

---

The USF College of Education envisions itself as a leader in regional, national and international education. Leadership in education encompasses:

- Academic excellence
- Research, scholarship, and inquiry that renews the educational process
- Collaboration that serves communities, institutions, and individuals
- Preparation that builds on academic excellence, scholarship, clinical practice, and collaboration and that contributes to a just and productive society

### Accreditation

---

The USF College of Education is proud to be nationally accredited by the Council for the Accreditation of Educator Preparation (CAEP). CAEP accreditation is a voluntary process designed to ensure high-quality practices through a rigorous evaluation process consisting of self-evaluation, on-site accreditation evaluators, and ongoing assessment.

## Admission Requirements

---

### Educator Preparation Programs

---

Educator preparation programs are ideal for students who wish to become classroom teachers as these programs are designed to result in eligibility for teacher certification in the state of Florida. Students seeking admission are encouraged to meet with an academic advisor in Student Academic Services by making an appointment. (<https://www.usf.edu/education/undergraduate/academic-advising/index.aspx>).

Effective July 1, 2021, the State of Florida changed its requirement for students to pass the General Knowledge Test (GKT) for admission to teacher preparation programs. The GKT is no longer required for admission. Accordingly, the College of Education's admission criteria for undergraduate teacher preparation programs include the following:

- Successful admission to the University of South Florida
- An application to the College of Education's Teacher Preparation Programs
- A minimum overall GPA of 2.50 (on a 4.0 scale)
- Completion of or enrollment in appropriate prerequisite coursework for the student's intended major. (<https://www.usf.edu/education/undergraduate/academic-advising/prerequisite-checklists.aspx>).

Prior to graduation, however, undergraduate students are required to submit proof of passing scores on all parts of the Florida Teacher Certification Exam (General Knowledge Test, the Professional Education Test, and appropriate subject area examinations). Please see the following URL for additional information: (<https://www.usf.edu/education/resources-for-educators/teacher-certification/general-knowledge-test.aspx>). This change applies to students enrolled in the following undergraduate degree programs:

- Early Childhood Education (ESOL and Reading Endorsements)
- Education (ESOL and Reading Endorsements)
- Elementary Education (ESOL and Reading Endorsements)
- English Education (ESOL and Reading Endorsements)
- Exceptional Student Education (ESOL and Reading Endorsements)
- Mathematics Education (Grades 6-12)
- Middle School Mathematics Education (Grades 5-9)
- Physical Education
- Science Education
- Social Science Education

### Exercise Science Program

---

The Exercise Science program is designed to equip future exercise professionals with the knowledge and skills to meet the diverse health and performance needs of our population through the integration of coursework with laboratory-based and field-based experiential learning. It is a highly competitive, specialized admissions program. Enrollment is limited to a select number of students each fall semester based on the successful completion of specific courses and a composite GPA. Students seeking admission are encouraged to meet with an academic advisor in Student Academic Services by making an appointment. (<https://www.usf.edu/education/undergraduate/academic-advising/index.aspx>)

Students should take the following steps to be considered for the program:

- Submit an application to the University of South Florida.
- Submit an application to the College of Education for the Exercise Science program. (<https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>)
- Applicants must have a minimum overall GPA of 2.50
- Applicants must have successfully completed specific prerequisite courses with an identified minimum grade to be eligible for admission. Learn more by reviewing the major-specific Prerequisite Checklists (<https://www.usf.edu/education/undergraduate/academic-advising/prerequisite-checklists.aspx>)

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## Program-Specific Requirements

---

### Background Checks and Fingerprinting

All students seeking admission to educator preparation programs will be required to undergo a background check and fingerprinting during the admission process. International students should be mindful that fingerprinting requires a social security number. Depending upon the outcome of the background check, students may be informed they cannot be placed in a particular school district. As each program determines the school district(s) in which to place their students, past legal history may impact a student's ability to enter field experience and continue in an educator preparation program. Please be advised that program and/or course requirements and fingerprinting/background check procedures are subject to change per state legislative mandates, Florida State Department of Education program approval standards, accreditation criteria, and school district policy and procedures. Students can learn more about fingerprinting from Student Academic Services

### Insurance

As all undergraduate programs in the college will require a field-based internship, students are encouraged to purchase liability insurance before entering any course with field experience. Student Academic Services can provide resources to students regarding coverage options.

## Graduation Requirements

---

The College of Education strives to ensure students graduate in a timely fashion and without incurring unnecessary debt. In order to graduate, students should take the following steps:

Meet with your academic advisor each semester to review your progress toward degree.

Successfully complete all state, university, and program requirements

Earn 120 credit hours

Earn a minimum overall GPA of 2.5

Complete any required certification exams

Apply to graduate. (<https://www.usf.edu/education/academics/graduation-information.aspx>)

Time Limits for Coursework

The College of Education reserves the right to determine whether courses five years or older can be applied toward a degree based on the following guidelines:

Courses completed within the last five years may be accepted toward graduation. Courses completed over five years but less than ten years ago must have the approval of the chairperson from the department in which the equivalent course is taught. Courses completed ten years ago or longer will count as elective credit only toward graduation.

## Baccalaureate-Level Degree Programs

### Global Pathways

---

<https://www.usf.edu/gcp/students/index.aspx>

A Global Pathway is an undergraduate major or degree program that has significant global content. Global Pathways provide students with the opportunity to practice and apply global competencies through the major or degree program. The following programs are designated as Global Pathway Programs:

Global Studies in Education Minor

<https://www.usf.edu/education/documents/advising/undergraduate/minor-guide-global-studies-education.pdf>

Exceptional Student Education

<https://www.usf.edu/education/areas-of-study/exceptional-student-education/>

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## Bachelor of Science

---

### EARLY CHILDHOOD EDUCATION: PRE KINDERGARTEN/PRIMARY (ESOL AND READING ENDORSEMENTS)

<https://www.usf.edu/education/areas-of-study/early-childhood-education/>

The program embraces a pedagogy of social justice with community-engaged scholarship and active participation in linguistically, culturally, and socio-economically diverse settings. The program prepares students to acquire the skills and dispositions necessary to advocate for positive change in the lives of children, families, and communities.

### EDUCATION (ESOL AND READING ENDORSEMENTS)

<https://www.usf.edu/education/areas-of-study/educational-studies/programs/degree-programs.aspx>

This program is uniquely designed to integrate the pedagogy, content, and clinical experiences necessary for graduates to gain certification in Exceptional Student Education as well as Elementary Education.

### EDUCATIONAL STUDIES

<https://www.usf.edu/education/areas-of-study/educational-studies/programs/degree-programs.aspx>

The BS in Educational Studies prepares individuals for a variety of career paths such as teaching English abroad, informing educational policy, non-profit work, and childcare, among many others. It also serves as the minimum educational credential for graduate school. This pathway does not lead to teacher certification, nor is it a teacher preparation program. Experiential learning, foundations of education, as well as an exploration of best practices associated with teaching and learning comprise this program of study; effectively preparing graduates to pursue an educationally-focused career outside of the Florida public school system.

### ELEMENTARY EDUCATION (ESOL AND READING ENDORSEMENTS)

<https://www.usf.edu/education/areas-of-study/elementary-education/>

The B.S. in Elementary Education Program develops teachers who possess sound instructional practices as well as an inquiry mindset that allows teachers to differentiate instruction to enhance student learning.

### ENGLISH EDUCATION (ESOL AND READING ENDORSEMENTS)

<https://www.usf.edu/education/areas-of-study/english-education/>

The Bachelor of Science degree in English Education prepares students to develop content knowledge related to structures and functions of language, diverse literatures (including print and non-print texts and multimedia), adolescent literacy and writing theories and processes. This program is a joint program between the College of Education and the College of Arts and Sciences.

### EXCEPTIONAL STUDENT EDUCATION (ESOL AND READING ENDORSEMENTS)

<https://www.usf.edu/education/areas-of-study/exceptional-student-education/>

The Exceptional Student Education program prepares teachers to work with children who have emotional and behavioral disorders, intellectual disabilities, and specific learning disabilities. The undergraduate program is a state-approved program that leads to certification in Exceptional Student Education and an endorsement in teaching English Speakers of a Second Language (ESOL).

### EXERCISE SCIENCE

<https://www.usf.edu/education/areas-of-study/exercise-science/>

The Bachelor of Science in Exercise Science prepares students for careers in strength and conditioning, corporate fitness, community-based fitness, cardiac rehabilitation and physical therapy school. Students will explore the science of human movement through curriculum in the biological, psychological and social sciences, including health, nutrition, exercise psychology, anatomy, physiology and biomechanics.

### SOCIAL SCIENCE EDUCATION

<https://www.usf.edu/education/areas-of-study/social-science-education/>

# COLLEGE OF EDUCATION

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

The Social Science Education Program engages students with methods of inquiry and pedagogy in the social studies. Attention is given to both an interdisciplinary curriculum and to individual social disciplines including history, geography, civics and government, economics, anthropology, psychology, sociology and related fields of study.

## Bachelor of Arts or Bachelor of Science

---

### MATHEMATICS EDUCATION

<https://www.usf.edu/education/areas-of-study/mathematics-education/>

The Bachelor of Science (B.S.) in Mathematics Education is a 120 credit hour program. The program explores educational foundations, methods, and theory and practice of teaching mathematics at grades 6-12. It is designed to prepare effective teachers of middle and high school mathematics who are knowledgeable, reflective, caring, and are able to meet the needs of a diverse student population.

### PHYSICAL EDUCATION

<https://www.usf.edu/education/areas-of-study/physical-education/>

The Bachelor of Science in Physical Education is designed for those who wish to qualify for Florida certification in teaching Physical Education for students in Kindergarten through 12th grade. This degree is a two-year program of study.

### SCIENCE EDUCATION

<https://www.usf.edu/education/areas-of-study/science-education/>

The Bachelor of Science (B.S.) in Science Education explores educational foundations and methods to prepare educators in middle and secondary schools. It also explores the theory and practice of teaching science education. The objective is to prepare reflective and caring educators

## Bachelor of Arts

---

### INTERDISCIPLINARY EDUCATION

<https://www.usf.edu/education/areas-of-study/interdisciplinary-education/#:~:text=The%20PhD%20concentration%20in%20Interdisciplinary,an%20individualiz ed%20program%20of%20study.>

The Interdisciplinary Education degree leads to a Bachelor of Arts designed for those not seeking positions as classroom teachers, which would require certification through the Elementary Education degree. The Interdisciplinary Education degree shares common courses with the Elementary Education degree; therefore, it is possible to transfer from Elementary Education into Interdisciplinary Education without losing time toward completion.

## Minors

---

### FOREIGN LANGUAGE EDUCATION

<https://www.usf.edu/education/documents/advising/undergraduate/minor-guide-foreign-language-edu.pdf>

The minor in Foreign Language Education is for students who are pursuing a degree in another field and who have an interest in teaching a foreign language. The courses in the minor give students a foundation in methods of teaching a foreign or second language. Completing this does not result in Florida teaching certification.

### GLOBAL STUDIES IN EDUCATION

<https://www.usf.edu/education/documents/advising/undergraduate/minor-guide-global-studies-education.pdf>

Students pursuing a minor in Global Studies in Education will gain knowledge about the relationships between education and the increasingly globalized world and learn how to apply this knowledge within diverse fields and professional settings. This interdisciplinary minor integrates educational, sociological, and psychological perspectives.

## PROFESSIONAL TRAINING OPTION

[https://catalog.usf.edu/preview\\_program.php?catoid=13&pooid=4848](https://catalog.usf.edu/preview_program.php?catoid=13&pooid=4848)

The Professional Training Option (PTO) is an approved alternative teacher certification program that leads to temporary certification. A Temporary Teaching Certificate enables educators to complete the Professional Certificate requirements while teaching full-time. It is designed for students interested in teaching at the secondary level in English, Social Science, or Science in the State of Florida.

## SCIENCE OF PHYSICAL ACTIVITY

<https://www.usf.edu/education/documents/advising/undergraduate/minor-guide-science-physical-activity.pdf>

Students pursuing a minor in Science of Physical Activity gain experience working with physically active individuals, and learn skills that translate to work in after-school programs, recreation environments, or fitness centers. Completing this minor does not result in Florida teaching certification.

## Concentrations

---

A concentration is any organized set of courses that is offered as part of a major and enhances or complements the degree program to be awarded in a manner that leads to specific educational or occupational goals, and/or from different disciplines that provide an interdisciplinary focus.

## Mathematics Education

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## EARLY CHILDHOOD EDUCATION (ESOL AND READING ENDORSEMENTS) B.S.

TOTAL DEGREE HOURS: 120

Early Childhood Education is a field of study that includes the teaching and learning of young children. This includes the preparation of prospective teachers through both coursework and extensive field experiences in various early childhood settings to enable them to integrate theory with teaching practices. Successful completion of this state-approved program will make the prospective teachers be eligible for the Florida Early Childhood Teaching Certification Pre-Kindergarten/Primary (age 3 – grade 3). The objective of the program is to provide prospective teachers with the necessary knowledge, skills, and dispositions required to teach Pre-K through 3rd grade students, with a particular focus on understanding developmentally appropriate practice; providing inclusive, differentiated, and culturally responsive instruction; utilizing technology to enhance student learning, and demonstrating on-going professional development.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - EARLY CHILDHOOD EDUCATION B.S.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 or higher overall GPA;

Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at

<https://www.usf.edu/education/resources-for-educators/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program

(see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

### REQUIREMENTS AFTER ADMISSION INTO THE EARLY CHILDHOOD PROGRAMS

Maintain at least a 2.50 GPA in professional education and specialization coursework. If a student falls below 2.50 GPA he/she may be dismissed and/or may be required to meet with the departmental Professional Standards Committee.

Receive a grade of C- or higher in all required courses to progress to the following semester or he/she may be dismissed and/or required to meet with departmental Professional Standards Committee.

Pay for costs in addition to tuition, fees, and books such as:

Transportation to and from school sites required in courses and internships

Criminal background checks and fingerprinting for internships

Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, digital recording equipment, etc.)

### READING ENDORSEMENT

Students may complete a state-approved program to be eligible for licensure in Early Childhood Education Pre-Kindergarten/Primary (age 3 - Grade 3). The current program of studies includes both coursework and extensive field experiences in early childhood settings to enable students to integrate theory with teaching practice. Graduation is

# COLLEGE OF EDUCATION

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

dependent upon successful completion of the required courses, associated internships, and critical tasks demonstrating the Florida Educator Accomplished Practices. Early Childhood majors will be eligible for certification in Pre-Kindergarten/Primary (age 3 - Grade 3). Students must pass all Chalk and Wire assignments and upload every assignment to their Chalk and Wire account in order to graduate from the program.

The College of Education offers a full ESOL Endorsement for all Early Childhood Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:

- Successful completion of TSL 4080 - ESOL 1 - Curriculum and Pedagogy of ESOL and TSL 4251 - ESOL 3 - Applying Linguistics to ESOL Teaching and Testing , with a minimum grade of 70 percent or better on all sections of the ESOL Comprehensive Exam administered in the two ESOL courses;
- Successful completion of a 20-hour early ESOL field experience in TSL 4080;
- Successful completion of a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and
- Successful completion of all Chalk and Wire assignments as required, including from the two ESOL courses and the ESOL-infused classes.

### STATE MANDATED COMMON COURSE PREREQUISITES - EARLY CHILDHOOD EDUCATION B.S.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education - 3 credit hours  
FOR EDUCATION MAJORS: General education courses will be determined by the college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

## EARLY CHILDHOOD EDUCATION B.S. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Once admitted, students must maintain a 2.5 or higher overall GPA and earn a 2.5 or higher in all upper-level coursework in the major including Core and Specialization courses.

### GRADING REQUIREMENTS

Students must earn a C- or higher in all upper-level courses in the major.

### INTERNSHIP OPPORTUNITIES

All students will enroll in multiple clinical experiences throughout the program which will provide them with the opportunity to engage in the practice of teaching.

### ACCREDITATION

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

### STATE-APPROVED PROGRAM OF BOTH READING ENDORSEMENT AND ESOL ENDORSEMENT

This degree program is a state-approved program that leads to both the Reading Endorsement and ESOL (English to Speakers of Other Languages) Endorsement. Upon successful completion of the program, teacher candidates are eligible for the endorsements on their Florida teaching certificate.

### RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## EDUCATION (ESOL AND READING ENDORSEMENTS) B.S.

TOTAL DEGREE HOURS: 120

The USF College of Education is accredited under the National Council for Accreditation of Teacher Education (NCATE) standards through the CAEP Accreditation system. All teacher education programs must meet the requirements of Chapter 5.066, Rules of the State Board of Education of Florida, and have "Approved Program" status.

The USF College of Education offers an undergraduate degree program recognized for accomplishing defined learning outcomes, supported by a foundation of applied research, and dedicated to meeting the needs of the diverse communities and students it serves. In pursuit of this mission, faculty in the College of Education is guided by a respect for evidence, the pursuit of scholarship, and the ethics of community responsibility. The College of Education seeks to prepare exemplary teachers and other educational personnel for roles in a diverse and changing society. It promotes lifelong learning and continually strives to meet the educational needs of all learners.

The College of Education is committed to a continuous and systematic examination of the professional program of teacher education. Each subdivision of the college maintains professional standards through ongoing appraisals of candidate learning outcomes.

For information concerning required courses in the major, students should consult the "Programs" section accessible from the USF site. Other important information is available from the College of Education web site <https://www.usfsp.edu/bs-education/>.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

## UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## ADMISSION REQUIREMENTS FOR STUDENTS ENTERING TEACHER EDUCATION PROGRAMS

Students who wish to teach in a particular subject area or field should begin preliminary coursework during their first year in college. However, students are not admitted to the teacher education program until they complete the admissions requirements listed below.

Students may apply for admission to the College of Education by contacting the Academic Advisor at [dbarcelo@usf.edu](mailto:dbarcelo@usf.edu) or (727) 873-4507.

Admission to the upper-level teacher education program is contingent upon meeting the following preliminary college requirements:

1. Completion of the University's General Education requirements with a minimum grade of C- in general education core. (See General Education Information section of the catalog.) Students with a Florida public AA degree will meet all general education requirements. However, general education courses with a grade of D+ or below will need to be repeated for a grade of C- or above to fulfill prerequisites for the College of Education. Note: Students should contact an academic advisor to make certain they are enrolled in courses appropriate to their intended major.
2. Completion of all portions of the General Knowledge Test (GKT) with passing scores. No exemptions or waivers accepted.
3. Completion of Prerequisites

# COLLEGE OF EDUCATION

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

4. Minimum GPA: An overall minimum GPA of 2.50 on all attempted hours.

5. Additional criteria as may be established by each program. Credit requirements in each major include courses in the following categories: Professional Education Core, Teaching Specialization Preparation, and Liberal Arts Exit Requirements. For questions concerning General Education Requirements, refer to the General Education Information section of the catalog. See specific requirements for the Bachelor of Science Degree in Education below.

## TIME LIMITATIONS

---

The College of Education may accept professional education and specialization coursework completed at this university or at other accredited institutions as follows:

**Courses completed within the last five years may be accepted if all competencies are met.**

Courses completed over five years but less than ten years ago must have the approval of the faculty of the program in which the equivalent course is taught.

Courses completed ten years ago or longer will count as elective credit only.

## APPLICATION INFORMATION

---

The admission process to the College of Education (COE) is separate and in addition to admission to USF. After receiving acceptance to USF, students should attend a new student advising session where they will receive information about the degree program and register for courses for their first semester. Call (727) 873-4511 to schedule an advising session.

## STATE MANDATED COMMON COURSE PREREQUISITES - EDUCATION B.S.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Students are advised that the Education specialization may require an enrollment of more than the traditional four semesters of the junior and senior years in order to complete the program specialization courses and the required sequence of internships.

The Program of Study is designed to address Florida Education Competencies.

EDF X005 Introduction to Education – 3 credit hours.

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

## PREREQUISITES COURSES - EDUCATION B.S.

---

**Note:** The following prerequisites are required for all Education majors.

EDF 2005 - Introduction to the Teaching Profession **Credit(s): 3**

EDF 2085 - Education, Diversity, and Global Society **Credit(s): 3**

LAE 4414 - Children's and Young Adult Literature: Diverse Portrayals of the Human Experience **Credit(s): 3**  
MAE 4314 - Mathematics for all Students **Credit(s): 4**  
RED 4348 - Literacy Development **Credit(s): 3 \***  
SCE 4313 - Science for all Students **Credit(s): 3**

**\*NOTE:** EDG 3943 and RED 4348 must be taken concurrently – Spring/Fall.

#### ADDITIONAL REQUIREMENTS

Students are advised that the Education specialization may require an enrollment of more than the traditional four semesters of the junior and senior years in order to complete the program specialization courses and the required sequence of internships.

The Program of Study is designed to address Florida Education Competencies.

#### INTERNSHIP EXPERIENCE - EDUCATION B.S.

---

#### QUALIFICATIONS FOR INTERNSHIP EXPERIENCE

---

The final internship experience involves observing and teaching both in an elementary and exceptional education classroom. Internship sites include the entire spectrum of educational settings available in the local school districts served by USF. Students may not enroll in additional courses during the semester in which the final internship occurs. Special requirements for enrollment in the final internship and seminar courses are:

- Completion of General Education, "State Communication and State Mathematics Requirements -formerly Gordon Rule," and all other program prerequisites (includes passing all sections of the General Knowledge Test, GKT) prior to the first internship.
- Documentation of passing scores on all portions of the Florida Teacher Certification Examinations (FTCE), (General Knowledge Test, Subject Area Exam in both Elementary Education and Exceptional Student Education, and Professional Education) prior to the college-stated deadline.

# COLLEGE OF EDUCATION

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Completion of an application for the final internship by the posted deadlines. Applications for final internship are available through a COE Internship Application Portal in Canvas. Completion of all professional education and specialization course work.

A combined grade point average of 2.5 in professional education and specialization course work as well as an overall USF GPA of 2.5.

Students must earn a "C-" grade or higher in required major courses. S/U grades will not apply toward qualifying for internship.

Students must complete all other requirements as prescribed by their program.

Some school districts have additional requirements, which must also be met by the application deadlines. Please contact the Internship Coordinator, Dr. Heather Duncan, for information related to Hillsborough and Hernando school districts.

Interns are guests of the school districts in which they are placed and as such they may be removed from their placement with or without cause by either the school or the college. If students are asked to leave their schools for any reason, the college is under no obligation to find another placement until the following semester and/or until remediation activities have taken place.

### INTERNSHIP APPLICATION REQUIREMENTS AND DATES OF IMPORTANCE

---

Complete online applications by the deadline date (see below under Final Internship. **(Late Applications will not be accepted).**)

#### APPLICATION REQUIREMENTS

K-5: **EDG 3943 - Integrated Clinical Experience Grades K-5** : Students spend two full teacher days per week in a supervised in-school experience and attend seminars as scheduled.

6-12: **EEX 4880 - Integrated Clinical Experience: ESE Secondary 6-12** : Students spend two full teacher days per week in a supervised internship experience in classroom settings and attend seminars as scheduled.

Final Internship: **EDG 4944 - Integrated Final Internship** : The teacher candidate is required to demonstrate professional competencies during one semester of fulltime internship in a public elementary school and attend seminars. This internship will be split between a general education classroom and an ESE classroom; eight weeks in each setting. All candidates will also be completing a Teacher Work Sample as part of this capstone experience. (5 days/week)

**EDG 4934 - Final Intern Seminar**

#### FINGERPRINTING INFORMATION

All school districts in Florida require students to complete the fingerprinting process prior to beginning date of internships. The cost of the fingerprinting process is the sole responsibility of the intern. Most Florida school districts screen in accordance with Florida Statute 435.03 or 435.04. Pinellas County uses 435.04 (Level 2) screening standard. Be sure to consult school district policy for the district in which you will be interning.

#### PROGRAM PORTFOLIO REQUIREMENTS

---

The Florida Department of Education (FLDOE) and the National Association of Colleges of Teacher Education (NCATE) standards through the CAEP Accreditation system require all accredited programs to document individual student performance based on state and national standards. Students are required to demonstrate their achievement of state standards with portfolio assessment one time during coursework and one time during final internship. This program requires Florida Educator Accomplished Practices and ESOL Competencies portfolios. Students are required to upload their critical assignments to the Foliodata system for instructors to grade. Students must reach 80% proficiency on all critical assignments to pass the course. This is indicated in the course syllabi and each submission is evaluated by the course instructor. The entire portfolio process will be introduced during EDG 4012 – the Standards Based Education course.

## TEACHER EDUCATION PROGRAM COLLEGE REQUIREMENTS FOR GRADUATION

---

To be certified by the College of Education for graduation, a student must have earned a minimum of 120-semester hours' credit.

Successful completion of all program requirements for ESOL Endorsement and Reading Endorsement (if applicable).

A minimum overall USF grade-point average of 2.50 or a minimum GPA of 2.50 in teaching specialization courses and a minimum GPA of 2.50 in the Professional Education sequence

Satisfactory completion of the final internship.

Passing scores on the Elementary and Exceptional Student Education FTCE Subject Area and Professional Education subtests prior to graduation

Successful completion of the major requirements in a state-approved teacher education program (which includes general preparation, teaching specialization, and professional preparation).

A minimum of 8 credits in professional courses in addition to internship and 12 credits in specialization courses must have been earned at USF.

A minimum of 30 hours after admittance to a Bachelor's of Science in Education program and meet all University requirements.

All critical assignments must be uploaded to Foliodata system, evaluated by the course instructor and earn a successful completion at the "Met" level on all Florida Educator Accomplished Practices (FEAPs)

---

## EDUCATION B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENT

---

An overall minimum GPA of 2.50 on all attempted hours.

### GRADING REQUIREMENT

---

A grade of C- or better must be earned in all coursework.

### ACCREDITATION

---

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

---

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## EDUCATIONAL STUDIES B.S.

TOTAL DEGREE HOURS: 120

This degree will prepare students to engage in educational settings but not limited to settings such as museums, non-profit organizations, community based organizations and businesses where teaching and training are an integral part of the organization.

All majors will be assigned to a specified sequence of courses to be followed throughout the program enrollment. Coursework will include internships and field experience. Field experiences usually begin during the second semester of student's enrollment with increasing involvement throughout the program.

Please be advised that degree and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria. The current program of study includes both coursework and extensive field experience in elementary, middle, secondary or other appropriate educational settings to enable students to integrate theory with teaching practice. Students are responsible for providing transportation to their field experience and internship sites. Students who withdraw from or who have unsatisfactory grades in the field experiences or internships must petition the college before they will be allowed to repeat the internships. Students must have an overall USF GPA of 2.5 and a GPA of 2.5 in the combined Professional Core and Teaching Specialization prior to final internship and graduation. Part-time students in Education (those planning to take 9 hours or fewer per semester) must meet program and internship requirements associated with the program. These requirements include being available to participate in the internships during regular school or business hours. Because of state and national accreditation requirements, students who take any of the required professional education core courses or education specialization courses at institutions accredited by either the Higher Learning Commission, the Middle States Commission on Higher Education, the New England Commission of Higher Education, the Northwest Commission on Colleges and Universities, the Southern Association of Colleges and Schools Commission on Colleges, or the WASC Senior College and University Commission may be required to submit additional assignments to meet graduation requirements for the USF College of Education.

In addition to the courses listed below, students must complete "Preliminary Requirements for Students entering Teacher Education Programs."

## UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

## STATE MANDATED COMMON COURSE PREREQUISITES - EDUCATIONAL STUDIES B.S.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

Transfer students should be aware that by university regulation they are obligated to establish academic residency by completing the equivalent of one academic year (30 semester hours) in "on-campus" courses. All undergraduate transfer students electing Forensic Studies as their major will be required, moreover, to take a minimum of 30 credit hours in major coursework at the University of South Florida. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

EDF X005 Introduction to Education – 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

---

## PREREQUISITE COURSES - EDUCATIONAL STUDIES B.S.

---

These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.

EDF 2005 - Introduction to the Teaching Profession **Credit(s): 3**

EDF 2085 - Education, Diversity, and Global Society **Credit(s): 3**

---

## INTERNATIONAL/DIVERSITY/RECOMMENDED COURSES: 2 COURSES; 6 CREDIT HOURS

---

Select two (2) courses for six (6) credit hours from the list below

AMH 2010 - American History I **Credit(s): 3**

AMH 2020 - American History II **Credit(s): 3**

ANT 2000 - Introduction to Anthropology **Credit(s): 3**

ANT 2410 - Cultural Anthropology **Credit(s): 3**

ARH 2050 - History of Visual Arts I **Credit(s): 3**

ARH 2051 - History of Visual Arts II **Credit(s): 3**

EUH 2011 - Ancient History I **Credit(s): 3**

EUH 2022 - The Medieval West **Credit(s): 3**

EUH 2030 - Modern European History I **Credit(s): 3**

EUH 2031 - Modern European History II **Credit(s): 3**

REL 2300 - Introduction to World Religions **Credit(s): 3**

SYG 2000 - Introduction to Sociology **Credit(s): 3**

- RED 4348 - Literacy Development **Credit(s): 3**

---

## INTERNSHIP EXPERIENCE - EDUCATIONAL STUDIES B.S.

---

### QUALIFICATIONS FOR INTERNSHIP EXPERIENCE

---

The final internship experience involves observing and teaching both in educational setting but not limited to settings such as museums, non-profit organizations, community-based organizations and businesses. Internship sites include the entire spectrum of educational settings available in the community served by USF St. Petersburg campus. Other than Final Internship Seminar, students may not enroll in additional courses during the semester in which the final internship occurs.

---

## INTERNSHIP APPLICATION REQUIREMENTS AND DATES OF IMPORTANCE

---

### FINAL INTERNSHIP ADMISSION REQUIREMENTS

- Complete coursework by the following dates: Spring semester final internship – December 1st, fall semester final internship – August 1st.
- A combined grade point average of 2.5 in professional education and specialization course work as well as an overall USF GPA of 2.5.
- Complete all required coursework with a minimum grade of C- or higher.

### FINAL INTERNSHIP EXIT REQUIREMENTS:

- Complete coursework and any other university graduation requirements.

### FINGERPRINTING INFORMATION

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

All agencies in Florida require students to complete the fingerprinting process prior to beginning date of internships. The cost of the fingerprinting process is the sole responsibility of the intern. Most Florida school districts screen in accordance with Florida Statute 435.03 or 435.04. Pinellas County uses 435.04 (Level 2) screening standard. Be sure to consult organizational policy for the agency in which you will be interning. Complete online applications by the deadline date posted in The Internship Portal in Canvas.

## EDUCATIONAL STUDIES B.S. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

An overall minimum GPA of 2.50 on all attempted hours.

### GRADING REQUIREMENTS

A grade of C- or better must be earned in all coursework.

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## ELEMENTARY EDUCATION (ESOL AND READING ENDORSEMENTS) B.S.

TOTAL DEGREE HOURS: 120

The Bachelor of Science program in Elementary Education is designed for students who wish to pursue a career as an elementary classroom teacher. The program of study includes both coursework and extensive field experience in elementary school settings to enable the students to integrate theory with teaching practice.

### STATE-APPROVED PROGRAM OF BOTH READING ENDORSEMENT AND ESOL ENDORSEMENT

This degree program is a state-approved program that leads to both the Reading Endorsement and ESOL (English to Speakers of Other Languages) Endorsement. Upon successful completion of the program, teacher candidates are eligible for the endorsements on their Florida teaching certificate.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - ELEMENTARY EDUCATION B.S.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

Pass all sections of the General Knowledge Test;

Information may be found at by visiting the following url: <https://www.usf.edu/education/resources-for-educators/teacher-certification/general-knowledge-test.aspx>.

Submit an application.

### PROGRESSION REQUIREMENTS - ELEMENTARY EDUCATION B.S.

Satisfactory completion of the following requirements:

General Education Program, including State Core General Education Requirements; State Computation and State Communication (36 credit hours);

Minimum of 120 unduplicated credit hours;

A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;

Major and college requirements in a chosen degree program;

Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);

Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;

42 credit hours of upper-level coursework;

Civics Literacy;

Foreign language admissions coursework.

## STATE MANDATED COMMON COURSE PREREQUISITES - ELEMENTARY EDUCATION B.S.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education - 3 credit hours  
FOR EDUCATION MAJORS: General education courses will be determined by the college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

---

## REQUIRED COURSES: (73 CREDIT HOURS)

---

### MAJOR CORE COURSES: 21 COURSES; 73 CREDIT HOURS

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Successful completion of all Chalk and Wire assignments as required, including from the three ESOL courses and the ESOL-infused classes.

## ELEMENTARY EDUCATION B.S. - ADDITIONAL INFORMATION

---

### OTHER REQUIREMENTS

---

Elementary Education with ESOL Endorsement/Reading Endorsement: Students will complete a state-approved program to be eligible for certification in Elementary Education (Grades K-6).

Degree and certification requirements are subject to change in accordance with state mandates.

Passing scores on all Florida Teacher Certification Exams: the General Knowledge Test, the K-6 Subject Area Exam, and the Professional Education Exam.

Completion of all General Education requirements and all other program prerequisites.

Transportation to and from school sites required in courses and internships.

Criminal background checks and fingerprinting for internships.

### GPA REQUIREMENTS

---

Maintain at least a 2.50 GPA in professional education and specialization coursework. If a student falls below 2.50 GPA he/she may be dismissed and/or may be required to meet with the departmental Professional Standards Committee.

### GRADING REQUIREMENTS

---

Receive a grade of C- or higher in all required courses to progress to the following semester or he/she may be dismissed and/or required to meet with departmental Professional Standards Committee.

A minimum "C-" grade or "S" in required major courses.

### INTERNSHIP OPPORTUNITIES

---

Transportation to and from school sites required in courses and internships.

Criminal background checks and fingerprinting for internships, as required by the school district in which the student is placed.

The current program of study includes both coursework and extensive field experience in elementary school settings to enable students to integrate theory with teaching practice.

All elementary education students are required to demonstrate the Accomplished Practices (APs) through core assignments in courses and internships.

### ACCREDITATION INFORMATION - ELEMENTARY EDUCATION B.S.

---

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

### RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. ## 2 YEAR PLAN OF STUDY - ELEMENTARY EDUCATION B.S.

### NOTES:

SCIV - Civics Literacy needs to be completed prior to graduation. For more information, see <https://www.usf.edu/undergrad/students/civics-literacy.aspx> or talk with your academic advisor.  
Items that are critical are marked with a \* and are included in the plan for a student to stay on track.

## YEAR 1

### SEMESTER 1 (FALL)

SSE 4313 - Teaching Elementary (K-6) Social Studies **Credit(s): 3**  
RED 4312 - Emergent Literacy Strategies and Assessment **Credit(s): 3**  
LAE 4424 - Teaching Children's Literature **Credit(s): 3**  
EDE 4941 - Childhood Education Internship Level I **Credit(s): 3**  
EDE 4504 - Creating and Differentiating Learning Environments **Credit(s): 3**

**Total Credit Hours: 15**

### SEMESTER 2 (SPRING)

TSL 4080 - ESOL 1 - Curriculum and Pedagogy of ESOL **Credit(s): 3**  
RED 4724 - Intermediate Literacy Strategies and Assessment I **Credit(s): 3**  
SCE 4310 - Teaching Elementary School Science **Credit(s): 3**  
EDE 4942 - Childhood Education Internship Level II **Credit(s): 3-6**  
MAE 4326 - Teaching Elementary School (K-6) Mathematics II **Credit(s): 3**  
IDS 4914 - Advanced Undergraduate Research Experience **Credit(s): 0-4**

**Total Credit Hours: 15**

### SEMESTER 3 (SUMMER)

MAE 4326 - Teaching Elementary School (K-6) Mathematics II **Credit(s): 3**  
EDF 4430 - Measurement for Teachers **Credit(s): 3**  
EEX 4070 - Integrating Exceptional Students in the Regular Classroom **Credit(s): 2-3**  
EDP 3273 - Learning and Development within the School Context **Credit(s): 3**

**Total Credit Hours: 12**

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## ENGLISH EDUCATION (ESOL AND READING ENDORSEMENTS) B.S.

TOTAL DEGREE HOURS: 120

The English Education Program is designed to prepare students to develop content knowledge related to structures and functions of language, diverse literature (including print and non-print texts and multimedia), adolescent literacy, and writing theories and processes. This program is a joint program between the College of Education and the College of Arts and Sciences. Students will learn pedagogical content knowledge, including how to select English Language Arts curriculum, how to implement instructional practices like discussion and peer review, how to assess student compositions, and how to reflect on their pedagogical practices.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - ENGLISH EDUCATION B.S.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 or higher overall GPA;

Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at

<https://www.usf.edu/education/resources-for-educators/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program

(see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

### STATE MANDATED COMMON COURSE PREREQUISITES - ENGLISH EDUCATION B.S.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education - 3 credit hours

ENC X101 Composition I - 3 credit hours

ENC X102 Composition II - 3 credit hours

SPC X017 or SPC X608 - 3 credit hours

LIT X000 - X999 or AML X000 - X999 or ENL X000 - X999 - 3 credit hours

# COLLEGE OF EDUCATION

---

## ADDITIONAL SPECIALIZATION COURSES: 6 COURSES; 24 CREDIT HOURS

---

- LAE 4323 - Methods of Teaching English: Middle School **Credit(s): 3** (Fall Semester Only)
- LAE 4335 - Methods of Teaching English: High School **Credit(s): 3** (Spring Semester Only)
- LAE 4464 - Adolescent Literature for Middle and Secondary Students **Credit(s): 3** Spring semester Only
- LAE 4530 - Methods of Teaching English: Practicum **Credit(s): 3** (Fall Semester Only)
- LAE 4936 - Senior Seminar in English Education **Credit(s): 3**
- LAE 4940 - Internship: English Education **Credit(s): 9**

### RECOMMENDED COURSES

- Literature Course (3 hours) - select from LIT, AML, ENL ( LIT 2000 - Introduction to Literature **or** ENL 3334 - Shakespeare from an Historical Perspective recommended)
- English Electives (9 hours) - to include advanced composition and mediacy ( CRW 2100 - Narration and Description **or** CRW X111 **and** MMC 2100 - Writing for the Mass Media **or** ENC X310 **and** LIT X301 recommended)

In addition to the courses listed, students must complete "Preliminary Requirements for Students entering Teacher Education Programs."

The College of Education offers a full ESOL Endorsement for all English Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:

#### Successful completion of:

- FLE 4317 - Teaching Students with Limited English Proficiency **and** FLE 4316 - Language Principles and Acquisition with a minimum grade of 70 percent or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses;
- A 20-hour early ESOL field experience in FLE 4317;
- A late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days;
- An ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards.

---

## ENGLISH EDUCATION B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Once admitted, students must maintain a 2.5 or higher overall GPA and earn a 2.5 or higher in all upper-level coursework in the major including Core and Specialization courses.

### GRADING REQUIREMENTS

---

Students must earn a C- or higher in all upper-level courses in the major.

### INTERNSHIP OPPORTUNITIES

---

All students will enroll in multiple clinical experiences throughout the program which will provide them with the opportunity to engage in the practice of teaching.

### ACCREDITATION INFORMATION - ENGLISH EDUCATION B.S.

---

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

### RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in

# COLLEGE OF EDUCATION

## INTERDISCIPLINARY EDUCATION B.A., WITH CRIMINOLOGY CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Education degree leads to a Bachelor of Arts designed for those not seeking positions as classroom teachers, which would require certification through the Elementary Education degree. The Interdisciplinary Education degree shares common courses with the Elementary Education degree; therefore, it is possible to transfer from Elementary Education into Interdisciplinary Education without losing time toward completion.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION STANDARDS - INTERDISCIPLINARY EDUCATION B.A.

The program is designed to start upper-level courses in summer semester for a spring graduation in senior year.

### STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY EDUCATION B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Intro. to Education and Field Experience – 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

### INTERDISCIPLINARY EDUCATION REQUIRED COURSES: (36 CREDIT HOURS)

#### MAJOR CORE COURSES: 10 COURSES; 30 CREDIT HOURS

EDE 4223 - Creative Experiences: Using Arts-Based Inquiry & Design Thinking for Problem-Based Learning

## INTERDISCIPLINARY EDUCATION B.A., WITH EDUCATION CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Education degree leads to a Bachelor of Arts designed for those not seeking positions as classroom teachers, which would require certification through the Elementary Education degree. The Interdisciplinary Education degree shares common courses with the Elementary Education degree; therefore, it is possible to transfer from Elementary Education into Interdisciplinary Education without losing time toward completion.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION STANDARDS - INTERDISCIPLINARY EDUCATION B.A.

The program is designed to start upper-level courses in summer semester for a spring graduation in senior year.

### STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY EDUCATION B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Intro. to Education and Field Experience – 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

### INTERDISCIPLINARY EDUCATION REQUIRED COURSES: (36 CREDIT HOURS)

### MAJOR CORE COURSES: 10 COURSES; 30 CREDIT HOURS

EDE 4223 - Creative Experiences: Using Arts-Based Inquiry & Design Thinking for Problem-Based Learning  
**Credit(s): 3**

EDE 4323 - Planning for Instruction of Diverse Learners **Credit(s): 3**

## **RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION**

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will

# COLLEGE OF EDUCATION

## INTERDISCIPLINARY EDUCATION B.A., WITH GERONTOLOGY CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Education degree leads to a Bachelor of Arts designed for those not seeking positions as classroom teachers, which would require certification through the Elementary Education degree. The Interdisciplinary Education degree shares common courses with the Elementary Education degree; therefore, it is possible to transfer from Elementary Education into Interdisciplinary Education without losing time toward completion.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION STANDARDS - INTERDISCIPLINARY EDUCATION B.A.

The program is designed to start upper-level courses in summer semester for a spring graduation in senior year.

### STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY EDUCATION B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Intro. to Education and Field Experience – 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

### INTERDISCIPLINARY EDUCATION REQUIRED COURSES: (36 CREDIT HOURS)

#### MAJOR CORE COURSES: 10 COURSES; 30 CREDIT HOURS

EDE 4223 - Creative Experiences: Using Arts-Based Inquiry & Design Thinking for Problem-Based Learning  
**Credit(s): 3**

EDE 4323 - Planning for Instruction of Diverse Learners **Credit(s): 3**

### ADMISSION STANDARDS - INTERDISCIPLINARY EDUCATION B.A.

The program is designed to start upper-level courses in summer semester for a spring graduation in senior year.

### STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY EDUCATION B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Intro. to Education and Field Experience – 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

### INTERDISCIPLINARY EDUCATION REQUIRED COURSES: (36 CREDIT HOURS)

### MAJOR CORE COURSES: 10 COURSES; 30 CREDIT HOURS

EDE 4223 - Creative Experiences: Using Arts-Based Inquiry & Design Thinking for Problem-Based Learning  
**Credit(s): 3**

EDE 4323 - Planning for Instruction of Diverse Learners **Credit(s): 3**

EDE 4947 - Clinical Education I **Credit(s): 3**

EDF 3122 - Learning and the Developing Child **Credit(s): 3**

Minimum grade of C in all major courses.

### **INTERNSHIP OPPORTUNITIES**

---

EDE 4947 - Clinical Education I **Credit(s): 3**

## **RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION**

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## **RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION**

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will

## INTERDISCIPLINARY EDUCATION B.A., WITH PSYCHOLOGY CONCENTRATION

TOTAL DEGREE HOURS: 120

The Interdisciplinary Education degree leads to a Bachelor of Arts designed for those not seeking positions as classroom teachers, which would require certification through the Elementary Education degree. The Interdisciplinary Education degree shares common courses with the Elementary Education degree; therefore, it is possible to transfer from Elementary Education into Interdisciplinary Education without losing time toward completion.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION STANDARDS - INTERDISCIPLINARY EDUCATION B.A.

The program is designed to start upper-level courses in summer semester for a spring graduation in senior year.

### STATE MANDATED COMMON COURSE PREREQUISITES - INTERDISCIPLINARY EDUCATION B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Intro. to Education and Field Experience – 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

### INTERDISCIPLINARY EDUCATION REQUIRED COURSES: (36 CREDIT HOURS)

### MAJOR CORE COURSES: 10 COURSES; 30 CREDIT HOURS

EDE 4223 - Creative Experiences: Using Arts-Based Inquiry & Design Thinking for Problem-Based Learning

## MATHEMATICS EDUCATION B.A.

TOTAL DEGREE HOURS: 120

The Bachelor's in Mathematics Education program explores educational foundations, methods, and theory and practice of teaching mathematics at grades 6-12. This program is designed to prepare effective teachers of middle and high school mathematics who are knowledgeable, reflective, caring, and are able to meet the needs of a diverse student population.

## UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## ADMISSION REQUIREMENTS - MATHEMATICS EDUCATION B.A./B.S.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at

<https://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program

(see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

## STATE MANDATED COMMON COURSE PREREQUISITES - MATHEMATICS EDUCATION B.A./B.S.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education and Field Experience - 3 credit hours

MAC X311 Calculus I - 4 credit hours

MAC X312 Calculus II - 4 credit hours

MAC X000-X999 **or** MTG X000-X999 **or** MAS X000-X999 - 4 credit hours

FOR EDUCATION MAJORS: General education courses will be determined by the college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## MATHEMATICS EDUCATION B.S.

TOTAL DEGREE HOURS: 120

The Bachelors in Mathematics Education program explores educational foundations, methods, and theory and practice of teaching mathematics at grades 6-12. This program is designed to prepare effective teachers of middle and high school mathematics who are knowledgeable, reflective, caring, and are able to meet the needs of a diverse student population.

## UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## ADMISSION REQUIREMENTS - MATHEMATICS EDUCATION B.A./B.S.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at

<https://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program

(see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

## STATE MANDATED COMMON COURSE PREREQUISITES - MATHEMATICS EDUCATION B.A./B.S.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education and Field Experience - 3 credit hours

MAC X311 Calculus I - 4 credit hours

MAC X312 Calculus II - 4 credit hours

MAC X000-X999 **or** MTG X000-X999 **or** MAS X000-X999 - 4 credit hours

FOR EDUCATION MAJORS: General education courses will be determined by the college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

## MATHEMATICS EDUCATION B.A./B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Students must maintain an overall GPA of 2.5 to continue to the next term. In addition, students in educator preparation programs must also earn a minimum 2.5 GPA in their professional core and specialization coursework to continue to the next term.

### GRADING REQUIREMENTS

---

Students are required to earn a C- or higher in all upper-level major coursework.

### RESIDENCY REQUIREMENTS

---

A student must complete 32 hours of major coursework at USF to meet residency requirements.

MTG 3207 - Geometry Connections **Credit(s): 3**  
STA 3027 - Statistics and Probability Connections **Credit(s): 3**

**NOTE:** In addition to the courses listed, students must complete "Preliminary Requirements for Students entering Teacher Education Programs" (see statement under main college heading).

## MATHEMATICS EDUCATION B.A./B.S. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Students must maintain an overall GPA of 2.5 to continue to the next term. In addition, students in educator preparation programs must also earn a minimum 2.5 GPA in their professional core and specialization coursework to continue to the next term.

### GRADING REQUIREMENTS

Students are required to earn a C- or higher in all upper-level major coursework.

### RESIDENCY REQUIREMENTS

A student must complete 32 hours of major coursework at USF to meet residency requirements.

### INTERNSHIP OPPORTUNITIES

Students enrolled in courses requiring field experience (Practicum & Internship courses) are required to undergo a background check and fingerprinting.

### ACCREDITATION

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP: <https://caepnet.org/>).

### ADVISING INFORMATION

For prospective and current College of Education students with a home campus of Tampa, please select the following link for information about scheduling an advising appointment: <https://www.usf.edu/education/about-us/advising.aspx>.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## SCIENCE EDUCATION B.A., WITH BIOLOGY EDUCATION CONCENTRATION

TOTAL DEGREE HOURS: 120

Science Education explores educational foundations and methods to prepare educators in middle and secondary schools. It also explores the theory and practice of teaching science education. The objective is to prepare reflective and caring educators for a career in middle and high schools.

### UNIVERSITY ADMISSIONS

Admission to the University of South Florida is based on the Undergraduate Admission Requirements found by clicking on the following URLs:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - COLLEGE OF EDUCATION

Admission to an educator preparation program is contingent upon meeting the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all General Education Information and State Mandated Common Course Prerequisites with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at

<https://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>

Students must complete the General Education and the General Knowledge Test before admission to a teacher preparation program. For more information, see Florida Statutes & Constitution, Education Code, Chapter 1004.

### STATE MANDATED COMMON COURSE PREREQUISITES - SCIENCE EDUCATION B.A./B.S., WITH BIOLOGY CONCENTRATION

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

- TSL 4324 - ESOL Competencies and Strategies **Credit(s): 3**

## BIOLOGY EDUCATION CONCENTRATION

### CONCENTRATION REQUIRED COURSES: (26 CREDIT HOURS)

#### Concentration Core Courses: 10 courses; 26 credit hours

Specialization Courses: 6 courses; 14 credit hours

- PCB 3023 - Cell Biology **Credit(s): 3**
- PCB 3023L - Cell Biology Laboratory **Credit(s): 1**
- PCB 3043 - Principles of Ecology **Credit(s): 3**
- PCB 3043L - Principles of Ecology Laboratory **Credit(s): 1**
- PCB 3063 - General Genetics **Credit(s): 3**
- PCB 4674 - Organic Evolution **Credit(s): 3**

Teaching Method Courses: 4 courses; 12 credit hours

- SCE 4305 - Communication Skills in the Science Classroom **Credit(s): 3**
- SCE 4320 - Teaching Methods in Middle Grade Science I **Credit(s): 3**
- SCE 4330 - Methods of Secondary Science Education **Credit(s): 3**
- SCE 4863 - Science, Technology, Society Interaction **Credit(s): 3**

## SCIENCE EDUCATION B.A. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all upper-level coursework in the major including Core and Specialization courses.

### GRADING REQUIREMENTS

Students must earn a C- or higher in all upper-level courses in the major.  
Students must receive a C- or better to meet the major requirements.

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## INTERNSHIP OPPORTUNITIES - COLLEGE OF EDUCATION

All students will enroll in multiple clinical experiences throughout the program which will provide them with the opportunity to engage in the practice of teaching.

## ACCREDITATION - COLLEGE OF EDUCATION

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

### SCIENCE EDUCATION B.A. - ADDITIONAL INFORMATION

---

#### GPA REQUIREMENTS

---

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all upper-level coursework in the major including Core and Specialization courses.

#### GRADING REQUIREMENTS

---

Students must earn a C- or higher in all upper-level courses in the major.  
Students must receive a C- or better to meet the major requirements.

---

#### INTERNSHIP OPPORTUNITIES - COLLEGE OF EDUCATION

---

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

All students will enroll in multiple clinical experiences throughout the program which will provide them with the opportunity to engage in the practice of teaching.

## ACCREDITATION - COLLEGE OF EDUCATION

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## SCIENCE EDUCATION B.A., WITH PHYSICS EDUCATION CONCENTRATION

TOTAL DEGREE HOURS: 120

Science Education explores educational foundations and methods to prepare educators in middle and secondary schools. It also explores the theory and practice of teaching science education. The objective is to prepare reflective and caring educators for a career in middle and high schools.

### UNIVERSITY ADMISSIONS

Admission to the University of South Florida is based on the Undergraduate Admission Requirements found by clicking on the following URLs:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - COLLEGE OF EDUCATION

Admission to an educator preparation program is contingent upon meeting the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all General Education Information and State Mandated Common Course Prerequisites with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at

<https://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>

Students must complete the General Education and the General Knowledge Test before admission to a teacher preparation program. For more information, see Florida Statutes & Constitution, Education Code, Chapter 1004.

### STATE MANDATED COMMON COURSE PREREQUISITES - SCIENCE EDUCATION B.A./B.S., WITH PHYSICS CONCENTRATION

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education and Field Experience - 3 credit hours

MAC X311 Calculus I - 4 credit hours

MAC X312 Calculus II - 4 credit hours

MAC X313 Calculus III - 4 credit hours

[(CHM X045 and CHM X045L) and (CHM X046 and CHM X046L)] or (CHM X045C and CHM X046C) - 8 total credit hours

[(PHY X048 and PHY X048L) and (PHY X049 and PHY X049L)] or (PHY X048C and PHY X049C) - 8-10 total credit hours

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

## SCIENCE EDUCATION B.A./B.S. REQUIRED COURSES: (35 CREDIT HOURS)

### MAJOR CORE COURSES: 10 COURSES; 35 CREDIT HOURS

### PROFESSIONAL EDUCATION CORE FOR ALL SCIENCE EDUCATION CONCENTRATIONS:

EDF 3214 - Human Development and Learning **Credit(s): 3**  
EDF 3604 - Schools and Society **Credit(s): 3**  
EDF 4430 - Measurement for Teachers **Credit(s): 3**  
EEX 4070 - Integrating Exceptional Students in the Regular Classroom **Credit(s): 2-3**  
ESE 4322 - Classroom Management for Diverse School and Society **Credit(s): 3**  
RED 4333 - Content Area Reading **Credit(s): 3**  
SCE 4936 - Senior Seminar in Science Education **Credit(s): 3**  
SCE 4940 - Internship: Science Education **Credit(s): 9**  
SCE 4945 - Practicum in Secondary Science Education **Credit(s): 3**  
TSL 4324 - ESOL Competencies and Strategies **Credit(s): 3**

### BIOLOGY EDUCATION CONCENTRATION

### CONCENTRATION REQUIRED COURSES: (26 CREDIT HOURS)

### CONCENTRATION CORE COURSES: 10 COURSES; 26 CREDIT HOURS

Specialization Courses: 6 courses; 14 credit hours

PCB 3023 - Cell Biology **Credit(s): 3**  
PCB 3023L - Cell Biology Laboratory **Credit(s): 1**  
PCB 3043 - Principles of Ecology **Credit(s): 3**  
PCB 3043L - Principles of Ecology Laboratory **Credit(s): 1**  
PCB 3063 - General Genetics **Credit(s): 3**  
PCB 4674 - Organic Evolution **Credit(s): 3**

Teaching Method Courses: 4 courses; 12 credit hours

SCE 4305 - Communication Skills in the Science Classroom **Credit(s): 3**  
SCE 4320 - Teaching Methods in Middle Grade Science I **Credit(s): 3**  
SCE 4330 - Methods of Secondary Science Education **Credit(s): 3**  
SCE 4863 - Science, Technology, Society Interaction **Credit(s): 3**

### SCIENCE EDUCATION B.S. - ADDITIONAL INFORMATION

#### GPA REQUIREMENTS

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all upper-level coursework in the major including Core and Specialization courses.

#### GRADING REQUIREMENTS

Students must earn a C- or higher in all upper-level courses in the major.  
Students must receive a C- or better to meet the major requirements.

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## INTERNSHIP OPPORTUNITIES - COLLEGE OF EDUCATION

All students will enroll in multiple clinical experiences throughout the program which will provide them with the opportunity to engage in the practice of teaching.

## ACCREDITATION - COLLEGE OF EDUCATION

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## SCIENCE EDUCATION B.S., WITH CHEMISTRY EDUCATION CONCENTRATION

TOTAL DEGREE HOURS: 120

Science Education explores educational foundations and methods to prepare educators in middle and secondary schools. It also explores the theory and practice of teaching science education. The objective is to prepare reflective and caring educators for a career in middle and high schools.

### UNIVERSITY ADMISSIONS

Admission to the University of South Florida is based on the Undergraduate Admission Requirements found by clicking on the following URLs:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - COLLEGE OF EDUCATION

Admission to an educator preparation program is contingent upon meeting the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all General Education Information and State Mandated Common Course Prerequisites with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at <https://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>

Students must complete the General Education and the General Knowledge Test before admission to a teacher preparation program. For more information, see Florida Statutes & Constitution, Education Code, Chapter 1004.

### STATE MANDATED COMMON COURSE PREREQUISITES - SCIENCE EDUCATION B.A./B.S., WITH CHEMISTRY CONCENTRATION

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education and Field Experience – 3 credits

MAC X311 Calculus I - 4 credit hours

[(CHM X045 and CHM X045L) and (CHM X046 and CHM X046L)] - 8 total credit hours

[(PHY X048 and PHY X048L) and (PHY X049 and PHY X049L)] or [(PHY X053 and PHY X053L) and (PHY X054 and PHY X054L)] or (PHY X048C and PHY X049C) or (PHY X053C and PHY X054C) - 8-10 total credit hours

### STATE MANDATED COMMON COURSE PREREQUISITES - SCIENCE EDUCATION B.A./B.S., WITH PHYSICS CONCENTRATION

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education and Field Experience - 3 credit hours

MAC X311 Calculus I - 4 credit hours

MAC X312 Calculus II - 4 credit hours

MAC X313 Calculus III - 4 credit hours

[(CHM X045 and CHM X045L) and (CHM X046 and CHM X046L)] or (CHM X045C and CHM X046C) - 8 total credit hours

[(PHY X048 and PHY X048L) and (PHY X049 and PHYX049L)] or (PHY X048C and PHY X049C) - 8-10 total credit hours

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

## SCIENCE EDUCATION B.A./B.S. REQUIRED COURSES: (35 CREDIT HOURS)

### MAJOR CORE COURSES: 10 COURSES; 35 CREDIT HOURS

### PROFESSIONAL EDUCATION CORE FOR ALL SCIENCE EDUCATION CONCENTRATIONS:

- EDF 3214 - Human Development and Learning **Credit(s): 3**
- EDF 3604 - Schools and Society **Credit(s): 3**
- EDF 4430 - Measurement for Teachers **Credit(s): 3**
- EEX 4070 - Integrating Exceptional Students in the Regular Classroom **Credit(s): 2-3**
- ESE 4322 - Classroom Management for Diverse School and Society **Credit(s): 3**
- RED 4333 - Content Area Reading **Credit(s): 3**
- SCE 4936 - Senior Seminar in Science Education **Credit(s): 3**
- SCE 4940 - Internship: Science Education **Credit(s): 9**
- SCE 4945 - Practicum in Secondary Science Education **Credit(s): 3**
- TSL 4324 - ESOL Competencies and Strategies **Credit(s): 3**

### PHYSICS EDUCATION CONCENTRATION

### CONCENTRATION REQUIRED COURSES: (28 CREDIT HOURS)

### CONCENTRATION CORE COURSES: 9 COURSES; 28 CREDIT HOURS

Specialization Courses: 5 courses; 16 credit hours

- PHY 2020 - Conceptual Physics **Credit(s): 3**
- PHY 3101 - Modern Physics **Credit(s): 3**
- PHY 3220 - Classical Mechanics **Credit(s): 4**
- PHY 3323 - Electricity and Magnetism I **Credit(s): 3**
- PHZ 3113 - Mathematical Methods in Physics **Credit(s): 3**

Teaching Methods Courses: 4 courses; 12 credit hours

- SCE 4320 - Teaching Methods in Middle Grade Science I **Credit(s): 3**
- SCE 4330 - Methods of Secondary Science Education **Credit(s): 3**
- SCE 4305 - Communication Skills in the Science Classroom **Credit(s): 3**
- SCE 4863 - Science, Technology, Society Interaction **Credit(s): 3**

### SCIENCE EDUCATION B.S. - ADDITIONAL INFORMATION

#### GPA REQUIREMENTS

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all upper-level coursework in the major including Core and Specialization courses.

#### GRADING REQUIREMENTS

Students must earn a C- or higher in all upper-level courses in the major.  
Students must receive a C- or better to meet the major requirements.

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## INTERNSHIP OPPORTUNITIES - COLLEGE OF EDUCATION

All students will enroll in multiple clinical experiences throughout the program which will provide them with the opportunity to engage in the practice of teaching.

## ACCREDITATION - COLLEGE OF EDUCATION

This program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research is able to assist with further inquiries.

## SOCIAL SCIENCE EDUCATION B.S.

TOTAL DEGREE HOURS: 120

Social Science Education explores educational foundations and methods to prepare educators in middle and secondary schools. It also explores the theory and practice of teaching social science education. The objective is to prepare reflective and caring educators. Prepares students for a career in middle and high schools.

### UNIVERSITY ADMISSIONS

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

**Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

**Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

**International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - COLLEGE OF EDUCATION

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found at

<http://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program

(see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

### STATE MANDATED COMMON COURSE PREREQUISITES - SOCIAL SCIENCE EDUCATION B.S.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

## EDUCATION MINOR

This minor in Education is approved by the Florida Department of Education to provide professional preparation according to Rule 6A-5.066, F.A.C., for those who seek an approved alternative route to Florida Certification. The minor builds understanding of learners and learning for those earning a baccalaureate degree in a discipline other than education. The program complements discipline expertise by building knowledge and skills of effective teaching. The minor provides rigorous instruction in creating a safe learning environment in P-12 classrooms, effective instructional planning and teaching strategies for diverse learners, and using assessment data to inform instruction with field experiences incorporated into coursework. The course work will build understanding of learning and learners in the prekindergarten- grade 12 environment. Thus, participants in this minor will develop understanding and skill in how to teach their discipline. The minor does need to be declared. A student wishing to receive a minor in Education should complete the course requirements described under "Required Courses." Successful completion of the Minor in Education results in the following endorsement on the student's transcript: "Completed State-Approved Professional Training Option."

## MINOR REQUIREMENTS

### MINOR CORE COURSES (18 CREDIT HOURS)

ESE 4322 - Classroom Management for Diverse School and Society **Credit(s): 3**

Subsequent credit for ESE 5344 is not permitted.

EDF 3122 - Learning and the Developing Child **Credit(s): 3**

Education majors or minors only

EDF 4430 - Measurement for Teachers **Credit(s): 3**

Education majors or minors only

See advisor to waive prerequisites

EDE 4323 - Planning for Instruction of Diverse Learners **Credit(s): 3**

See advisor to waive prerequisites

RED 4333 - Content Area Reading **Credit(s): 3**

TSL 4344 - Foundations of Teaching ESOL in Mainstream Classes **Credit(s): 3**

NOTE: TSL 4240 - Applied Linguistics in Teaching Diverse Students can be taken as a prerequisite or corequisite

## FOREIGN LANGUAGE EDUCATION MINOR

---

TOTAL MINOR HOURS: 12

---

This undergraduate minor in Foreign Language Education may be of interest to students who are getting a bachelor's degree in another field and may be interested in teaching a foreign language in the future. This minor would give the student a foundation in methods of teaching a foreign or second language. Please note that the minor in Foreign Language Education does not result in Florida teaching certification.

---

### MINOR CORE (12 HOURS)

---

TSL 4324 - ESOL Competencies and Strategies **Credit(s): 3**

FLE 4333 - Methods of Teaching Foreign Languages and ESOL in the Secondary School **Credit(s): 3**

FLE 4314 - Methods of Teaching Foreign Languages and ESOL in the Elementary School **Credit(s): 3**

FLE 4290 - Technology in the Foreign and Second Language Classroom **Credit(s): 3**

---

### GPA REQUIREMENTS

---

Students must earn an overall GPA of 2.0.

---

### GRADING REQUIREMENTS

---

Students must earn a C- or higher in all courses in the minor.

---

## GLOBAL STUDIES IN EDUCATION MINOR

TOTAL MINOR HOURS: 15

### Certified Global Pathway Program

This program has been certified as a Global Pathway. Global Pathway programs have significant global content and align with the goals of USF's Quality Enhancement Plan, the Global Citizens Program. Students in Global Pathway programs are well positioned to earn the Global Citizen Award and become eligible to apply for a study abroad scholarship offered by the Global Citizens Project.

### MINOR REQUIREMENTS

#### MINOR CORE (9 CREDIT HOURS)

- EDF 3514 - History of Education in the United States **Credit(s): 3**
- EEX 4742 - Narrative Perspectives on Exceptionality: Cultural and Ethical Issues **Credit(s): 3**
- EDF 4490 - Global Studies in Research Design **Credit(s): 3**

#### MINOR ELECTIVES (6 CREDIT HOURS)

Choose two electives from the following list.

Students seeking to substitute a course they have taken or are planning to take for one of the electives listed below should consult with an academic advisor in Student Academic Services, EDU 106, 813-974-2979.

- EDF 3604 - Schools and Society **Credit(s): 3**
- SYO 4250 - Sociology of Education **Credit(s): 3**
- DEP 4053 - Developmental Psychology **Credit(s): 3**
- EDF 3122 - Learning and the Developing Child **Credit(s): 3**
- EDF 3214 - Human Development and Learning **Credit(s): 3**
- EDF 4124 - Child Growth and Learning **Credit(s): 3**
- SSE 4380 - Global and Multicultural Perspectives in Education **Credit(s): 3**
- EDF 2005 - Introduction to the Teaching Profession **Credit(s): 3**
- EDF 2085 - Education, Diversity, and Global Society **Credit(s): 3**
- EDG 4909 - Directed Studies **Credit(s): 1-4**
- EVT 4651 - Equity in Schools and the Workplace **Credit(s): 3**

### GPA REQUIREMENTS

Student must earn an overall GPA of 2.0.

### GRADING REQUIREMENTS

Students must earn a C- or higher in all courses.

### OTHER REQUIREMENTS

Students seeking to substitute a course they have taken or are planning to take for one of the elective courses should consult with an academic advisor in Student Academic Services, EDU 106, 813-974-2979.

## PROFESSIONAL TRAINING OPTION MINOR

---

The Professional Training Option (PTO) is an approved alternative teacher certification program designed for students interested in teaching at the secondary level in English, Social Science, or Science in the State of Florida. Qualified majors include: English, Journalism, History, Political Science, Biology, Psychology, and Environmental Science and Policy, and World Languages.

### GRADUATION REQUIREMENTS FOR THE PROGRAM

---

Passing General Knowledge Test (GKT) scores must be submitted prior to graduation.

Certification requires submission of transcripts to the Florida Department of Education, as passing scores on the Professional Education Test and appropriate Subject Area portion of the Florida Teacher Certification Examination (FTCE). For more on testing, please see [www.fl.nesinc.com](http://www.fl.nesinc.com).

### MINOR REQUIREMENTS (21 CREDIT HOURS)

---

#### MINOR CORE (21 CREDIT HOURS)

---

Coursework completed in clusters. You must finish one cluster before moving to the next:

##### First Cluster

EEX 4070 - Integrating Exceptional Students in the Regular Classroom **Credit(s): 2-3**  
FLE 4317 - Teaching Students with Limited English Proficiency **Credit(s): 3**

##### Second Cluster

EDG 4909 - Directed Studies **Credit(s): 1-4**  
ESE 4341 - Secondary Teaching Methods **Credit(s): 3**  
EDF 4430 - Measurement for Teachers **Credit(s): 3**  
or  
EDF 4440 - Measurement Concepts and Assessment of All Students **Credit(s): 4**

##### Third Cluster

ESE 4322 - Classroom Management for Diverse School and Society **Credit(s): 3**  
EDG 4941 - Practicum in Secondary Teaching **Credit(s): 3**  
Note: Both courses should be taken concurrently in final semester of minor completion.

### GPA REQUIREMENTS

---

An overall minimum GPA of 2.50 on all attempted hours.  
A minimum 2.5 GPA is required in all coursework.

### GRADING REQUIREMENTS

---

A minimum grade of C- is required in all coursework.

## EXERCISE SCIENCE B.S.

TOTAL DEGREE HOURS: 120

Exercise Science includes the study of the biological and behavioral aspects of exercise, fitness assessment and exercise prescription, behavior modification, and the clinical aspects of exercise. The Exercise Science major integrates classroom study with hands-on practical experiences. The major is structured such that graduates qualify for professional certifications such as ACSM's Certified Exercise Physiologist, and NSCA's Certified Strength and Conditioning Specialist, and for positions relating to health promotion, strength and conditioning, clinical rehabilitation, personal fitness training, and sport performance. In addition, the Exercise Science major prepares students for admissions to professional schools such as physical therapy, physician assistant, occupational therapy, chiropractic and athletic training.

Students who successfully complete the undergraduate Exercise Science major earn a Bachelor of Science in Exercise Science.

## UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## SPECIALIZED ADMISSIONS - EXERCISE SCIENCE B.S.

The Exercise Science major is a specialized admissions program and enrollment is limited to 36 students each fall semester. Selection of the 36 students is based on the admission criteria below.

## GUIDELINES FOR APPLYING TO THE COLLEGE OF EDUCATION - EXERCISE SCIENCE B.S.

These guidelines apply to all students seeking admission to the major regardless of whether they are seeking General or Early Admissions.

## OVERVIEW OF ADMISSIONS PROCESS

Students seeking admission to the major must be admitted to USF. If admitted to the program, their home campus will change to Tampa.

The Exercise Science major is a specialized admissions program. As such, students are not guaranteed admission. Exercise Science admits only 36 students each fall, and admission to the major is competitive.

Admissions are available through two mechanisms: Early Admissions and General Admissions. Both are detailed below.

Completed applications should be submitted to Student Academic Services, EDU 106/Fax 813-974-3391.

Transfer students applying to the major should submit unofficial transcripts along with the College of Education Exercise Science Application.

## CRITERIA FOR EARLY ADMISSIONS

Students must apply by June 1 and fulfill the following criteria to be considered for Early Admissions:

Attainment of minimum of 3.0 overall GPA.

Completion of at least 5 of the 7 prerequisite requirements and attainment of a minimum grade of a B or higher in each:

(CHM X045 and CHM X045L) **or** CHM X030 **or** CHM X045C – 4 credit hours

HUN X201 **or** HSC X100 – 3 credit hours

# COLLEGE OF EDUCATION

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

(BSC X085 and BSC X085L) **or** (PET X322 and PET X322L) **or** (BSC X093 and BSC X093L) **or** APK X100C **or** BSC X085C **or** BSC X093C – 3-4 credit hours  
APX 105C **or** (BSC X086 and BSC X086L) **or** (BSC X094 and BSC X094L) **or** PET X323C – 4 credit hours  
STA X023 **or** MAC X147 – 4 credit hours  
MAC X105 **or** MAC X140 **or** MAC X147 **or** MAC X311 – 4 credit hours  
SPC X608 – 3 credit hours

All remaining prerequisites must be completed no later than the second Friday in August prior to the first day of fall classes. Transfer students are advised to submit unofficial transcripts to Student Academic Services reflecting the remaining prerequisites by second Friday in August.

Selection of students for Early Admissions is based on overall GPA. No more than 30 students with the highest overall GPAs will be admitted via Early Admissions. If an Early Admit is unable to fulfill the remaining prerequisites as outlined above, Early Admissions will be revoked and the applicant will be considered among the General Admissions pool. Applicants not admitted via Early Admissions will be considered among the General Admissions pool.

### CRITERIA FOR GENERAL ADMISSIONS

---

Students must apply by July 25 and fulfill the following minimum requirements to be considered for General Admissions:

Attainment of minimum 2.5 overall GPA.  
Completion of and attainment of a minimum of a C- grade or higher in the following prerequisite courses no later than the second Friday in August prior to the first day of fall classes.  
CHM X045 and CHM X045L) **or** CHM X030 **or** CHM X045C – 4 credit hours  
HUN X201 **or** HSC X100 – 3 credit hours  
(BSC X085 and BSC X085L) **or** (PET X322 and PET X322L) **or** (BSC X093 and BSC X093L) **or** APK X100C **or** BSC X085C **or** BSC X093C – 3-4 credit hours  
APX 105C **or** (BSC X086 and BSC X086L) **or** (BSC X094 and BSC X094L) **or** PET X323C – 4 credit hours  
STA X023 **or** MAC X147 – 4 credit hours  
MAC X105 **or** MAC X140 **or** MAC X147 **or** MAC X311 – 4 credit hours  
SPC X608 – 3 credit hours

Selection of students for General Admissions is based on overall GPA and seats remaining. Those students with the highest overall GPAs will be admitted and a wait list will be formed as needed.

### REQUIREMENTS AFTER ADMISSION - EXERCISE SCIENCE B.S.

---

Though no computer course is recommended, students need to possess excellent computer skills, i.e., MS applications.

By August 1st, students will be informed if they have been accepted into the major. Students accepted into the major must inform the College of Education's advising office by August 15th whether they will be enrolling in fall exercise science courses. Once admitted, students are required to meet the following requirements:

Complete an online College of Education orientation and attend an Exercise Science orientation the week prior to the beginning of the fall semester.

In addition to tuition, fees, and books the student is responsible for the following costs:

- Material and supply fee for PET 3384 - Exercise Testing and Prescription;
- Student membership for the Exercise Science student organization;
- Professional liability insurance for practicum, internships, and other hands-on experiences;
- Student membership in at least one professional organization;
- Transportation to and from field experiences required in courses including the practicum, internships, and other hands-on experiences;
- Possible requirements of practicum/internship sites such as health/medical exam, immunizations/vaccines, criminal background check, finger printing, drug/alcohol screening, personal health insurance, uniforms, and parking;
- Possible costs associated with obtaining physician clearance (e.g., medical exam and/or tests) prior to participation in physical activity/exercise. Students complete a Pre-Activity Screening Questionnaire (PASQ) based on American College of Sports Medicine guidelines to determine if physician clearance is needed; and,
- Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, etc.).

# COLLEGE OF EDUCATION

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

Receive a grade of C- or higher in all required courses and maintain a 2.5 GPA (overall and in major) in order to progress to the next semester.

Complete 15 hours of volunteer community service for a non-profit health and wellness organization.  
Sign and submit an orientation documents as prescribed.

---

### STATE MANDATED COMMON COURSE PREREQUISITES - EXERCISE SCIENCE B.S.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

(CHM X045 and CHM X045L) **or** CHM X030 **or** CHM X045C – 3-4 credit hours

HUN X201 **or** HSC X100 – 3 credit hours

(BSC X085 and BSC X085L) **or** (PET X322 and PET X322L) **or** (BSC X093 and BSC X093L) **or** APK X100C **or** BSC X085C **or** BSC X093C – 3-4 credit hours

APK X105C **or** (BSC X086 and BSC X086L) **or** (BSC X094 and BSC X094L) **or** PET X323C – 4 credit hours

STA X023 **or** MAC X147 – 4 credit hours

MAC X105 **or** MAC X140 **or** MAC X147 **or** MAC X311 – 4 credit hours

SPC X608 Public Speaking – 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

---

### RECOMMENDED SUPPORTING COURSES - EXERCISE SCIENCE B.S.

---

The following are recommended supporting courses. The grades in these courses will not be used to calculate the common course prerequisite GPA for admission.

PEM 2131 - Weight Training **Credit(s): 2**

HLP 2081 - Personal Wellness: A Lifetime Commitment **Credit(s): 3**

PSY 2012 - Introduction to Psychological Science **Credit(s): 3**

---

### REQUIRED COURSES: (54-57 CREDIT HOURS)

---

#### MAJOR CORE COURSES: 2 COURSES; 6 CREDIT HOURS

---

APK 3120 - Exercise Physiology **Credit(s): 3**

PET 4765 - Scientific Principles of Athletic Coaching **Credit(s): 3**

---

#### MAJOR REQUIRED COURSES: 15 COURSES; 48-51 CREDIT HOURS

---

PET 3211 - Stress, Health, and Disease **Credit(s): 3**

PET 3314 - Survey in Exercise Science **Credit(s): 3**

PET 4219 - Exercise Psychology **Credit(s): 3**

PET 3361 - Nutrition for Fitness and Sport **Credit(s): 3**

PET 3312 - Biomechanics **Credit(s): 3**

PET 3384 - Exercise Testing and Prescription **Credit(s): 3**

PET 3076 - Physical Activity in Diverse Populations **Credit(s): 3**

PET 3370 - Science of Weight Management **Credit(s): 3**

PET 3940 - Practicum in Fitness/Wellness **Credit(s): 3**

APK 4138C - Applications of Strength and Conditioning **Credit(s): 3**

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

PET 4093 - Strength and Conditioning **Credit(s): 3**  
PET 4413 - Administration of Fitness and Wellness Centers **Credit(s): 3**  
PET 4550 - Clinical Exercise Testing and Prescription **Credit(s): 3**  
PET 4088 - Individualized Fitness/Wellness Programming **Credit(s): 3**  
PET 4941 - Internship in Fitness/Wellness **Credit(s): 6-9**

## EXERCISE SCIENCE B.S. - ADDITIONAL INFORMATION

### OTHER REQUIREMENTS

The Exercise Science major is a full-time major. Students must be available for classes from 8:00 am – 5:00 pm, Monday through Thursday each semester. Additional time commitments may be necessary for course work such as PET 3940 - Practicum in Fitness/Wellness and PET 4941 - Internship in Fitness/Wellness.

### GPA REQUIREMENTS

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all major coursework.

### GRADING REQUIREMENTS

Students must earn a C- or higher in all major coursework.

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## EXCEPTIONAL STUDENT EDUCATION (ESOL AND READING ENDORSEMENTS) B.S.

TOTAL DEGREE HOURS: 120

### CERTIFIED GLOBAL PATHWAY PROGRAM

The undergraduate program is a state-approved program that leads to certification in Exceptional Student Education (ESE).

This program has been certified as a Global Pathway, which has significant global content. Students in Global Pathway programs are well positioned to earn the Global Citizen Award. For more information, visit the Office of High-Impact Practices and Undergraduate Research (HIPUR) website.

### STATE-APPROVED PROGRAM OF BOTH READING ENDORSEMENT AND ESOL ENDORSEMENT

This degree program is a state-approved program that leads to both the Reading Endorsement and ESOL (English to Speakers of Other Languages) Endorsement. Upon successful completion of the program, teacher candidates are eligible for the endorsements on their Florida teaching certificate.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

### ADMISSION REQUIREMENTS - EXCEPTIONAL STUDENT EDUCATION B.S.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

Earn a 2.5 overall GPA;

Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

Pass all sections of the General Knowledge Test. Information can be found

at <https://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

The College of Education offers a full ESOL Endorsement for all Special Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:

Successful completion of:

FLE 4317 - Teaching Students with Limited English Proficiency and FLE 4316 - Language Principles and Acquisition with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses;

A 20-hour early ESOL field experience in FLE 4317;

A late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over a 10 days; and

An ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards.

The special education requirements for the Reading Endorsement through infusion are as follows:

# COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

- Completion of specialized courses with a grade of C or S;
- Completion of RED 4724 - Intermediate Literacy Strategies and Assessment I, RED 4312 - Emergent Literacy Strategies and Assessment, and LAE 4311 - Teaching Print and Multimodal Texts in Elementary Education with a grade of C;
- A 60-hour field experience with a grade of S where students demonstrate application of all reading competencies, and
- A Reading Endorsement binder containing the Demonstration of Accomplishment Documentation Form and supporting artifacts.

Students are required to meet University and College of Education entrance requirements prior to enrollment in the Department. Upon admission, students affiliate with the campus on which they wish to take their program of studies. Students may not register for courses on other campuses without permission. For the Tampa campus, students are assigned to cohorts. All courses are taken with the assigned cohort. The program sequence includes four semesters of part-time field experience and one semester of full-time internship. All part-time field experiences must be successfully completed as a member of a cohort concurrently enrolled in linked specified courses in designated local schools. Final internships are assigned only to designated school districts where partnerships exist. Field experiences begin during the first semester of a student's enrollment with increasing involvement throughout the program. Students are responsible for providing transportation to their field-experience sites. Cohorts are seated in the fall semester of each year.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program (see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

## STATE MANDATED COMMON COURSE PREREQUISITES - EXCEPTIONAL STUDENT EDUCATION B.S.

---

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education and Field Experience - 3 credit hours  
FOR EDUCATION MAJORS: General education courses will be determined by the college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

- RED 4724 - Intermediate Literacy Strategies and Assessment I **Credit(s): 3**

## EXCEPTIONAL STUDENT EDUCATION B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all upper-level coursework in the major including Core and Specialization courses.

### GRADING REQUIREMENTS

---

Students must complete all required courses with a grade of C- or better and successfully complete program key assessments in order to progress to the next semester.  
Students must earn a C- or higher in all upper-level courses in the major.

### INTERNSHIP OPPORTUNITIES

---

All students will enroll in multiple clinical experiences throughout the program which will provide them with the opportunity to engage in the practice of teaching.

### OTHER INFORMATION

---

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

## RESEARCH OPPORTUNITIES - COLLEGE OF EDUCATION

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## PHYSICAL EDUCATION B.A.

TOTAL DEGREE HOURS: 120

Physical Education includes the study of kinesiology, physical skill development, pedagogy, coaching, curriculum development and assessment, and administration of physical activity programs. The Physical Education major offers students extensive preparation in theory and methodology courses leading to K-12 teaching certification. The Physical Education Program also offers a minor in the Science of Physical Activity.

### SPECIALIZED ADMISSIONS - PHYSICAL EDUCATION B.A.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

- Earn a 2.5 overall GPA;

- Complete all general education and state mandated common prerequisite courses with a C- or higher in each;

- Pass all sections of the General Knowledge Test. Information can be found at

  - <http://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;

- Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program

(see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

### REQUIREMENTS AFTER ADMISSION

Students accepted into the physical education program must meet the following additional requirements:

- Sign an agreement to abide by the standards set forth in the College of Education Professional Disposition and Ethical Standards Policy and Procedures document.

- Pay for costs in addition to tuition, fees, and books such as:

  - Attendance at the state professional organization conference (minimally 1 year)

  - Student membership in the state physical education professional organization

  - Transportation to and from school sites required in courses and internships

  - Physical Education Teacher Education uniform for internships

  - Criminal background checks and finger printing for internships

  - Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, professional file, etc.)

  - Electronic assignment portfolio throughout program

- Complete professional development plans throughout the program.

- Complete and pass individual development plans in identified skill areas during the program.

### UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

## PHYSICAL EDUCATION B.A. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all upper-level coursework in the major including Core and Specialization courses.

### GRADING REQUIREMENTS

---

Receive a grade of C- or higher in all required courses and maintain a 2.5 overall GPA and a 2.5 Core and Specialization GPA to be eligible to intern and graduate.

### RESIDENCY REQUIREMENT

---

Students successfully must complete at least 50 percent (50%) of the required courses in the major in courses offered by USF conferring the degree. In cases of hardship or lack of course availability, individual exceptions may be approved by the respective college Dean or designee to help ensure timely graduation.

### INTERNSHIP OPPORTUNITIES

---

Physical Education students will complete four clinical experiences. The final internship consists of two courses, each of 7 weeks. One will be performed at the elementary level and one at the middle or high school level. Passing grades in internship will only be possible if all sections of the Florida Teacher Certification Exam are taken and passed prior to graduation.

### OTHER INFORMATION

---

#### Physical Education Elective Program

Physical Education elective offerings are designed to provide opportunities for all students in the University to acquire knowledge and movement skills related to an active healthy lifestyle. Laboratory experiences in over twenty-five different exercise and sports activities allow students to select and develop proficiency appropriate for leisure pursuit and personal development. Special competency courses provide for in-depth study in such areas as personal wellness, current issues in sports, and first aid.

### RESEARCH OPPORTUNITIES - PHYSICAL EDUCATION B.A.

---

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## PHYSICAL EDUCATION B.S.

TOTAL DEGREE HOURS: 120

Physical Education includes the study of kinesiology, physical skill development, pedagogy, coaching, curriculum development and assessment, and administration of physical activity programs. The Physical Education major offers students extensive preparation in theory and methodology courses leading to K-12 teaching certification. The Physical Education Program also offers a minor in the Science of Physical Activity.

### SPECIALIZED ADMISSIONS - PHYSICAL EDUCATION B.S.

Students seeking admission to this program must meet the following Department of Education's Teacher Educator Certification requirements:

- Earn a 2.5 overall GPA;
- Complete all general education and state mandated common prerequisite courses with a C- or higher in each;
- Pass all sections of the General Knowledge Test. Information can be found at <http://www.usf.edu/education/academics/teacher-certification/general-knowledge-test.aspx>;
- Submit an application to Student Academic Services, EDU 106, 813-974-2979.

Applications can be found at <https://www.usf.edu/education/undergraduate/academic-advising/coedu-applications.aspx>.

Students must complete General Education and the General Knowledge Test before admission to a teacher preparation program

(see [http://www.leg.state.fl.us/statutes/index.cfm?App\\_mode=Display\\_Statute&Search\\_String=&URL=1000-1099/1004/Sections/1004.04.html](http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1004/Sections/1004.04.html)).

### REQUIREMENTS FOR THE B.S. DEGREE IN PHYSICAL EDUCATION

Physical Education is a two-year program that includes mandatory attendance during the summer session between the first and second years. The Physical Education program only admits students in the Fall Semester of each year. Students proceed through the program in cohorts and are required to complete all required courses each semester with a grade of "C-" or better in order to progress to the next semester. Students who do not complete the requirements will be dismissed from the program and may reapply for the next cohort.

The Physical Education program is a full-time program. Students must be available for classes from 8:00 am - 5:00 pm, Monday through Friday each semester. Additional time commitments may be necessary for course work in the evenings.

### REQUIREMENTS AFTER ADMISSION

Students accepted into the physical education program must meet the following additional requirements:

- Sign an agreement to abide by the standards set forth in the College of Education Professional Disposition and Ethical Standards Policy and Procedures document.
- Pay for costs in addition to tuition, fees, and books such as:
  - Attendance at the state professional organization conference (minimally 1 year)
  - Student membership in the state physical education professional organization
  - Transportation to and from school sites required in courses and internships
  - Physical Education Teacher Education uniform for internships
  - Criminal background checks and finger printing for internships
  - Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, professional file, etc.)
  - Electronic assignment portfolio throughout program
- Complete professional development plans throughout the program.
- Complete and pass individual development plans in identified skill areas during the program.

## UNIVERSITY ADMISSIONS - COLLEGE OF EDUCATION

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

## STATE MANDATED COMMON COURSE PREREQUISITES - PHYSICAL EDUCATION B.S.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

EDF X005 Introduction to Education and Field Experience - 3 credit hours

BSC X085 - 3 credit hours

BSC X086 or PET X622 - 2-3 credit hours

Skill Development Courses in Physical Activities - 4 credit hours

Conditioning, Fitness and Wellness Course in Physical Education Activities - 3 credit hours

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and delineated in the Statewide Course Numbering System.

## PHYSICAL EDUCATION B.S. - ADDITIONAL INFORMATION

---

### GPA REQUIREMENTS

---

Once admitted, students must maintain a 2.5 overall GPA and earn a 2.5 in all upper-level coursework in the major including Core and Specialization courses.

### GRADING REQUIREMENTS

---

Receive a grade of C- or higher in all required courses and maintain a 2.5 overall GPA and a 2.5 Core and Specialization GPA to be eligible to intern and graduate.

### RESIDENCY REQUIREMENT

---

Students successfully must complete at least 50 percent (50%) of the required courses in the major in courses offered by USF conferring the degree. In cases of hardship or lack of course availability, individual exceptions may be approved by the respective college Dean or designee to help ensure timely graduation.

### INTERNSHIP OPPORTUNITIES

---

Physical Education students will complete four clinical experiences. The final internship consists of two courses, each of 7 weeks. One will be performed at the elementary level and one at the middle or high school level. Passing grades in internship will only be possible if all sections of the Florida Teacher Certification Exam are taken and passed prior to graduation.

PET 4942 - Physical Education Pre-Internship: Elementary **Credit(s): 3**  
PET 4944 - Physical Education Pre-Internship: Secondary **Credit(s): 3**  
PET 4946 - Internship in Physical Education: Elementary **Credit(s): 6**

### OTHER INFORMATION

---

#### Physical Education Elective Program

Physical Education elective offerings are designed to provide opportunities for all students in the University to acquire knowledge and movement skills related to an active healthy lifestyle. Laboratory experiences in over twenty-five different exercise and sports activities allow students to select and develop proficiency appropriate for leisure pursuit and personal development. Special competency courses provide for in-depth study in such areas as personal wellness, current issues in sports, and first aid.

## SCIENCE OF PHYSICAL ACTIVITY MINOR

TOTAL MINOR HOURS: 11-12

Students who successfully complete the minor in the Science of Physical Activity will have a background in basic physical activity knowledge which may assist individuals interested in coaching and working with adults and children in physical activity settings.

### MINOR REQUIREMENTS

The minor in the Science of Physical Activity is 11-12 hours. Students must have completed 45 hours of undergraduate coursework, be considered at the junior level, have an overall GPA of 2.5, and have a major in a program other than Physical Education.

### MINOR CORE (9 CREDIT HOURS)

APK 3120 - Exercise Physiology **Credit(s): 3**  
PET 3031 - Motor Behavior **Credit(s): 3**  
PET 4510 - Measurement and Evaluation in Physical Education **Credit(s): 3**

### Minor Electives (2-3 Credit Hours)

Students must choose one of the following courses:

PET 4820 - Sport Skill Proficiency **Credit(s): 3**  
SPM 3012 - Issues in Sport **Credit(s): 3**

### GPA REQUIREMENTS

Students must earn an overall GPA of 2.0

### GRADING REQUIREMENTS

Students must earn a C- or higher in each course.

### ADVISING INFORMATION

#### To schedule an advising appointment:

Prospective or current students with an active UID can schedule an appointment online:  
<https://usf.appiancloud.com/suite/sites/archivum/page/archivum/report/daQEig>

Prospective students who have not yet applied or students who are inactive (e.g., dismissed or not enrolled for 3 consecutive terms) should contact the appropriate advising location in their intended major:

<https://www.usf.edu/undergrad/students/advising.aspx>

## College of Engineering

---

4202 E. Fowler Avenue, ENG 030  
Tampa, FL 33620  
(813) 974-3780  
<https://www.usf.edu/engineering/index.aspx>

**Physical Location:** The College of Engineering is at the corner of Leroy Collins Blvd. and Alumni Drive.

### About the College

---

The College of Engineering offers undergraduate and graduate programs to prepare students for a broad spectrum of professional careers in engineering. Laboratory experiences, as well as real-world participation in technological problem solving, are key aspects of a student's education. The laboratory and research facilities of the College of Engineering, close collaboration with professional societies and the many industries in the metropolitan Tampa Bay area provide a wide range of experiential learning opportunities for College of Engineering students at the University of South Florida. The college offers undergraduate degrees in Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Computer Science, Cybersecurity, Electrical Engineering, Industrial Engineering, Information Technology, and Mechanical Engineering. In addition, the college offers minors in Biomedical Engineering, Computer Science, and Information Technology. The degree programs of the College are developed with an emphasis on three broad aspects of engineering and technological activity: design, research, and the operation of complex technological systems. The undergraduate degree programs provide a strong, broad-based, fundamental education as preparation for careers in industry and government, or as preparation for advanced studies in professional schools of engineering, technology, science, law, business, and medicine.

At the graduate level, students work in close collaboration with faculty, pursuing advanced topics within their disciplines which will result in advancements in their fields and society at large. Students who are interested in advanced design or research should pursue a traditional or accelerated program leading to a Master of Science degree in the designated discipline. The supervision of the academic programs is the function of the administrative departments together with several coordinators. Each department is responsible for specific professional programs, faculty, laboratories, and student advising.

The Departments and Programs section that follows contains descriptions of the baccalaureate degrees offered by the College. Students interested in particular programs offered by the College of Engineering should direct their inquiries to the College of Engineering's Office of Student Services. Information is also available on the College's website: <https://www.usf.edu/engineering/>.

### Mission, Vision, Values

---

#### MISSION

To profoundly shape and impact lives through the steadfast pursuit of world-class engineering research, education, and innovation.

#### VISION

We aspire to be at the forefront of engineering research and education, cultivating knowledgeable, passionate engineers who are dedicated to need-based, solutions-oriented engineering.

#### VALUES

We share a culture of excellence, characterized by an emphasis on students, research, innovation, partnership, inclusivity, agility, and the future.

### Accreditation

---

The USF Bachelor of Science degree programs in Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Industrial Engineering, and Mechanical Engineering are accredited by the Engineering Accreditation Commission of ABET (<http://www.abet.org/>)

# COLLEGE OF ENGINEERING

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

The USF Bachelor of Science degree programs in Computer Science and Cybersecurity are accredited by the Computing Accreditation Commission of ABET (<http://www.abet.org>).

## Other Information

---

### Professional Registration

Students who have attained senior status, and are in good academic standing in an EAC/ABET-accredited engineering program, are eligible to register for examinations leading to licensure as a professional engineer. The first examination, called the Fundamentals of Engineering (FE) Exam, is offered by the Florida Board of Professional Engineers and is usually taken the semester prior to graduation. In addition to the knowledge acquired through the engineering curriculum, many students take advantage of review courses offered in the College of Engineering to prepare for the FE examination. Registering for the FE exam during the senior year is strongly encouraged.

### Students in the University Honors College

College of Engineering students participating in the University Honors Program are able to complete their Engineering Bachelor's degree in four years. Students who qualify for the Honors Program at USF should contact the Honors College or Engineering Student Services to learn about the benefits of this prestigious program.

### Army, Air Force and Naval R.O.T.C. for Students

The academic and technological knowledge from a College of Engineering degree grants a distinct advantage to individuals interested in a military appointment or career. This is especially true for those participating in one of the ROTC programs at USF.

### Bachelor's/Master's Pathway Programs

Well-qualified students who, at the beginning of their senior year, are clearly interested in graduate study are invited to apply to the individual Bachelor's/Master's Pathways academic programs offered by various departments within the College of Engineering.

## Housing

---

### The Engineering Living Learning Community – College of Engineering Housing at the Tampa campus

The Engineering Living Learning Community provides extra support and services for College of Engineering students. Freshmen and continuing residents have a built-in network of peer support, tutoring services, and academic support programs right in the hall. The LLC is open to all first time in college and returning Engineering LLC students declared in the College of Engineering. To learn more and apply, visit <https://www.usf.edu/housing/residential-learning/llc-major/engineering.aspx>.

The BioLife First Year Interest Group is an academic-based community open to first-year students majoring in Biology at the St. Petersburg campus. This community offers residents the opportunity to learn together about the interdisciplinary nature of biology, engage with faculty in the Biological Sciences program, participate in civic engagement activities with a biology focus, and explore potential career opportunities. For more information, visit: <https://www.usfsp.edu/housing/residential-community-programs/>.

### Women Advancing and Rising in Engineering (A.R.E.) Living Learning Community – Housing for Female Engineering Students at the Tampa campus

If you are determined to succeed in a career in engineering, then commit to rising with other students in the Women A.R.E. Living Learning Community. This LLC empowers students to advance in their academic pursuits in the College of Engineering by connecting them to special opportunities for in-hall tutoring, peer mentoring, faculty mentoring, and career readiness workshops. This LLC is located in Poplar Hall and open to all first time in college and returning women students enrolled in the College of Engineering. To learn more and apply, visit: <https://www.usf.edu/housing/residential-learning/llc-major/women-are.aspx>

### STEM Living Learning Community – Housing for STEM majors at the Tampa campus

The STEM Living Learning Community (LLC), located in Cypress Hall, is a stimulating living learning environment that was created to meet the needs of STEM students interested in various science, technology, engineering,

# COLLEGE OF ENGINEERING

---

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

psychology, and math areas. The goals of the STEM LLC are to assist students in achieving academic and personal success while fostering an understanding of the multiple career pathways available to graduating STEM students. The STEM LLC is open to the following majors: Biomedical Sciences, Biology (all related biology), Cellular and Molecular Biology, Chemistry (all related chemistry), Computer Science, Engineering, Geology/Geological Sciences, Health Sciences, Mathematics, Physics, Psychology and Statistics. To learn more and apply, visit: <https://www.usf.edu/housing/index.aspx>

## College-Level Requirements

---

### Minimum Continuation Requirements

All College of Engineering undergraduate students must meet the following criteria:

1. Maintain a cumulative 2.0 USF GPA
2. Maintain a cumulative 2.0 Overall GPA
3. Earn a minimum 2.0 semester GPA
4. Earn the required grade in math, science and college courses in no more than two (2) registered attempts. Grades of W, IF, U, and R are considered attempts.

### Warning

Students who do not meet the required minimum semester GPA are initially given a warning.

### Probation

Students will be placed on probation if they have any of the following:

1. Two semesters with a term GPA under 2.0 or
2. Less than a 2.0 cumulative USF GPA or
3. Less than a 2.0 Overall GPA.

Students on probation will be ineligible for further registration in the College. In order to continue, students must obtain individually designed academic plans approved by their academic advisor and will be closely monitored.

Failure to meet the terms of the academic plans will result in the reselection of a major outside the College of Engineering.

### Reselect Major

In addition to the conditions outlined above, students who fail to meet the grade requirement in math, science and college courses in no more than two (2) registered attempts must reselect a major outside the College of Engineering and are ineligible to enroll in college restricted courses. Please keep in mind that the College provides a wide range of services to assist in selecting a new academic and career path.

### Academic Dismissal

Students academically dismissed from the University of South Florida, or those who leave on probation, may choose to attend another post-secondary institution, and reapply to USF after their overall GPA meets minimum requirements. The College of Engineering may consider them for readmission if they meet the minimum College of Engineering admission requirements for transfer students, as well as the program entrance requirements for their intended major as published in the University of South Florida Undergraduate Catalog for their term of readmission.

## Other Requirements

---

### Years to Degree

The College of Engineering requires that a student completes the baccalaureate degree within five years after beginning the specialization courses for their major. Specialization courses taken more than five years prior to graduation will not be counted toward the degree. Exceptions may be granted by the academic department.

### University, College and Program Requirements

The College requirements described in this section above are in addition to requirements set forth in the University policy and procedures section and the departmental sections of this catalog. It is the student's responsibility to complete all university, college, program and curricular requirements prior to graduation.

# COLLEGE OF ENGINEERING

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## Student Laptop Computer Requirement

All students entering the College of Engineering are required to have a laptop computer that they can use in their major classes and labs.

## Disruption of Academic Process and Academic Dishonesty

The College of Engineering will maintain an environment that encourages all to study and conduct engineering research free from undue disruption. Disruption of the Academic Process is a matter the College is obliged to report to Student Judicial Services. Academic dishonesty, in any form, is taken very seriously by the College of Engineering and will result in sanctions. The most serious penalty is dismissal from the University. (See University policies - Academic Integrity of Students)

## Admission Requirements

---

### Preparation for Entering the College of Engineering

High school students anticipating a career in engineering or computer science must present a strong academic record that includes four years of advanced high school mathematics (analytical geometry, trigonometry, pre-calculus, calculus) and science, including chemistry and physics. High school students seeking to matriculate into the Cybersecurity or Information Technology programs of study must present a strong academic record that includes at least three years of highly advanced high school mathematics (analytical geometry, trigonometry, pre-calculus) and science, including physics. Prospective students who lack sufficient preparation in high school may need additional preparatory coursework.

Newly admitted first-year students are required to take and successfully complete the university's Math Placement Test (MPT) first two subjects, basic algebra and college algebra. Students who completed pre-calculus or calculus in high school will also take the MPT for pre-calculus/trigonometry. A score of 12 out of 15 on the MPT subject exams is passing. Students who successfully pass all three MPT subjects are encouraged to start in Calculus I fall term for degree progression. More information about the MPT can be found in CANVAS. Exemptions for the MPT requirements are granted for students who have met one of the following: 670 or higher SAT Math, 29 or higher ACT Math, 90 or higher CPT College Level Math, completed Pre-Calculus Algebra and Trig (minimum grade of C, not C-, or exam credit), or completed Calculus I (minimum grade of C, not C-, or exam credit). For Pre-Calculus and Calculus equivalent exam credit, please visit <http://ugs.usf.edu/credit-by-exam/>

All summer admits are required to enroll in a 3-credit math preparatory course during the Summer B session and earn a minimum grade of "S" satisfactory. Students who are unable to successfully complete the course may be redirected to another major as stated in the University's Degree Progression Policy 10-505.

First-year summer admits and conditional admits will participate in at least one College of Engineering academic support program geared toward successful degree progression their first fall or spring semester. Examples of an academic support program include course-based learning communities, weekly academic guidance sessions, and/or weekly tutoring.

### Admission Requirements for First Year Students

---

First time in college students and lower division students with less than 30 credits, who meet the criteria below, are granted entry into the College of Engineering:

1. Admitted to the University of South Florida as a degree seeking student;
2. Meets at least one of the below requirements:
  - o SATM - a minimum quantitative score of 610 or
  - o ACTM - a minimum score of 26 or
  - o Have a minimum High School GPA of 3.6 on the USF adjusted scale.

Those students who do not meet the above criteria may be admitted to the College after satisfactorily meeting transfer student admission requirements.

Additional requirements must be met prior to admission to specific degree programs. Biomedical Engineering is a specialized admissions program. Students interested in Biomedical Engineering need to refer to the major section in the catalog. For the specific state mandated common prerequisite courses for each program within the College of Engineering, please see the section entitled, "State Mandated Common Prerequisites" located under the major section of the catalog.

# COLLEGE OF ENGINEERING

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## Admission Requirements for Transfer Students

Lower-level transfer students who have completed at least 30 credit hours of post-secondary course work and meet the criteria below will be granted entry into the College of Engineering.

1. Fully admitted to the University of South Florida as a degree-seeking student with at least 30 earned credits.
2. Meet one of the following (A, B or C):

A. Students pursuing a major in engineering (see below for Computer Engineering) must have successfully completed two of the following four courses and must have earned a minimum grade of B or better (not B-) in at least one of the requirements (maximum two attempts allowed to earn required grade and a withdrawal is considered an attempt):

- Calculus I (MAC X281 or MAC X311 or equivalent)
- Calculus II (MAC X282 or MAC X312 or equivalent)
- Calculus-based Physics I plus lab (PHY X048L or PHY X045L)
- Chemistry I with lab (CHM X045 and CHM X045L) or CHM X045C or (CHS X440 and CHS X440L)

B. Students pursuing a major in Computer Science or Computer Engineering must have successfully completed requirement "A" above and have completed COP 2510 - Programming Concepts (or equivalent) with a minimum grade of B or better (not B-) (maximum two (2) attempts to earn required grade and a withdrawal is considered an attempt).

C. Students pursuing a major in Cybersecurity or Information Technology must have successfully completed CGS 1540 - Introduction to Databases for Information Technology (or equivalent) with a minimum grade of B or better (not B-) and have completed two of the following three courses with a minimum grade of B or better (not B-) in at least one of the courses (maximum two attempts allowed to earn required grade and a withdrawal is considered an attempt).

- Introductory Statistics I (STA X023 or STA X122)
- Pre-Calculus Algebra and Trigonometry [MAC X147 or (MAC X140 and MAC X114)] or MAC 2233 - Business Calculus
- Any Physics course (PHY 1000 - PHY 2999) - 3 credit hours

*Successful completion of courses requires earning the minimum required grade within two attempts. Unless stated otherwise, the minimum required grade is a C (not C-).*

Upper-level transfer students who meet all of the criteria below, will be granted entry into the College of Engineering.

1. Fully admitted to the University of South Florida as a degree-seeking student;
2. Meet one of the following (A, B or C):
  1. Students pursuing a major in engineering (see below for Computer Engineering) must have successfully completed all of the following courses and must have earned a minimum grade of B or better (not B-) in at least one of the requirements (maximum two attempts allowed to earn required grade and a withdrawal is considered an attempt):
    - Calculus I (MAC X281 or MAC X311 or equivalent)
    - Calculus II (MAC X282 or MAC X312 or equivalent)
    - Calculus-based Physics I plus lab (PHY X048L or PHY X045L)

B. Students pursuing a major in Computer Science or Computer Engineering must have successfully completed requirement "A" above and have completed COP 2510 - Programming Concepts (or equivalent) with a minimum grade of B or better (not B-) (maximum two (2) attempts to earn required grade and a withdrawal is considered an attempt).

C. Students pursuing a major in Cybersecurity or Information Technology must have successfully completed CGS 1540 - Introduction to Databases for Information Technology (or equivalent) with a minimum grade of B or better (not B-) and have completed all of the following courses with a minimum grade of B or better (not B-) in at least one of the courses (maximum two (2) attempts allowed to earn required grade and a withdrawal is considered an attempt).

- Introductory Statistics I (STA X023 or STA X122)
- Pre-Calculus Algebra and Trigonometry [MAC X147 or (MAC X140 and MAC X114)] or MAC 2233 - Business Calculus
- Any Physics course (PHY 1000 - PHY 2999) - 3 credit hours

# COLLEGE OF ENGINEERING

---

## UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

*Successful completion of courses requires earning the minimum required grade within two (2) attempts. Unless stated otherwise, the minimum required grade is a C (not C-).*

Students who have met the admissions requirements above *and* are in compliance with college-level requirements and college graduation requirements are accepted directly into the specific College of Engineering program\*. Students who are not admissible to the college are ineligible to enroll in college restricted courses. **Once admitted, students may need to meet additional program specific requirements for progression to the upper division.** Please refer to the program section in the catalog for details.

\*Biomedical Engineering is a limited access program. Students interested in this program need to refer to the Biomedical Engineering major section in the catalog for details.

For the specific state-mandated common prerequisite courses for each program within the College of Engineering, please see the section entitled, "State Mandated Common Prerequisites" located under the major section of the catalog.

The USF College of Engineering will accept transfer credit from non-Florida Statewide Common Course Numbering System (SCNS) courses when appropriate if the transferred course has been passed with a grade of C or better, and it is determined to be equivalent in both content and quality. In some cases, credit for a course *may* be granted, but the hours accepted may be less than the hours earned at another school. In general, engineering and technology courses taken at technical schools, or as part of professional or military training, are not applicable to the degree programs of the College of Engineering. Transfer students should be prepared to submit detailed course syllabi from the previous institution if requested.

While credit for work from other institutions may be granted subject to the conditions of the previous paragraph, at least 30 credit hours including a minimum number of semester hours of engineering coursework, specified by the degree-granting department, must be taken at USF to receive the Baccalaureate degree. Prospective transfer students may contact the Office of Engineering Student Services at (813) 974-2684 to request an assessment.

## Graduation Requirements

---

### Minimum Graduation Requirements

All undergraduate students admitted to any academic program in the College of Engineering must maintain a minimum cumulative GPA of 2.0 in each of the following categories:

1. Overall Undergraduate GPA
2. USF GPA
3. Math and Science courses (best attempt)
4. Engineering Courses
5. Courses within the major

As stated in USF Policy 10-505, students not meeting minimum GPA requirements for graduation may be redirected to another major.

### Graduation Application Procedures

Each College of Engineering student is required to complete an application for graduation and graduation checklist. Students should meet with their program advisor to review graduation qualifications and obtain approval well in advance of the College graduation application deadline. The graduation application deadline for the college is set prior to the university deadline and is posted on the College of Engineering Student Services website or department website.

Note: Applications are generally due before the beginning of the graduating term. Individual academic departments may have a graduation application deadline that precedes the college one.

# COLLEGE OF ENGINEERING

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## Baccalaureate-Level Degree Programs

---

### Bachelor of Science

---

#### Biomedical Engineering (BSBE)

<https://www.usf.edu/engineering/bme/>

Biomedical Engineering is the confluence of engineering, biology and medicine. Main application areas are the development and testing of new medical devices, systems and drugs/medications to prevent or cure illnesses and medical conditions.

#### Chemical Engineering (BSCH)

<https://www.usf.edu/engineering/chbme/>

Students take course work in advanced chemistry, thermodynamics, fluids, heat and mass transfer, separation processes, and reaction systems. The program prepares students upon graduation to pursue careers in industry or with government organizations.

#### Civil Engineering (BSCE)

<https://www.usf.edu/engineering/cee/#&slider1=3>

Civil engineers design and supervise the construction of roads, buildings, airports, tunnels, dams, bridges, and water supply and sewage systems. Students can focus on these specialties: structures, water resources, environmental, transportation, and geotechnical.

#### Computer Engineering (BSCP)

<https://www.usf.edu/engineering/cse/>

The Computer Engineering program emphasizes the application of engineering principles to the design of computer hardware and software, and devotes additional time to computer architecture and advanced topics in hardware design, including extensive laboratory work. Students in this program also acquire a background in engineering topics through related coursework in the College.

#### Computer Science (BSCS)

<https://www.usf.edu/engineering/cse/>

The Computer Science program focuses on the design, development, and application of software systems. Additional course work in algorithms, discrete structures, object-oriented design, data structures, operating systems, digital logic design, computer architecture, and a wide range of advanced electives extend and supplement the core.

#### Cybersecurity (BSCYS)

<https://www.usf.edu/engineering/cse/>

The Cybersecurity program focuses on technology, people, information, and processes to enable assured cyber operations in the context of adversaries. The program is built on a technical foundation of computing and information technology. Students in this program acquire a background in cybersecurity related to information, software, systems, users, and organizations including aspects of policy, human factors, risk management, ethics, and impact on society.

#### Electrical Engineering (BSEE)

<https://www.usf.edu/engineering/ee/>

The program offers study in all areas fundamental to electrical engineering and the electrical sciences - circuit analysis and design, bioelectrical systems, mechatronics and robotics, embedded systems, wireless circuits and systems, communication systems, power and energy, MEMS, and nano- and micro- devices and systems.

#### Environmental Engineering (BSEV)

<https://www.usf.edu/engineering/cee/>

The program offers study to solve complex problems, supporting human and environmental needs while mitigating adverse environmental, health, and economic impacts associated with human activities. The degree is an interdisciplinary engineering program designed to provide students with a strong foundation in both theoretical and applied aspects of Environmental Engineering.

# COLLEGE OF ENGINEERING

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

---

## Industrial Engineering (BSIE)

<https://www.usf.edu/engineering/imse/>

Industrial engineering is ideal for individuals interested in formulating mathematical, statistical, and computer simulation models of complex systems in manufacturing, logistics, information, healthcare, transportation, financial, utilities, entertainment, and service. IE's analyze model results to make engineering decisions for improving system performance and developing public policies.

## Information Technology (BSIT)

<https://www.usf.edu/engineering/cse/>

The Information Technology program focuses on programming, databases, networking, human-computer interaction, web systems, and cybersecurity to meet the technology requirements of business, government, healthcare, education, and other organizations. Students in this program acquire the right combination of fundamental knowledge and practical expertise to solve computing technology problems and meet user needs.

## Mechanical Engineering (BSME)

<https://www.usf.edu/engineering/me/>

Mechanical engineering is a discipline that applies the principles of physics and materials science for analysis, design, manufacturing, and maintenance of mechanical systems. It is the branch of engineering that involves the production and usage of heat and mechanical power for the design, production, and operation of machines and tools. It is one of the oldest and broadest engineering disciplines.

## Bachelor's/Master's Pathways

---

- B.S.C.H. in Chemical Engineering/M.S.B.E. in Biomedical Engineering
- B.S.C.H. in Chemical Engineering/M.S.C.H. in Chemical Engineering
- B.S.C.H. in Chemical Engineering/M.S.E.M. in Engineering Management
- B.S.C.H. in Chemical Engineering/M.S.M.S.E. in Materials Science and Engineering
- B.S.C.E. in Civil Engineering/M.S.C.E. in Civil Engineering
- B.S.C.E. in Civil Engineering/M.S.E.M. in Engineering Management
- B.S.C.E. in Civil Engineering/M.E.M.S.E. in Materials Science and Engineering
- B.S.C.E. in Civil Engineering/M.S.E.V. in Environmental Engineering
- B.S.C.P. in Computer Engineering/M.S.C.S. in Computer Science
- B.S.E.E. in Electrical Engineering and M.S.E.E. in Electrical Engineering
- B.S.E.E. in Electrical Engineering and M.S.M.S.E. in Materials Science and Engineering
- B.S.I.T. in Information Technology/M.S.I.T. in Information Technology

## Minors

---

### Biomedical Engineering

<https://www.usf.edu/engineering/undergraduate/>

This 15 credit hour program is open to all engineering majors (except Biomedical Engineering) and other students that meet the prerequisites

### Computer Science

<https://www.usf.edu/engineering/undergraduate/>

This 18 credit hour program is open to all students except for department majors. The minor is particularly attractive to students in other engineering majors, and students in the maths and sciences.

### Information Technology

<https://www.usf.edu/engineering/undergraduate/>

The Information Technology minor covers key topics in the discipline - a 21-credit hour program that is attractive to students in other engineering depts. and students in mathematics and the sciences (physics, chemistry, biology) who have no background in software development. The IT minor is open to all students, except students majoring in Computer Science, Computer Engineering, Cybersecurity, and Information Technology, who meet the prerequisites.

---

## Undergraduate Advising Information

---

Effective pursuit of studies within the College of Engineering requires careful attention to both the sequence and the type of courses taken. The college curriculum differs in key respects from the study plans of other majors even in the first year. Professional advisors in the College of Engineering provide individualized academic planning and guidance. New students must attend the University's Orientation program. They will be introduced to the college advisors during this program and receive advisement for their first semester. The student and advisors jointly work out a plan of study that meets both the student's career objectives and the College of Engineering's degree requirements. While the College provides advising services to assist students with academic planning, the student is responsible for knowing and meeting all performance standards and graduation requirements.

All majors are initially advised in the Office of Engineering Student Services. Please visit <https://www.usf.edu/engineering/student-services/academic-advising/index.aspx> for a list of advisors and their contact information.

### Contact Information

## **DEPARTMENT OF CHEMICAL, BIOLOGICAL, AND MATERIALS ENGINEERING**

# COLLEGE OF ENGINEERING

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## CHEMICAL ENGINEERING B.S.C.H.

TOTAL DEGREE HOURS: 131

Students pursuing the Bachelor of Science in Chemical Engineering take coursework in advanced chemistry, thermodynamics, fluids, heat, and mass transfer, numerical methods, separation processes, reacting systems, instrumentation, control, and plant and product design. Students must also satisfactorily complete a design project as part of their major. Chemical engineering students must maintain a GPA of 2.0 in required departmental courses. Therefore, it is imperative that the students retain close contact with their advisor. Students completing this major normally initiate their careers in manufacturing, environmental, and biological enterprises. Chemical engineers are found in administrative, technical, and research positions in these industries. Main products of these industries are petrochemicals, polymers, fibers, natural and synthetic fuels, electronic materials, fertilizers, pharmaceuticals, bio-materials, etc.

### MISSION STATEMENT

The mission of the Department of Chemical & Biomedical Engineering is to prepare graduates with fundamental knowledge and contemporary skills for the development, economic design, and safe operation of chemical and biological systems, processes, products, and methods in a manner compatible with societal values.

### PROGRAM EDUCATIONAL OBJECTIVES AND STUDENT OUTCOMES

#### PROGRAM EDUCATIONAL OBJECTIVES

The overall objective of the Bachelor's Degree Program in Chemical Engineering at the University of South Florida is to prepare graduates for successful careers in the chemical engineering and related professions. Accordingly, graduates of this program who have chosen to pursue a career in engineering shall achieve the following within a few years after graduation:

1. Demonstrate professional engineering competence by holding positions of increasing responsibility in industry, business, government and/or educational institutions
2. Publish papers, reports, patents and/or technical presentations at local, national, international meetings or within the professional organization/company that they are affiliated with.
3. Continue to improve their technical skills, knowledge and understanding through continuing education, pursuit of advanced degrees, and/or pursuit of professional license in their chosen profession.

Please refer to the mission statement on the department website for additional information.

#### STUDENT OUTCOMES

The graduates of the B.S. degree program in Chemical Engineering Program at USF will demonstrate that they have:

1. An ability to identify, formulate, and solve complex engineering problems by applying principles of engineering, science, and mathematics.
2. An ability to apply engineering design to produce solutions that meet specified needs with consideration of public health, safety, and welfare, as well as global, cultural, social, environmental, and economic factors.
3. An ability to communicate effectively with a range of audiences.
4. An ability to recognize ethical and professional responsibilities in engineering situations and make informed judgments, which must consider the impact of engineering solutions in global, economic, environmental, and societal contexts.
5. An ability to function effectively on a team whose members together provide leadership, create a collaborative and inclusive environment, establish goals, plan tasks, and meet objectives.
6. An ability to develop and conduct appropriate experimentation, analyze and interpret data, and use engineering judgment to draw conclusions.
7. An ability to acquire and apply new knowledge as needed, using appropriate learning strategies.
8. An ability to analyze the hazards associated with chemical, physical and/or biological processes.

#### STUDENT ENROLLMENT DATA

Student enrollment data are posted on the departmental web site: <https://www.usf.edu/engineering/chbme/>.

# COLLEGE OF ENGINEERING

UNIVERSITY OF SOUTH FLORIDA 2022-2023 UNDERGRADUATE CATALOG

## UNIVERSITY ADMISSIONS - COLLEGE OF ENGINEERING

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

For Admission information specific to the College of Engineering, see the information at College of Engineering.

## DEPARTMENTAL POLICIES

In addition to the College of Engineering's graduation requirements, the department has the following policies:

1. Mandatory academic advising of students for each term.
2. Exit interviews as a graduation requirement.

## PROGRESSION REQUIREMENTS - CHEMICAL ENGINEERING B.S.C.H.

In addition to meeting the College of Engineering's continuation requirements, students majoring in the Chemical Engineering program must meet all of the following progression requirements to continue in the major:

1. First Year Students must complete ECH 3023 - Material and Energy Balances **Credit(s): 3** with a minimum grade of C (C- is insufficient) by no later than the end of the fifth semester (not counting summers). Upper level transfer students must meet the same course and grade requirement by the end of the third semester (not counting summers). The semester count begins upon admission to USF. Students are encouraged to complete this course as soon as possible upon entry at the university.
2. Each student must not accumulate more than a total of three (3) grades of D, F, or W, in any combination, for the collection of required major specialization courses.

Students unable to satisfy these progression requirements will be required to reselect their major.

## STATE MANDATED COMMON COURSE PREREQUISITES - CHEMICAL ENGINEERING B.S.C.H.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper-division of a particular baccalaureate degree program.

Transfer students should complete the following prerequisite courses at the lower-level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

Students qualify for direct entry to their intended department if they have completed the following courses at a Florida College System institution or University in the Florida State University System (SUS) and meet all other admissions requirements of the University and College.

The following are transferable courses from the Florida College System Institution that will be accepted in the Math/Science/Engineering areas:

*Mathematics:*

### Courses at USF

- MAC 2281 - Engineering Calculus I **Credit(s): 4** OR MAC 2311 - Calculus I **Credit(s): 4**
- MAC 2312 - Calculus II **Credit(s): 4**
- MAC 2283 - Engineering Calculus III **Credit(s): 4** OR MAC 2313 - Calculus III **Credit(s): 4**
- MAP 2302 - Differential Equations **Credit(s): 3**

## CHEMICAL ENGINEERING B.S.C.H. - ADDITIONAL INFORMATION

### GPA REQUIREMENTS

Students must have and maintain a minimum 2.0 semester GPA, 2.0 Math and Science GPA, 2.0 Engineering GPA, 2.0 Specialization GPA, 2.0 USF GPA, and 2.0 overall GPA.

### GRADING REQUIREMENTS

Many courses required for the B.S. degree in Chemical Engineering have other prerequisite courses. Prerequisite courses must be completed with a grade of "C" or better (C- is insufficient) before the student is allowed to take the course. This applies to prerequisite courses taken in other departments as well. The passing grade for terminal courses which are not prerequisite courses is a D-.

Below is a list of courses for which a D- or better is sufficient:

- EMA 4003 - Introduction to Materials Science
- CHM 2211 - Organic Chemistry II
- BCH 3053 - General Biochemistry
- ECH 4715 - Chemical Process Safety and Ethics
- ECH 4241L - Chemical Engineering Laboratory II
- ECH 4323 - Process Dynamics and Control
- Any course in the **Major Elective section** that is NOT S/U

Note: There are two terminal courses that are an exception, in that they require a C or better. Specifically,

- ECH 4615C - Product and Process Design
- ECH 4680C - Product Development

### RESIDENCY REQUIREMENTS

Transfer students must complete a minimum of 18 hours of approved specialization courses in the major at USF. The University residency requirement must also be met.

A dual degree student must meet the requirements of each major and have a minimum of 18 approved specialization hours taken in Chemical Engineering degree program.

### INTERNSHIP OPPORTUNITIES

The College of Engineering and USF's Career Services Cooperative Education (Co-Op) program provides services for students interested in experiential educational experiences. A wide variety of industries and government agencies offer internships and cooperative education employment opportunities for engineering students. Participants gain valuable expertise in practical applications and other aspects of operations and development in a professional engineering environment. Students normally apply for participation in this program during their first year in the College of Engineering and pursue actual internships during their sophomore, junior and senior years.

### BACHELOR'S/MASTER'S PATHWAYS

Students majoring in Chemical Engineering have the option to pursue one of the following Bachelor's/Master's Pathways:

- B.S.C.H. in Chemical Engineering and M.S.B.E. in Biomedical Engineering
- B.S.C.H. in Chemical Engineering and M.S.C.H. in Chemical Engineering
- B.S.C.H. in Chemical Engineering and M.S.E.M. in Engineering Management
- B.S.C.H. in Chemical Engineering and M.S.M.S.E. in Materials Science and Engineering

For more information, see the Graduate Catalog.

## ACCREDITATION INFORMATION - COLLEGE OF ENGINEERING

This Engineering degree program is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>.

## RESEARCH OPPORTUNITIES - COLLEGE OF ENGINEERING

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 - Advanced Undergraduate Research Experience course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

## ADVISING INFORMATION - CHEMICAL ENGINEERING B.S.C.H.

For questions about college and departmental admission, transferring from another institution or registration for prerequisite courses: <http://www.usf.edu/engineering/student-services/academic-advising/index.aspx>.

For questions specific to Chemical Engineering courses and curriculum: <http://www.usf.edu/engineering/chbme/undergraduate/index.aspx>.

## 4 YEAR PLAN OF STUDY - CHEMICAL ENGINEERING B.S.C.H.

### NOTES:

- SCIV - Civics Literacy needs to be completed prior to graduation. For more information, see <https://www.usf.edu/undergrad/students/civics-literacy.aspx> or talk with your academic advisor.
- Items that are critical are marked with a  and are included in the plan for a student to stay on track.

### Potential Entry Level Job Titles:

- Chemical Engineer
- Project Engineer
- Process Engineer
- Applications Engineer
- Production Engineer
- Process Control Engineer

### Potential Entry Level Salary Range:

\$65,000 - \$93,000

## YEAR 1

### SEMESTER 1 (FALL)

- MAC 2281 - Engineering Calculus I **Credit(s): 4**  
or MAC 2311 - Calculus I **Credit(s): 4**
- ENC 1101 - Composition I **Credit(s): 3**
- CHM 2045 - General Chemistry I **Credit(s): 3**
- CHM 2045L - General Chemistry I Laboratory **Credit(s): 1**
-  EGN 3000 - Foundations of Engineering **Credit(s): 0-3**
- EGN 3000L - Foundations of Engineering Lab **Credit(s): 3**  
NOTE: TGEC - Creative Thinking met with EGN 3000L.
